To amend section 4301.17 and to enact section 5.2282 of the Revised Code to designate June as "Ohio Wines Month" and to allow certain agency liquor stores to sell beer, wine, or mixed beverages for on- and off-premises consumption.

Be it enacted by the General Assembly of the State of Ohio:

SECTION 1. That section 4301.17 be amended and section 5.2282 of the Revised Code be enacted to read as follows:

Sec. 5.2282. The month of June is designated as "Ohio Wines Month."

Sec. 4301.17. (A)(1) Subject to local option as provided in sections 4301.32 to 4301.40 of the Revised Code, five state liquor stores or agencies may be established in each county. (B) When an agency contract is proposed, when an existing agency contract is assigned, when an existing agency proposes to relocate, or when an existing agency is relocated and assigned, before entering into any contract, consenting to any assignment, or consenting to any relocation, the division shall notify the legislative authority of the municipal corporation in which the agency store is to be located, or the board of county commissioners and the board of township trustees of the county and the township in which the agency store is to be located if the agency store is to be located outside the corporate limits of a municipal corporation, of the proposed contract, assignment, or relocation, and an opportunity shall be provided officials or employees of the municipal corporation or county and township for a complete hearing upon the advisability of entering into the contract or consenting to the assignment or relocation. When the division sends notice to the legislative authority of the political subdivision, the division shall notify, by certified mail or by personal service, the chief peace officer of the political subdivision, who may appear and testify, either in person or through a representative, at any hearing held on the advisability of entering into the contract or consenting to the assignment or relocation.

If the proposed agency store, the assignment of an agency contract, or the relocation of an agency store would be located within five hundred feet of a school, church, library, public playground, or township park, the division shall not enter into an agency contract until it has provided notice of the proposed contract to the authorities in control of the school, church, library, public playground, or township park and has provided those authorities with an opportunity for a complete hearing upon the advisability of entering into the contract. If an agency store so located is operating under

an agency contract, the division may consent to relocation of the agency store or to the assignment of that contract to operate an agency store at the same location. The division may also consent to the assignment of an existing agency contract simultaneously with the relocation of the agency store. In any such assignment or relocation, the assignee and the location shall be subject to the same requirements that the existing location met at the time that the contract was first entered into as well as any additional requirements imposed by the division in rules adopted by the superintendent of liquor control. The division shall not consent to an assignment or relocation of an agency store until it has notified the authorities in control of the school, church, library, public playground, or township park and has provided those authorities with an opportunity for a complete hearing upon the advisability of consenting to the assignment or relocation.

Any hearing provided for in this division shall be held in the central office of the division, except that upon written request of the legislative authority of the municipal corporation, the board of county commissioners, the board of township trustees, or the authorities in control of the school, church, library, public playground, or township park, the hearing shall be held in the county seat of the county where the proposed agency store is to be located.

(C) All agency contracts entered into by the division pursuant to this section shall be in writing and shall contain a clause providing for the termination of the contract at will by the division upon its giving ninety days' notice in writing to the agent of its intention to do so. Any agency contract may include a clause requiring the agent to report to the appropriate law enforcement agency the name and address of any individual under twenty-one years of age who attempts to make an illegal purchase.

An agent may engage in the selling of beer, mixed beverages, and wine pursuant to permits issued to the agent under Chapter 4303. of the Revised Code.

The division shall issue a C-1 and C-2 permit to each agent who prior to November 1, 1994, had not been issued both of these permits, notwithstanding the population quota restrictions contained in section 4303.29 of the Revised Code or in any rule of the liquor control commission and notwithstanding the requirements of section 4303.31 of the Revised Code. The location of a C-1 or C-2 permit issued to such an agent shall not be transferred. The division shall revoke any C-1 or C-2 permit issued to an agent under this paragraph if the agent no longer operates an agency store.

The division may enter into agreements with the department of development to implement a minority loan program to provide low-interest

loans to minority business enterprises, as defined in section 122.71 of the Revised Code, that are awarded liquor agency contracts or assignments.

(D) If the division closes a state liquor store and replaces that store with an agency store, any employees of the division employed at that state liquor store who lose their jobs at that store as a result shall be given preference by the agent who operates the agency store in filling any vacancies that occur among the agent's employees, if that preference does not conflict with the agent's obligations pursuant to a collective bargaining agreement.

If the division closes a state liquor store and replaces the store with an agency store, any employees of the division employed at the state liquor store who lose their jobs at that store as a result may displace other employees as provided in sections 124.321 to 124.328 of the Revised Code. If an employee cannot displace other employees and is laid off, the employee shall be reinstated in another job as provided in sections 124.321 to 124.328 of the Revised Code, except that the employee's rights of reinstatement in a job at a state liquor store shall continue for a period of two years after the date of the employee's layoff and shall apply to jobs at state liquor stores located in the employee's layoff jurisdiction and any layoff jurisdiction adjacent to the employee's layoff jurisdiction.

(E) The division shall require every agent to give bond with surety to the satisfaction of the division, in the amount the division fixes, conditioned for the faithful performance of the agent's duties as prescribed by the division.
