Wayne County

(B) Any county or part of a county of the state that has not been described as included in one of the districts described in this section is included within the district that contains the least population according to the 2010 decennial census referred to in this section and that is contiguous to that county or part of that county.

(C) As used in this section, "county," "census tract," "census block group," and "census block" have the same meanings and describe the same geographical boundaries as used by the United States department of commerce, bureau of the census, in reporting the 2010 decennial census of Ohio. The official report of the 2010 decennial census of Ohio and all official documents relating to that report of that census are hereby incorporated by reference into this section.

SECTION 2. That section 3521.01 of the Revised Code is hereby repealed.

SECTION 3. (A) In the year 2012 a single primary election shall be conducted on the first Tuesday after the first Monday in March for the purpose of nominating candidates for all offices that are scheduled for election in 2012 and for the purpose of electing candidates who are scheduled for election on the day of the 2012 primary election, pursuant to section 3501.02 of the Revised Code.

(B)(1) To be eligible to appear on the ballot as a candidate for nomination or election at that election for any office other than the offices of President and Vice-President of the United States, member of the United States House of Representatives, at-large delegate and alternate to the national convention of a political party, or district delegate and alternate to the national convention of a political party, a person shall have filed the applicable declaration of candidacy, declaration of candidacy and petition,

or nominating petition not later than four p.m. on December 7, 2011, in the manner specified under Title XXXV of the Revised Code. To be eligible to receive votes as a write-in candidate for any of those offices at that election, a person shall file the declaration of intent to be a write-in candidate not later than four p.m. on the seventy-second day prior to March 6, 2012, in the manner specified under Title XXXV of the Revised Code.

(2) Notwithstanding any provision of section 3513.05 or 3513.121 or any other provision of the Revised Code to the contrary, to be eligible to appear as a candidate for nomination or election at that election for the offices of President and Vice-President of the United States, member of the United States House of Representatives, at-large delegate and alternate to the national convention of a political party, or district delegate and alternate to the national convention of a political party, a person shall file the applicable declaration of candidacy, declaration of candidacy and petition, or nominating petition not later than four p.m. on the sixty-seventh day before the day of that election, in the manner specified under Title XXXV of the Revised Code. To be eligible to receive votes as a write-in candidate for any of those offices at that election, a person shall file the declaration of intent to be a write-in candidate not later than four p.m. on the sixty-seventh day prior to the day of that election, in the manner specified under Title XXXV of the Revised Code. The Secretary of State shall adjust any applicable deadlines for petition verification, challenges to petitions, and ballot certification as the Secretary of State considers necessary to accommodate the shorter timeframe for filing for these candidates so as to ensure that ballots are prepared and made available in the times and manner required under Title XXXV of the Revised Code and federal election law.

(C) Any declaration of candidacy, declaration of candidacy and petition, or declaration of intent to be a write-in candidate filed by an individual seeking nomination or election for the office of President or Vice-President of the United States, member of the United States House of Representatives, at-large delegate and alternate to the national convention of a political party, or district delegate and alternate to the national convention of a political party that is filed for the 2012 primary election before the effective date of this act is null and void. The Secretary of State or the applicable board of elections promptly shall refund any filing fee paid by a person who filed such a declaration or petition.

A person whose declaration or petition is nullified and voided under this division who files again to become a candidate for nomination or election pursuant to division (B)(2) of this section is not disqualified as a candidate under section 3513.052 of the Revised Code and, if the person otherwise

qualifies as a candidate, shall be placed on the ballot for nomination or election for that office at that election.

SECTION 4. In year 2012, a political subdivision or taxing authority may conduct a special election on the first Tuesday after the first Monday in August, in the manner specified under Title XXXV of the Revised Code. The repeal of Section 3 of Sub. H.B. 318 of the 129th General Assembly, by Section 5 of this act, reinstates the authority to conduct a special election on that date.

SECTION 5. That Sections 3 and 4 of Sub. H.B. 318 of the 129th General Assembly are hereby repealed.

SECTION 6. That Sections 3, 6, and 7 of Sub. H.B. 319 of the 129th General Assembly are hereby repealed.

SECTION 7. (A) Any candidate for the presidency of the United States who has raised at least five thousand dollars for the primary election in each of twenty states from individuals, with a maximum of two hundred fifty dollars per contributor counting toward the threshold, may file with the Secretary of State a declaration of candidacy not later than four p.m. of the sixty-seventh day before the day of the 2012 presidential primary election. Such declaration of candidacy shall be accompanied by a reasonable accounting proving eligibility and a statement from the candidate's registered principal campaign committee treasurer, meeting the standards of 28 U.S.C. sec. 1746, certifying that the candidate has met the contribution requirements of this division. Any candidate who files a declaration of candidacy pursuant to this division shall also file, or shall cause to be filed by a person authorized in writing to represent the candidate, not later than four p.m. of the sixty-seventh day before the primary election, a list of candidates for district delegate and alternate to the national convention of the candidate's political party who have been selected in accordance with rules adopted by the state central committee of the candidate's political party. The candidates for district delegate and alternate whose names appear on this list shall be represented on the ballot in accordance with section 3513.151 of the Revised Code in every congressional district that the presidential candidate named in the presidential candidate's declaration of candidacy, provided that such candidates meet the other requirements of this

section.

(B) Candidates for delegate at large and alternate at large to the national convention of a political party for a presidential candidate who submits a declaration of candidacy in accordance with division (A) of this section shall be selected in accordance with rules adopted by the state central committee of the presidential candidate's political party.

(C) Each candidate for district delegate and alternate to the national convention of a political party selected pursuant to division (A) of this section shall file or shall cause to be filed with the secretary of state, not later than four p.m. of the sixty-seventh day before the presidential primary election in which the person is a candidate, both of the following:

(1) A declaration of candidacy in the form prescribed in section 3513.07 of the Revised Code, but not the petition prescribed in that section;

(2) A statement in writing signed by the candidate in which the candidate states the candidate's first and second choices for nomination as the candidate of the candidate's party for the presidency of the United States.

(D) A declaration of candidacy filed pursuant to division (A) of this section shall be in substantially the form prescribed in section 3513.07 of the Revised Code except that the secretary of state shall modify that form to include spaces for a presidential candidate to indicate in which congressional districts the candidate wishes the candidate's candidacy to be submitted to the electors and shall modify it in any other ways necessary to adapt it to use by presidential candidates. A candidate who files a declaration of candidacy pursuant to division (A) of this section shall not file the petition prescribed in section 3513.07 of the Revised Code.

(E) Section 3513.151 of the Revised Code applies in regard to candidates for delegate and alternate to the national convention of a political party selected pursuant to this section. The state central committee of the political party of any presidential candidate who files a declaration of candidacy pursuant to division (A) of this section shall file with the secretary of state the rules of its political party in accordance with division (E) of section 3513.151 of the Revised Code.

(F) The procedures for the selection of candidates for delegate and alternate to the national convention of a political party set forth in this section and in section 3513.12 of the Revised Code are alternative procedures, and if the procedures of this section are followed, the procedures of section 3513.12 of the Revised Code need not be followed.

SECTION 8. (A) There is hereby created the Redistricting Reform Task Force, comprised of eight members of the General Assembly who shall be

equally divided between the members of the two major political parties. Not later than thirty days after the effective date of this section, the legislative leader of the majority caucus and the legislative leader of the minority caucus in each house of the General Assembly shall each appoint two members to the Task Force.

The Task Force shall be co-chaired by two members, one from each major political party. The legislative leaders in the House of Representatives and in the Senate who are members of the same political party shall jointly appoint a chairperson.

(B) The purpose of the Task Force shall be to create a redistricting reform proposal for consideration by the General Assembly during 2012.

(C) The Task Force shall issue a report, not later than June 30, 2012, that includes the Task Force's recommendations for reforming the redistricting process.

(D) The Task Force shall hold a minimum of three public hearings, one of which shall be conducted after the Task Force issues its report, to allow for meaningful public discussion of the recommendations included in the report.

SECTION 9. This act is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, and safety. The reason for such necessity is that congressional district plans need to be established in order to allow for the orderly conduct of presidential and congressional primary elections and to avoid any confusion or costs associated with conducting a subsequent primary election. Therefore, this act shall go into immediate effect.

SECTION 10. Notwithstanding any provision of the Revised Code to the contrary, for the 2012 primary election neither the secretary of state nor any board of elections shall be required to use competitive bidding or competitive selection for the purpose of ballot preparation or printing.
