The three-hour time limit specified in this division regarding the admission of evidence does not extend or affect the two-hour time limit specified in division (A) of section 4511.192 of the Revised Code as the maximum period of time during which a person may consent to a chemical test or tests as described in that section. The court may admit evidence on the concentration of alcohol, drugs of abuse, or a combination of them as described in this division when a person submits to a blood, breath, urine, or other bodily substance test at the request of a law

The bodily substance withdrawn under division (D)(1)(b) of this section shall be analyzed in accordance with methods approved by the director of health by an individual possessing a valid permit issued by the director pursuant to section 3701.143 of the Revised Code.

(2) In a criminal prosecution or juvenile court proceeding for a violation of division (A) of this section or for an equivalent offense, if there was at the time the bodily substance was withdrawn a concentration of less than the applicable concentration of alcohol specified in divisions (A)(1)(b), (c), (d), and (e) of this section or less than the applicable concentration of a listed controlled substance or a listed metabolite of a controlled substance specified for a violation of division (A)(1)(j) of this section, that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant. (3) Upon the request of the person who was tested, the results of the chemical test shall be made available to the person or the person's attorney, immediately upon the completion of the chemical test analysis.

The form to be read to the person to be tested, as required under section 4511.192 of the Revised Code, shall state that the person may have an independent test performed at the person's expense. The failure or inability to obtain an additional chemical test by a person shall not preclude the admission of evidence relating to the chemical test or tests taken at the request of a law enforcement officer.

(4)(a) As used in divisions (D)(4)(b) and (c) of this section, "national highway traffic safety administration" means the national highway traffic safety administration established as an administration of the United States department of transportation under 96 Stat. 2415 (1983), 49 U.S.C.A. 105.

(i) The officer may testify concerning the results of the field sobriety test so administered.

(ii) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(iii) If testimony is presented or evidence is introduced under division (D)(4)(b)(i) or (ii) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(c) Division (D)(4)(b) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (D)(4)(b) of this section.

(E)(1) Subject to division (E)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A)(1)(b), (c), (d), (e), (f), (g), (h), (i), or (j) or (B)(1), (2), (3), or (4) of this section or for an equivalent offense that is substantially equivalent to any of those divisions, a laboratory report from any laboratory personnel issued a permit by the department of health authorizing an analysis as described in

this division that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this division shall be admitted as prima-facie evidence of the information and statements that the report contains. The laboratory report shall contain all of the following:

(b) Any findings as to the identity and quantity of alcohol, a drug of abuse, a controlled substance, a metabolite of a controlled substance, or a combination of them that was found;

(c) A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst's or test performer's employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst's or test performer's regular duties;

(d) An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the department of health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in division (E)(1) of this section is not admissible against the defendant to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's attorney or, if the defendant has no attorney, on the defendant.

(3) A report of the type described in division (E)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant to whom the report pertains or the defendant's attorney receives a copy of the report, the defendant or the defendant's attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interest of justice.

(F) Except as otherwise provided in this division, any physician, registered nurse, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section, and any hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section, is immune from criminal liability and civil liability based upon a claim of assault and battery or any other claim that is not a

claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this division is not available to a person who withdraws blood if the person engages in willful or wanton misconduct.

(G)(1) Whoever violates any provision of divisions (A)(1)(a) to (i) or (A)(2) of this section is guilty of operating a vehicle under the influence of alcohol, a drug of abuse, or a combination of them. Whoever violates division (A)(1)(j) of this section is guilty of operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance. The court may impose a jail term in addition to the three-day mandatory jail term or intervention program. However, in no case shall the cumulative jail term imposed for the offense exceed six months.

The court may suspend the execution of the three-day jail term under this division if the court, in lieu of that suspended term, places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code and requires the offender to attend, for three consecutive days, a drivers' intervention program certified under section 3793.10 of the Revised Code. As used in this division, three consecutive days means seventy-two consecutive hours. If the court determines that the offender is not conducive to treatment in a drivers' intervention program, if the offender refuses to attend a drivers' intervention program, or if the jail at which the offender is to serve the jail term imposed can provide a driver's intervention program, the court shall sentence the offender to a mandatory jail term of at least six consecutive days.

The court may require the offender, under a community control sanction imposed under section 2929.25 of the Revised Code, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Chapter 3793. of the Revised Code by the director of alcohol and drug addiction services, in addition to the required attendance at drivers' intervention program, that the operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The political subdivision shall use this share to pay or reimburse incarceration or treatment costs it incurs in housing or providing drug and alcohol treatment to persons who violate this section or a municipal OVI ordinance, costs for any immobilizing or disabling device used on the offender's vehicle, and costs of electronic house arrest equipment needed for persons who violate this section.

(e) Seventy-five dollars of the fine imposed under division (G)(1)(a)(iii), one hundred twenty-five dollars of the fine imposed under division (G)(1)(b)(iii), two hundred fifty dollars of the fine imposed under division (G)(1)(c)(iii), and five hundred dollars of the fine imposed under division (G)(1)(d)(iii) or (e)(iii) of this section shall be transmitted to the treasurer of state for deposit into the indigent defense support fund established under section 120.08 of the Revised Code.

(2) If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one or more violations of division (A) or (B) of this section or other equivalent offenses, the offender is guilty of a misdemeanor of the third degree. In addition to any other sanction imposed for the offense, the court shall impose a class four suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(4) of section 4510.02 of the Revised Code.

(3) If the offender also is convicted of or also pleads guilty to a specification of the type described in section 2941.1416 of the Revised Code and if the court imposes a jail term for the violation of division (B) of this section, the court shall impose upon the offender an additional definite jail term pursuant to division (E) of section 2929.24 of the Revised Code.

(J) If a person whose driver's or commercial driver's license or permit or nonresident operating privilege is suspended under this section files an appeal regarding any aspect of the person's trial or sentence, the appeal itself does not stay the operation of the suspension.

(K) Division (A)(1)(j) of this section does not apply to a person who operates a vehicle, streetcar, or trackless trolley while the person has a concentration of a listed controlled substance or a listed metabolite of a controlled substance in the person's whole blood, blood serum or plasma, or urine that equals or exceeds the amount specified in that division, if both of the following apply:
