(c) Determine the sum of the quotients obtained under division (B)(2)(b) of this section;

(d) Determine the sum of the amounts determined under divisions (B)(2)(a) and (c) of this section.

A school district board of education and the county ~~DD~~board of developmental disabilities that serves the school district may negotiate and contract, at or after the time of placement, for payments by the board of education to the county ~~DD~~-board for additional services provided to a child placed with the county ~~DD~~-board and whose individualized education program established pursuant to section 3323.08 of the Revised Code requires additional services that are not routinely provided children in the county ~~DD~~-board's program but are necessary to maintain the child's enrollment and participation in the program. Footnote a. The resident or relative shall furnish a copy of the resident's or relative's federal income tax return as evidence of gross annual income.

Footnote b. The number of dependents includes the liable relative but excludes a resident in an institution. "Dependent" includes any person who receives more than half the person's support from the resident or the resident's liable relative.

(3) A resident or liable relative having medical, funeral, or related expenses in excess of four per cent of the adjusted gross annual income, which expenses were not covered by insurance, may adjust such gross annual income by reducing the adjusted gross annual income by the full amount of such expenses. Proof of such expenses satisfactory to the department must be furnished.

(4) Additional dependencies may be claimed if:

(a) The liable relative is blind;

(b) The liable relative is over sixty-five;

(c) A child is a college student with expenses in excess of fifty dollars per month;

(d) The services of a housekeeper, costing in excess of fifty dollars per month, are required if the person who normally keeps house for minor children is the resident.

(5) If with respect to any resident with dependents there is chargeable under division (B)(2) of this section less than fifty per cent of the applicable cost or, if the base support rate was used, less than fifty per cent of the amount determined by use of the base support rate, and if with respect to such resident there is a liable relative who has an estate having a value in excess of fifteen thousand dollars or if such resident has a dependent and an estate having a value in excess of fifteen thousand dollars, there shall be paid with respect to such resident a total of fifty per cent of the applicable cost or the base support rate amount, as the case may be, on a current basis or there shall be executed with respect to such resident an agreement with the department for payment to be made at some future date under terms suitable to the department.

(6) When a person has been a resident for fifteen years and the support charges for which a relative is liable have been paid for the fifteen-year period, the liable relative shall be relieved of any further support charges.

(7) The department shall accept voluntary payments from residents or liable relatives whose incomes are below the minimum shown in the schedule set forth in this division. The department also shall accept voluntary payments in excess of required amounts from both liable and nonliable relatives.

(8) If a resident is covered by an insurance policy, or other contract that provides for payment of expenses for care and treatment for ~~mental retardation or other~~ a developmental disability at or from an institution or facility (including a community service unit under the jurisdiction of the department), the other provisions of this section, except divisions (B)(8), (10), and (11) of this section, and of section 5121.01 of the Revised Code shall be suspended to the extent that such insurance policy or other contract is in force, and such resident shall be charged the full amount of the applicable cost. Any insurance carrier or other third party payor providing coverage for such care and treatment shall pay for this support obligation in an amount equal to the lesser of either the

applicable cost or the benefits provided under the policy or other contract. Whether or not an insured, owner of, or other person having an interest in such policy or other contract is liable for support payments under other provisions of this chapter, the insured, policy owner, or other person shall assign payment directly to the department of all assignable benefits under the policy or other contract and shall pay over to the department, within ten days of receipt, all insurance or other benefits received as reimbursement or payment for expenses incurred by the resident or for any other reason. If the insured, policy owner, or other person refuses to assign such payment to the department or refuses to pay such received reimbursements or payments over to the department within ten days of receipt, the insured's, policy owner's, or other person's total liability for the services equals the applicable statutory liability for payment for the services as determined under other provisions of this chapter, plus the amounts payable under the terms of the policy or other contract. In no event shall this total liability exceed the full amount of the applicable cost. Upon its request, the department is entitled to a court order that compels the insured, owner of, or other person having an interest in the policy or other contract to comply with the assignment requirements of this division or that itself serves as a legally sufficient assignment in compliance with such requirements. Notwithstanding section 5123.89 of the Revised Code and any other law relating to confidentiality of records, the managing officer of the institution or facility where a person is or has been a resident shall disclose pertinent medical information concerning the resident to the insurance carrier or other third party payor in question, in order to effect collection from the carrier or payor of the state's claim for care and treatment under this division. For such disclosure, the managing officer is not subject to any civil or criminal liability.

(9) The rate to be charged for pre-admission care, after-care, day-care, or routine consultation and treatment services shall be based upon the ability of the resident or the resident's liable relatives to pay. When it is determined by the department that a charge shall be made, such charge shall be computed as provided in divisions (B)(1) and (2) of this section.

(10) If a resident with or without dependents is the beneficiary of a trust created pursuant to section 5815.28 of the Revised Code, then, notwithstanding any contrary provision of this chapter or of a rule adopted pursuant to this chapter, divisions (C) and (D) of that section shall apply in determining the assets or resources of the resident, the resident's estate, the settlor, or the settlor's estate and to claims arising under this chapter against the resident, the resident's estate, the settlor, or the settlor's estate.

(11) If the department waives the liability of an individual and the individual's liable relatives pursuant to section 5123.194 of the Revised Code, the liability of the individual and relative ceases in accordance with the waiver's terms.

(C) The department may enter into agreements with a resident or a liable relative for support payments to be made in the future. However, no security interest, mortgage, or lien shall be taken, granted, or charged against any principal family residence of a resident with dependents or a liable relative under an agreement or otherwise to secure support payments, and no foreclosure actions shall be taken on security interests, mortgages or liens taken, granted, or charged against principal residences of residents or liable relatives prior to October 7, 1977.

(D) The department shall make all investigations and determinations required by this section within ninety days after a resident is admitted to an institution under the department's control and

immediately shall notify by mail the persons liable of the amount to be charged.

(E) All actions to enforce the collection of payments agreed upon or charged by the department shall be commenced within six years after the date of default of an agreement to pay support charges or the date such payment becomes delinquent. If a payment is made pursuant to an agreement which is in default, a new six-year period for actions to enforce the collection of payments under such agreement shall be computed from the date of such payment. For purposes of this division an agreement is in default or a payment is delinquent if a payment is not made within thirty days after it is incurred or a payment, pursuant to an agreement, is not made within thirty days after the date specified for such payment. In all actions to enforce the collection of payment for the liability for support, every court of record shall receive into evidence the proof of claim made by the state together with all debts and credits, and it shall be prima-facie evidence of the facts contained in it.

(F) To promote the right of persons with ~~mental retardation or a developmental disability~~ disabilities to speak and be heard about the desired direction of their lives and to use available resources in ways that further that direction.

Sec. 5123.69. (A) Except as provided in division (D) of this section, any person who is eighteen years of age or older and who is or believes self to be ~~mentally retarded~~ a person with an intellectual disability may make written application to the managing officer of any institution for voluntary admission. Except as provided in division (D) of this section, the application may be made on behalf of a minor by a parent or guardian, and on behalf of an adult adjudicated mentally incompetent by a guardian.

(B) The managing officer of an institution, with the concurrence of the chief program director, may admit a person applying pursuant to this section only after a comprehensive evaluation has been made of the person and only if the comprehensive evaluation concludes that the person ~~is mentally retarded~~ has an intellectual disability and would benefit significantly from admission.

(C) The managing officer shall discharge any voluntary resident if, in the judgment of the chief program director, the results of a comprehensive examination indicate that institutionalization no longer is advisable. In light of the results of the comprehensive evaluation, the managing officer also may discharge any voluntary resident if, in the judgment of the chief program director, the discharge would contribute to the most effective use of the institution in the habilitation and care of ~~the mentally retarded~~ persons with developmental disabilities.

(D) A person who is found incompetent to stand trial or not guilty by reason of insanity and who is committed pursuant to section 2945.39, 2945.40, 2945.401, or 2945.402 of the Revised Code shall not voluntarily commit self pursuant to this section until after the final termination of the commitment, as described in division (J) of section 2945.401 of the Revised Code.

The application may be made on behalf of a minor by a parent or guardian, and on behalf of an adult adjudicated mentally incompetent by a guardian.

(B) For purposes of this section, short-term care shall be defined to mean appropriate services provided to a person with ~~mental-retardation-an~~ intellectual disability for no more than fourteen consecutive days and for no more than forty-two days in a fiscal year. When circumstances warrant, the fourteen-day period may be extended at the discretion of the managing officer. Short-term care is provided in a developmental center to meet the family's or caretaker's needs for separation from the person with ~~mental-retardation~~ an intellectual disability.

(C) The managing officer of an institution, with the concurrence of the chief program director, may admit a person for short-term care only after a medical examination has been made of the person and only if the managing officer concludes that the person ~~is-mentally-retarded~~ has an intellectual disability.

(D) A person who is found not guilty by reason of insanity shall not admit self to an institution for short-term care unless a hearing was held regarding the person pursuant to division (A) of section 2945.40 of the Revised Code and either of the following applies:

(1) The person was found at the hearing not to be a ~~mentally-retarded-person~~ with an intellectual disability subject to institutionalization by court order;

(2) The person was found at the hearing to be a ~~mentally-retarded-person~~ with an intellectual disability subject to institutionalization by court order, was involuntarily committed, and was finally discharged.

(E) The ~~mentally-retarded-person~~ with an intellectual disability, liable relatives, and guardians of ~~mentally-retarded-persons~~ with intellectual disabilities admitted for respite care shall pay support charges in accordance with sections 5121.01 to 5121.21 of the Revised Code.

(F) At the conclusion of each period of short-term care, the person shall return to the person's family or caretaker. Under no circumstances shall a person admitted for short-term care according to this section remain in the institution after the period of short-term care unless the person is admitted according to section 5123.70, sections 5123.71 to 5123.76, or section 2945.38, 2945.39, 2945.40, 2945.401, or 2945.402 of the Revised Code.

Sec. 5123.71. (A)(1) Proceedings for the involuntary institutionalization of a person pursuant to sections 5123.71 to 5123.76 of the Revised Code shall be commenced by the filing of an affidavit with the probate division of the court of common pleas of the county where the person resides or where the person is institutionalized, in the manner and form prescribed by the department of developmental disabilities either on information or actual knowledge, whichever is determined to be proper by the court. The affidavit may be filed only by a person who has custody of the individual as

a parent, guardian, or service provider or by a person acting on behalf of the department or a county board of developmental disabilities. This section does not apply regarding the institutionalization of a person pursuant to section 2945.39, 2945.40, 2945.401, or 2945.402 of the Revised Code.

The affidavit shall contain an allegation setting forth the specific category or categories under division (O) of section 5123.01 of the Revised Code upon which the commencement of proceedings is based and a statement of the factual ground for the belief that the person is a ~~mentally-retarded~~ person with an intellectual disability subject to institutionalization by court order. Except as provided in division (A)(2) of this section, the affidavit shall be accompanied by both of the following:

(a) A comprehensive evaluation report prepared by the person's evaluation team that includes a statement by the members of the team certifying that they have performed a comprehensive evaluation of the person and that they are of the opinion that the person is a ~~mentally-retarded~~ person with an intellectual disability subject to institutionalization by court order;

(b) An assessment report prepared by the county board of developmental disabilities under section 5123.711 of the Revised Code specifying that the individual is in need of services on an emergency or priority basis.

(2) In lieu of the comprehensive evaluation report, the affidavit may be accompanied by a written and sworn statement that the person or the guardian of a person adjudicated incompetent has refused to allow a comprehensive evaluation and county board assessment and assessment reports. Immediately after accepting an affidavit that is not accompanied by the reports of a comprehensive evaluation and county board assessment, the court shall cause a comprehensive evaluation and county board assessment of the person named in the affidavit to be performed. The evaluation shall be conducted in the least restrictive environment possible and the assessment shall be conducted in the same manner as assessments conducted under section 5123.711 of the Revised Code. The evaluation and assessment must be completed before a probable cause hearing or full hearing may be held under section 5123.75 or 5123.76 of the Revised Code.

A written report of the evaluation team's findings and the county board's assessment shall be filed with the court. The reports shall, consistent with the rules of evidence, be accepted as probative evidence in any proceeding under section 5123.75 or 5123.76 of the Revised Code. If the counsel for the person who is evaluated or assessed is known, the court shall send to the counsel a copy of the reports as soon as possible after they are filed and prior to any proceedings under section 5123.75 or 5123.76 of the Revised Code.

(B) Any person who is involuntarily detained in an institution or otherwise is in custody under this chapter shall be informed of the right to do the following:

(1) Immediately make a reasonable number of telephone calls or use other reasonable means to contact an attorney, a physician, or both, to contact any other person or persons to secure representation by counsel, or to obtain medical assistance, and be provided assistance in making calls if the assistance is needed and requested;

(2) Retain counsel and have independent expert evaluation and, if the person is an indigent person, be represented by court-appointed counsel and have independent expert evaluation at court expense;

(3) Upon request, have a hearing to determine whether there is probable cause to believe that the person is a ~~mentally-retarded~~ person with an intellectual disability subject to institutionalization

by court order.

(C) No person who is being treated by spiritual means through prayer alone in accordance with a recognized religious method of healing may be ordered detained or involuntarily committed unless the court has determined that the person represents a very substantial risk of self-impairment, self-injury, or impairment or injury to others.

Sec. 5123.74. (A) On receipt of an affidavit under section 5123.71 of the Revised Code, the probate division of the court of common pleas may, if it has probable cause to believe that the person named in the affidavit is a ~~mentally-retarded~~ person with an intellectual disability subject to institutionalization by court order and that emergency institutionalization is required, do any of the following:

(1) Issue a temporary order of detention ordering any health or police officer or sheriff to take into custody and transport such person to an institution or other place as designated in section 5123.77 of the Revised Code;

(2) Order the county board of developmental disabilities to provide services to the individual in the community if the board's assessment of the individual conducted under section 5123.711 of the Revised Code identifies that resources are available to meet the individual's needs in an appropriate manner within the community as an alternative to institutionalization;

(3) Set the matter for further hearing.

(B) A managing officer of a nonpublic institution may, and the managing officer of a public institution shall, receive for observation, diagnosis, habilitation, and care any person whose admission is ordered pursuant to division (A)(1) of this section.

The alternatives to institutionalization that may be ordered under division (A)(2) of this section are limited to those that are necessary to remediate the emergency condition; necessary for the person's health, safety or welfare; and necessary for the protection of society, if applicable.

(C) A person detained under this section may be observed and habilitated until the probable cause hearing provided for in section 5123.75 of the Revised Code. If no probable cause hearing is requested or held, the person may be evaluated and shall be provided with habilitative services until the full hearing is held pursuant to section 5123.76 of the Revised Code.

Sec. 5123.75. A respondent who is involuntarily placed in an institution or other place as designated in section 5123.77 of the Revised Code or with respect to whom proceedings have been instituted under section 5123.71 of the Revised Code shall, on request of the respondent, the respondent's guardian, or the respondent's counsel, or upon the court's own motion, be afforded a hearing to determine whether there is probable cause to believe that the respondent is a ~~mentally-retarded~~ person with an intellectual disability subject to institutionalization by court order.

(A) The probable cause hearing shall be conducted within two court days from the day on which the request is made. Failure to conduct the probable cause hearing within this time shall effect an immediate discharge of the respondent. If the proceedings are not reinstituted within thirty days, records of the proceedings shall be expunged.

(B) The respondent shall be informed that the respondent may retain counsel and have independent expert evaluation and, if the respondent is an indigent person, be represented by court appointed counsel and have independent expert evaluation at court expense.

(C) The probable cause hearing shall be conducted in a manner consistent with the

procedures set forth in division (A) of section 5123.76 of the Revised Code, except divisions (A)(10) and (14) of that section, and the designee of the director of developmental disabilities under section 5123.72 of the Revised Code shall present evidence for the state.

(D) If the court does not find probable cause to believe that the respondent is a ~~mentally retarded~~ person with an intellectual disability subject to institutionalization by court order, it shall order immediate release of the respondent and dismiss and expunge all record of the proceedings under this chapter.

(E) On motion of the respondent or the respondent's counsel and for good cause shown, the court may order a continuance of the hearing.

(F) If the court finds probable cause to believe that the respondent is a ~~mentally retarded~~ person with an intellectual disability subject to institutionalization by court order, the court may issue an interim order of placement and, where proceedings under section 5123.71 of the Revised Code have been instituted, shall order a full hearing as provided in section 5123.76 of the Revised Code to be held on the question of whether the respondent is a ~~mentally retarded~~ person with an intellectual disability subject to institutionalization by court order. Unless specifically waived by the respondent or the respondent's counsel, the court shall schedule said hearing to be held as soon as possible within ten days from the probable cause hearing. A waiver of such full hearing at this point shall not preclude the respondent from asserting the respondent's right to such hearing under section 5123.76 of the Revised Code at any time prior to the mandatory hearing provided in division (H) of section 5123.76 of the Revised Code. In any case, if the respondent has waived the right to the full hearing, a mandatory hearing shall be held under division (H) of section 5123.76 of the Revised Code between the ninetieth and the one hundredth day after the original involuntary detention of the person unless the respondent has been discharged.

(G) Whenever possible, the probable cause hearing shall be held before the respondent is taken into custody.

Sec. 5123.76. (A) The full hearing shall be conducted in a manner consistent with the procedures outlined in this chapter and with due process of law. The hearing shall be held by a judge of the probate division or, upon transfer by the judge of the probate division, by another judge of the court of common pleas, or a referee designated by the judge of the probate division. Any referee designated by the judge of the probate division must be an attorney.

(1) The following shall be made available to counsel for the respondent:

(a) All relevant documents, information, and evidence in the custody or control of the state or prosecutor;

(b) All relevant documents, information, and evidence in the custody or control of the institution, facility, or program in which the respondent currently is held or in which the respondent has been held pursuant to these proceedings;

(c) With the consent of the respondent, all relevant documents, information, and evidence in the custody or control of any institution or person other than the state.

(2) The respondent has the right to be represented by counsel of the respondent's choice and has the right to attend the hearing except if unusual circumstances of compelling medical necessity exist that render the respondent unable to attend and the respondent has not expressed a desire to attend.

(3) If the respondent is not represented by counsel and the court determines that the conditions specified in division (A)(2) of this section justify the respondent's absence and the right to counsel has not been validly waived, the court shall appoint counsel forthwith to represent the respondent at the hearing, reserving the right to tax costs of appointed counsel to the respondent unless it is shown that the respondent is indigent. If the court appoints counsel, or if the court determines that the evidence relevant to the respondent's absence does not justify the absence, the court shall continue the case.

(4) The respondent shall be informed of the right to retain counsel, to have independent expert evaluation, and, if an indigent person, to be represented by court appointed counsel and have expert independent evaluation at court expense.

(5) The hearing may be closed to the public unless counsel for the respondent requests that the hearing be open to the public.

(6) Unless objected to by the respondent, the respondent's counsel, or the designee of the director of developmental disabilities under section 5123.72 of the Revised Code, the court, for good cause shown, may admit persons having a legitimate interest in the proceedings.

(7) The affiant under section 5123.71 of the Revised Code shall be subject to subpoena by either party.

(8) The court shall examine the sufficiency of all documents filed and shall inform the respondent, if present, and the respondent's counsel of the nature of the content of the documents and the reason for which the respondent is being held or for which the respondent's placement is being sought.

(9) The court shall receive only relevant, competent, and material evidence.

(10) In accordance with section 5123.72 of the Revised Code, the designee of the director shall present the evidence for the state. In proceedings under this chapter, the attorney general shall present the comprehensive evaluation, assessment, diagnosis, prognosis, record of habilitation and care, if any, and less restrictive habilitation plans, if any. The attorney general does not have a similar presentation responsibility in connection with a person who has been found not guilty by reason of insanity and who is the subject of a hearing under section 2945.40 of the Revised Code to determine whether the person is a ~~mentally retarded~~ person with an intellectual disability subject to institutionalization by court order.

(11) The respondent has the right to testify and the respondent or the respondent's counsel has the right to subpoena witnesses and documents and to present and cross-examine witnesses.

(12) The respondent shall not be compelled to testify and shall be so advised by the court.

(13) On motion of the respondent or the respondent's counsel for good cause shown, or upon the court's own motion, the court may order a continuance of the hearing.

(14) To an extent not inconsistent with this chapter, the Rules of Civil Procedure shall be applicable.

(B) Unless, upon completion of the hearing, the court finds by clear and convincing evidence that the respondent named in the affidavit is a ~~mentally retarded~~ person with an intellectual disability subject to institutionalization by court order, it shall order the respondent's discharge forthwith.

(C) If, upon completion of the hearing, the court finds by clear and convincing evidence that the respondent is a ~~mentally retarded~~ person with an intellectual disability subject to

institutionalization by court order, the court may order the respondent's discharge or order the respondent, for a period not to exceed ninety days, to any of the following:

(1) A public institution, provided that commitment of the respondent to the institution will not cause the institution to exceed its licensed capacity determined in accordance with section 5123.19 of the Revised Code and provided that such a placement is indicated by the comprehensive evaluation report filed pursuant to section 5123.71 of the Revised Code;

(2) A private institution;

(3) A ~~county mental retardation~~ program offered by a county board of developmental disabilities for persons with intellectual disabilities;

(4) Receive private habilitation and care;

(5) Any other suitable facility, program, or the care of any person consistent with the comprehensive evaluation, assessment, diagnosis, prognosis, and habilitation needs of the respondent.

(D) Any order made pursuant to division (C)(2), (4), or (5) of this section shall be conditional upon the receipt by the court of consent by the facility, program, or person to accept the respondent.

(E) In determining the place to which, or the person with whom, the respondent is to be committed, the court shall consider the comprehensive evaluation, assessment, diagnosis, and projected habilitation plan for the respondent, and shall order the implementation of the least restrictive alternative available and consistent with habilitation goals.

(F) If, at any time it is determined by the director of the facility or program to which, or the person to whom, the respondent is committed that the respondent could be equally well habilitated in a less restrictive environment that is available, the following shall occur:

(1) The respondent shall be released by the director of the facility or program or by the person forthwith and referred to the court together with a report of the findings and recommendations of the facility, program, or person.

(2) The director of the facility or program or the person shall notify the respondent's counsel and the designee of the director of developmental disabilities.

(3) The court shall dismiss the case or order placement in the less restrictive environment.

(G)(1) Except as provided in divisions (G)(2) and (3) of this section, any person who has been committed under this section may apply at any time during the ninety-day period for voluntary admission to an institution under section 5123.69 of the Revised Code. Upon admission of a voluntary resident, the managing officer immediately shall notify the court, the respondent's counsel, and the designee of the director in writing of that fact by mail or otherwise, and, upon receipt of the notice, the court shall dismiss the case.

(2) A person who is found incompetent to stand trial or not guilty by reason of insanity and who is committed pursuant to section 2945.39, 2945.40, 2945.401, or 2945.402 of the Revised Code shall not be voluntarily admitted to an institution pursuant to division (G)(1) of this section until after the termination of the commitment, as described in division (J) of section 2945.401 of the Revised Code.

(H) If, at the end of any commitment period, the respondent has not already been discharged or has not requested voluntary admission status, the director of the facility or program, or the person to whose care the respondent has been committed, shall discharge the respondent forthwith, unless at

least ten days before the expiration of that period the designee of the director of developmental disabilities or the prosecutor files an application with the court requesting continued commitment.

(1) An application for continued commitment shall include a written report containing a current comprehensive evaluation and assessment, a diagnosis, a prognosis, an account of progress and past habilitation, and a description of alternative habilitation settings and plans, including a habilitation setting that is the least restrictive setting consistent with the need for habilitation. A copy of the application shall be provided to respondent's counsel. The requirements for notice under section 5123.73 of the Revised Code and the provisions of divisions (A) to (E) of this section apply to all hearings on such applications.

(2) A hearing on the first application for continued commitment shall be held at the expiration of the first ninety-day period. The hearing shall be mandatory and may not be waived.

(3) Subsequent periods of commitment not to exceed one hundred eighty days each may be ordered by the court if the designee of the director of developmental disabilities files an application for continued commitment, after a hearing is held on the application or without a hearing if no hearing is requested and no hearing required under division (H)(4) of this section is waived. Upon the application of a person involuntarily committed under this section, supported by an affidavit of a licensed physician alleging that the person is no longer a ~~mentally retarded person with an intellectual disability~~ subject to institutionalization by court order, the court for good cause shown may hold a full hearing on the person's continued commitment prior to the expiration of any subsequent period of commitment set by the court.

(4) A mandatory hearing shall be held at least every two years after the initial commitment.

(5) If the court, after a hearing upon a request to continue commitment, finds that the respondent is a ~~mentally retarded person with an intellectual disability~~ subject to institutionalization by court order, the court may make an order pursuant to divisions (C), (D), and (E) of this section.

(I) Notwithstanding the provisions of division (H) of this section, no person who is found to be a ~~mentally retarded person with an intellectual disability~~ subject to institutionalization by court order pursuant to division (O)(2) of section 5123.01 of the Revised Code shall be held under involuntary commitment for more than five years.

(J) The managing officer admitting a person pursuant to a judicial proceeding, within ten working days of the admission, shall make a report of the admission to the department.

Sec. 5123.79. (A) Notwithstanding a finding pursuant to section 5123.76 of the Revised Code that a person is a ~~mentally retarded person with an intellectual disability~~ subject to institutionalization by court order, the managing officer of an institution, with the concurrence of the chief program director, shall, except as provided in division (C) of this section, grant a discharge without the consent or the authorization of any court upon a determination that institutionalization no longer is appropriate. Upon the discharge, the managing officer of the institution shall notify the probate division of the court of common pleas that made the involuntary commitment.

(B) Upon the request of the director of a private institution, program, facility, or person having custody of a resident institutionalized pursuant to section 5123.76 of the Revised Code, or on the order of the probate division of the court of common pleas, the resident may be called for a rehearing to determine the advisability of continued institutionalization at a place within the county of resident's residence or the county where the resident is institutionalized as the probate division

designates. The hearing shall be held pursuant to section 5123.76 of the Revised Code.

Sec. 5123.80. (A) When the chief program director of an institution for ~~the mentally retarded~~ persons with intellectual disabilities considers that it is in the best interest of a resident, the managing officer may permit the resident to leave the institution on a trial visit. The trial visit shall be for the period of time the managing officer determines.

(B) The managing officer, upon releasing a resident on trial visit, may impose such requirements and conditions upon the resident while the resident is absent from the institution as are consistent with the habilitation plan.

(C) The managing officer of the institution from which an involuntary resident is given trial visit status may at any time revoke the trial visit if there is reason to believe that it is in the best interests of the resident to be returned to the institution.

(D) If the revocation is not voluntarily complied with the managing officer, within five days, shall authorize any health or police officer, or sheriff to take the resident into custody and transport the resident to the institution.

(E) An involuntarily committed resident who has successfully completed one year of continuous trial visit shall be automatically discharged.

Sec. 5123.81. When an involuntarily committed resident of an institution for ~~the mentally retarded~~ persons with intellectual disabilities is absent without leave, an order shall be issued within five days after the resident's absence requiring the resident to be taken into custody by any health or police officer, or sheriff and transported to the institution from which the resident is absent. The order may be issued by the director of developmental disabilities, the managing officer of the institution from which the resident is absent, or the probate judge of the county from which the resident was ordered institutionalized or in which he is found. The officer who takes the resident into custody shall immediately notify the issuer of the order.

Sec. 5123.82. (A) Any person who has been institutionalized under this chapter may, at any time after discharge from such institution, make application to the managing officer of any public institution for habilitation and care if such person feels the person is in need of such services. If the chief program director determines the applicant to be in need of such services, the managing officer may provide such services as are required by the applicant.

(B) Any person may apply to the managing officer of any public institution for habilitation and care if such person feels the person is in need of such services. If the person's condition warrants, ~~the person's~~ person may be enrolled as an outpatient and, during such enrollment, the person may receive services subject to Chapter 5121. of the Revised Code.

(C) The application prescribed in division (A) or (B) of this section may also be made on behalf of a minor by a parent, guardian, or custodian of a minor, and on behalf of an adult adjudicated incompetent by the guardian or custodian of the adult.

(D) The managing officer of the public institution may refer any discharged resident who makes an application under this section to the director of any ~~community mental retardation~~ program serving that serves the county in which such resident resides and is offered by the county board of developmental disabilities for persons with intellectual disabilities, or to such other facility as the director of developmental disabilities may designate. Upon notice of such referral, the director of such program may provide the services required by the applicant.

Sec. 5123.83. No person shall be deprived of any civil right, or public or private employment, solely by reason of ~~his~~ the person's having received services, voluntarily or involuntarily, for ~~mental retardation or~~ a developmental disability. Any person in custody, voluntarily or involuntarily, under the provisions of this chapter, retains all rights not specifically denied ~~him~~ the person under this or any other chapter of the Revised Code.

Sec. 5123.84. All residents of institutions for ~~the mentally retarded~~ persons with intellectual disabilities shall be allowed to communicate freely with others, including but not restricted to the following:

- (A) Receiving visitors at reasonable times;
- (B) Being visited by counsel or personal physician, or both, at any reasonable time;
- (C) Having reasonable access to telephones to make and receive confidential calls, including a reasonable number of free calls if unable to pay for them and assistance in calling if requested and needed;
- (D) Having ready access to letter writing materials and stamps, including a reasonable number without cost if the resident is unable to pay for them, to mailing and receiving unopened correspondence, and to receiving assistance in writing if requested and needed.

Sec. 5123.85. (A) All residents institutionalized pursuant to this chapter shall receive, within thirty days of their admission, a comprehensive evaluation, a diagnosis, a prognosis, and a description of habilitation goals consistent therewith.

(B) All such residents shall have a written habilitation plan consistent with the comprehensive evaluation, diagnosis, prognosis, and goals which shall be provided, upon request of resident or resident's counsel, to resident's counsel and to any private physician designated by the resident or the resident's counsel.

(C) All such residents shall receive habilitation and care consistent with the habilitation plan. The department of developmental disabilities shall set standards for habilitation and care provided to such residents, consistent wherever possible with standards set by ~~the joint commission on national accreditation of facilities for the mentally retarded~~ organizations recognized by the department.

(D) All such residents shall receive periodic comprehensive re-evaluations of the habilitation plan by the professional staff of the institution at intervals not to exceed ninety days.

(E) All such residents shall be provided with prompt and adequate medical treatment for any physical or mental disease or injury.

Sec. 5123.86. (A) Except as provided in divisions (C), (D), and (E) of this section, the chief medical officer shall provide all information, including expected physical and medical consequences, necessary to enable any resident of an institution for ~~the mentally retarded~~ persons with intellectual disabilities to give a fully informed, intelligent, and knowing consent if any of the following procedures are proposed:

- (1) Surgery;
 - (2) Sterilization;
 - (3) Experimental procedures.
- (B) No resident shall be subjected to sterilization without the resident's informed consent.
- (C) If a resident is physically or mentally unable to receive the information required for surgery or an experimental procedure under division (A) of this section, or has been adjudicated

incompetent, the information may be provided to the resident's natural or court-appointed guardian, including an agency providing guardianship services under contract with the department of developmental disabilities under sections 5123.55 to 5123.59 of the Revised Code. The guardian may give the informed, intelligent, and knowing written consent for surgery or the experimental procedure.

If a resident is physically or mentally unable to receive the information required for surgery or an experimental procedure under division (A) of this section and has no guardian, then the information, the recommendation of the chief medical officer, and the concurring judgment of a licensed physician who is not a full-time employee of the state may be provided to the court in the county in which the institution is located. The court may approve the surgery or experimental procedure. Before approving the surgery or experimental procedure, the court shall notify the Ohio protection and advocacy system created by section 5123.60 of the Revised Code, and shall notify the resident of the resident's rights to consult with counsel, to have counsel appointed by the court if the resident is indigent, and to contest the recommendation of the chief medical officer.

(D) If, in the judgment of two licensed physicians, delay in obtaining consent for surgery would create a grave danger to the health of a resident, emergency surgery may be performed without the consent of the resident if the necessary information is provided to the resident's guardian, including an agency providing guardianship services under contract with the department of developmental disabilities under sections 5123.55 to 5123.59 of the Revised Code, or to the resident's spouse or next of kin to enable that person or agency to give an informed, intelligent, and knowing written consent.

If the guardian, spouse, or next of kin cannot be contacted through exercise of reasonable diligence, or if the guardian, spouse, or next of kin is contacted, but refuses to consent, then the emergency surgery may be performed upon the written authorization of the chief medical officer and after court approval has been obtained. However, if delay in obtaining court approval would create a grave danger to the life of the resident, the chief medical officer may authorize surgery, in writing, without court approval. If the surgery is authorized without court approval, the chief medical officer who made the authorization and the physician who performed the surgery shall each execute an affidavit describing the circumstances constituting the emergency and warranting the surgery and the circumstances warranting their not obtaining prior court approval. The affidavit shall be filed with the court with which the request for prior approval would have been filed within five court days after the surgery, and a copy of the affidavit shall be placed in the resident's file and shall be given to the guardian, spouse, or next of kin of the resident, to the hospital at which the surgery was performed, and to the Ohio protection and advocacy system created by section 5123.60 of the Revised Code.

(E) This chapter does not authorize any form of compulsory medical or psychiatric treatment of any resident who is being treated by spiritual means through prayer alone in accordance with a recognized religious method of healing.

Sec. 5123.87. The court, if acting on its own motion, or the person requesting the granting of an ex parte order, to the extent possible, shall give notice of its intent or of the request to all parties, the adult's legal counsel, if any. If the court issues an ex parte order, the court shall hold a hearing to review the order within seventy-two hours after it is issued or before the end of the next day after the day on which it is issued, whichever occurs first. Within twenty-four hours of receipt of such notice, the department shall cause an investigation to be conducted regarding the notice. The department shall provide assistance to the county board to provide for the health and safety of the adult as permitted by law.

Sec. 5126.40. (A) Sections 5126.40 to 5126.47 of the Revised Code do not apply to medicaid-funded supported living.

(B) As used in sections 5126.40 to 5126.47 of the Revised Code, "provider" means a person or government entity certified by the director of developmental disabilities to provide supported living for individuals with ~~mental retardation and~~ developmental disabilities.

(C) On and after July 1, 1995, each county board of developmental disabilities shall plan and develop supported living for individuals with ~~mental retardation and~~ developmental disabilities who are residents of the county in accordance with sections 5126.41 to 5126.47 of the Revised Code.

Sec. 5126.46. (A) No county board of developmental disabilities shall be obligated to use any money other than money in the community developmental disabilities residential services fund to furnish residential services.

(B) Except with respect to a child required to be provided services pursuant to section 121.38 of the Revised Code, no court or other entity of state or local government shall order or otherwise require a county board of developmental disabilities to use money from local sources for residential services for an individual with ~~mental retardation or a developmental disabilities disability~~ or to arrange for residential services for such an individual unless a vacancy exists in an appropriate

residential setting within the county.

Sec. 5126.49. The county board of developmental disabilities may adopt a resolution requesting the board of county commissioners to implement a residential facility linked deposit program under sections 5126.51 to 5126.62 of the Revised Code if the county board of developmental disabilities finds all of the following:

(A) There is a shortage of residential facilities in the county for individuals with ~~mental retardation or~~ developmental disabilities.

(B) Eligible organizations, otherwise willing and able to develop residential facilities in the county, have been unable to do so because of high interest rates.

(C) Placement of residential facility linked deposits will assist in financing the development of residential facilities in the county that otherwise would not be developed because of high interest rates.

The board shall transmit a certified copy of the resolution to the board of county commissioners.

Sec. 5126.52. The general assembly finds that individuals with ~~mental retardation or~~ developmental disabilities residing in the state face a shortage of suitable residential facilities; that loans to finance the development of suitable residential facilities are subject to high interest rates; that eligible organizations, otherwise willing and able to develop suitable residential facilities, are unable to do so because of the high interest rates; and, consequently, that the shortage of suitable residential facilities is likely to continue and worsen.

The residential facility linked deposit program, when implemented in a county, is intended to provide low-cost funds for lending purposes that will effectively reduce high interest rates and materially contribute to remedying the shortage of suitable residential facilities for individuals with ~~mental retardation or~~ developmental disabilities who reside in the county.

Sec. 5126.55. The county board of developmental disabilities shall review each application filed under section 5126.54 of the Revised Code and adopt a resolution approving or disapproving development of the proposed residential facility. The county board shall not approve development of the proposed residential facility unless it finds, based upon the application and its evaluation of the applicant, that development of the residential facility is consistent with its plan and priorities, under section 5126.05 of the Revised Code, for the provision of residential facilities for individuals with ~~mental retardation or~~ developmental disabilities residing in the county.

The resolution shall include specific findings of fact justifying the approval or disapproval.

The county board shall transmit a certified copy of the resolution to the applicant and to the board of county commissioners.

Sec. 5126.58. The county board of developmental disabilities shall adopt a resolution approving or disapproving an eligible organization's application for a residential facility linked deposit loan. The county board shall disapprove an application unless it finds, based on the application and its evaluation of the applicant, each of the following:

(A) The applicant has fully complied with sections 5126.54 and 5126.56 of the Revised Code.

(B) Development of the residential facility will materially contribute to alleviating the shortage of residential facilities in the county for individuals with ~~mental retardation or~~

developmental disabilities.

(C) The applicant is ready to proceed with development of the residential facility, but is unable to do so because of high interest rates.

(D) The board of county commissioners has certified that public moneys of the county are currently available for placement of the residential facility linked deposit necessary to provide low-cost financing to the applicant.

(E) Placement of the residential facility linked deposit, considered in the aggregate with all other residential facility linked deposits under the county's residential facility linked deposit program, will not cause the total amount of the county's residential facility linked deposits to exceed an amount equal to ten per cent of the operating budget of the county board of developmental disabilities for the current year. If placement of the residential facility linked deposit would cause the total amount of the county's residential facility linked deposits to exceed the maximum established by this division, the county board may accept the application but limit the amount of the residential facility linked deposit accordingly.

The resolution shall include specific findings of fact justifying acceptance or rejection of the application. If the board accepts the application, it shall specify the amount of the residential facility linked deposit in the resolution.

The county board shall transmit a certified copy of the resolution to the applicant, the eligible lending institution, and the county's investing authority.

Sec. 5139.06. (A) When a child has been committed to the department of youth services, the department shall do both of the following:

(1) Place the child in an appropriate institution under the condition that it considers best designed for the training and rehabilitation of the child and the protection of the public, provided that the institutional placement shall be consistent with the order committing the child to its custody;

(2) Maintain the child in institutional care or institutional care in a secure facility for the required period of institutionalization in a manner consistent with division (A)(1) of section 2152.16 and divisions (A) to (F) of section 2152.17 of the Revised Code, whichever are applicable, and with section 5139.38 or division (B), (C), or (D) of section 2152.22 of the Revised Code.

(B) When a child has been committed to the department of youth services and has not been institutionalized or institutionalized in a secure facility for the prescribed minimum period of time, including, but not limited to, a prescribed period of time under division (A)(1)(a) of section 2152.16 of the Revised Code, the department, the child, or the child's parent may request the court that committed the child to order a judicial release to court supervision or a judicial release to department of youth services supervision in accordance with division (B), (C), or (D) of section 2152.22 of the Revised Code, and the child may be released from institutionalization or institutionalization in a secure facility in accordance with the applicable division. A child in those circumstances shall not be released from institutionalization or institutionalization in a secure facility except in accordance with section 2152.22 or 5139.38 of the Revised Code. When a child is released pursuant to a judicial release to court supervision under division (B) or (D) of section 2152.22 of the Revised Code, the department shall comply with division (B)(3) of that section and, if the court requests, shall send the committing court a report on the child's progress in the institution and recommendations for conditions of supervision by the court after release. When a child is released pursuant to a judicial

release to department of youth services supervision under division (C) or (D) of section 2152.22 of the Revised Code, the department shall comply with division (C)(3) of that section relative to the child and shall send the committing court and the juvenile court of the county in which the child is placed a copy of the treatment and rehabilitation plan described in that division and the conditions that it fixed. The court of the county in which the child is placed may adopt the conditions as an order of the court and may add any additional consistent conditions it considers appropriate, provided that the court may not add any condition that decreases the level or degree of supervision specified by the department in its plan, that substantially increases the financial burden of supervision that will be experienced by the department, or that alters the placement specified by the department in its plan. Any violations of the conditions of the child's judicial release or early release shall be handled pursuant to division (E) of section 2152.22 of the Revised Code.

(C) When a child has been committed to the department of youth services, the department may do any of the following:

(1) Notwithstanding the provisions of this chapter, Chapter 2151., or Chapter 2152. of the Revised Code that prescribe required periods of institutionalization, transfer the child to any other state institution, whenever it appears that the child by reason of mental illness, ~~mental retardation~~, or ~~other~~ developmental disability ought to be in another state institution. Before transferring a child to any other state institution, the department shall include in the minutes a record of the order of transfer and the reason for the transfer and, at least seven days prior to the transfer, shall send a certified copy of the order to the person shown by its record to have had the care or custody of the child immediately prior to the child's commitment. Except as provided in division (C)(2) of this section, no person shall be transferred from a benevolent institution to a correctional institution or to a facility or institution operated by the department of youth services.

(2) Notwithstanding the provisions of this chapter, Chapter 2151., or Chapter 2152. of the Revised Code that prescribe required periods of institutionalization, transfer the child under section 5120.162 of the Revised Code to a correctional medical center established by the department of rehabilitation and correction, whenever the child has an illness, physical condition, or other medical problem and it appears that the child would benefit from diagnosis or treatment at the center for that illness, condition, or problem. Before transferring a child to a center, the department of youth services shall include in the minutes a record of the order of transfer and the reason for the transfer and, except in emergency situations, at least seven days prior to the transfer, shall send a certified copy of the order to the person shown by its records to have had the care or custody of the child immediately prior to the child's commitment. If the transfer of the child occurs in an emergency situation, as soon as possible after the decision is made to make the transfer, the department of youth services shall send a certified copy of the order to the person shown by its records to have had the care or custody of the child immediately prior to the child's commitment. A transfer under this division shall be in accordance with the terms of the agreement the department of youth services enters into with the department of rehabilitation and correction under section 5120.162 of the Revised Code and shall continue only as long as the child reasonably appears to receive benefit from diagnosis or treatment at the center for an illness, physical condition, or other medical problem.

(3) Revoke or modify any order of the department except an order of discharge as often as conditions indicate it to be desirable;

(4) If the child was committed pursuant to division (A)(1)(b), (c), (d), or (e) of section 2152.16 of the Revised Code and has been institutionalized or institutionalized in a secure facility for the prescribed minimum periods of time under the division pursuant to which the commitment was made, assign the child to a family home, a group care facility, or other place maintained under public or private auspices, within or without this state, for necessary treatment and rehabilitation, the costs of which may be paid by the department, provided that the department shall notify the committing court, in writing, of the place and terms of the assignment at least fifteen days prior to the scheduled date of the assignment;

(5) Release the child from an institution in accordance with sections 5139.51 to 5139.54 of the Revised Code in the circumstances described in those sections.

(D) The department of youth services shall notify the committing court of any order transferring the physical location of any child committed to it in accordance with section 5139.35 of the Revised Code. Upon the discharge from its custody and control, the department may petition the court for an order terminating its custody and control.

Sec. 5139.08. The department of youth services may enter into an agreement with the director of rehabilitation and correction pursuant to which the department of youth services, in accordance with division (C)(2) of section 5139.06 and section 5120.162 of the Revised Code, may transfer to a correctional medical center established by the department of rehabilitation and correction, children who are within its custody for diagnosis or treatment of an illness, physical condition, or other medical problem. The department of youth services may enter into any other agreements with the director of job and family services, the director of mental health and addiction services, the director of developmental disabilities, the director of rehabilitation and correction, with the courts having probation officers or other public officials, and with private agencies or institutions for separate care or special treatment of children subject to the control of the department of youth services. The department of youth services may, upon the request of a juvenile court not having a regular probation officer, provide probation services for such court.

Upon request by the department of youth services, any public agency or group care facility established or administered by the state for the care and treatment of children and youth shall, consistent with its functions, accept and care for any child whose custody is vested in the department in the same manner as it would be required to do if custody had been vested by a court in such agency or group care facility. If the department has reasonable grounds to believe that any child or youth whose custody is vested in it is mentally ill or ~~mentally retarded~~ has an intellectual disability, the department may file an affidavit under section 5122.11 or 5123.76 of the Revised Code. The department's affidavit for admission of a child or youth to such institution shall be filed with the probate court of the county from which the child was committed to the department. Such court may request the probate court of the county in which the child is held to conduct the hearing on the application, in which case the court making such request shall bear the expenses of the proceeding. If the department files such an affidavit, the child or youth may be kept in such institution until a final decision on the affidavit is made by the appropriate court.

Sec. 5139.12. Any person who is required, pursuant to division (A) of section 2151.421 of the Revised Code, to report the person's knowledge of or reasonable cause to suspect abuse or neglect or threat of abuse or neglect of a child under eighteen years of age or a ~~mentally retarded~~,

~~developmentally disabled, or physically impaired child~~ person with a developmental disability or physical impairment under twenty-one years of age, or any person who is permitted, pursuant to division (B) of that section, to report; or cause such a report to be made and who makes or causes the report to be made, shall direct that report to the state highway patrol if the child is a delinquent child in the custody of an institution. If the state highway patrol determines after receipt of the report that there is probable cause that abuse or neglect or threat of abuse or neglect of the delinquent child occurred, the highway patrol shall report its findings to the department of youth services, to the court that ordered the disposition of the delinquent child for the act that would have been an offense if committed by an adult and for which the delinquent child is in the custody of the department, to the public children services agency in the county in which the child resides or in which the abuse or neglect or threat of abuse or neglect occurred, and to the chairperson and vice-chairperson of the correctional institution inspection committee established by section 103.71 of the Revised Code.

Sec. 5139.27. The department of youth services shall adopt rules prescribing the minimum standards of construction for a school, forestry camp, or other facility established under section 2151.65 of the Revised Code for which financial assistance may be granted to assist in defraying the cost of the construction of the school, forestry camp, or other facility. If an application for that financial assistance is filed with the department under section 2151.651 of the Revised Code, and the department finds that the application is in proper form and the specifications for the construction of the school, forestry camp, or other facility meet the minimum standards set forth in the rules adopted by the department, the department may, from moneys available to it for granting financial assistance for the construction of schools, forestry camps, or other facilities established under section 2151.65 of the Revised Code, grant financial assistance to the county making the application, subject to the approval of the controlling board, in an amount not to exceed one-half of the county's share of the cost of construction of the school, forestry camp, or other facility but not to exceed six thousand five hundred dollars for each bed unit provided for in the school, forestry camp, or other facility. As used in this section, "construction" means the building and the initial equipping of new structures and, to the extent provided for in rules adopted by the department, the acquisition, remodeling, and initial equipping of existing structures, excluding architect's fees and the cost of land acquisition.

A county that receives financial assistance under this section shall not be obligated to repay the assistance to the state unless the school, forestry camp, or other facility for which the assistance is granted is used within the ten-year period immediately following its establishment for other than the purpose of rehabilitating children between the ages of twelve to eighteen years, other than psychotic ~~or mentally retarded~~ children or children with intellectual disabilities, who are designated delinquent children, as defined in section 2152.02 of the Revised Code, or unruly, as defined in section 2151.022 of the Revised Code, by order of a juvenile court. If the department of youth services finds that the school, forestry camp, or other facility is used for other than that purpose within that ten-year period, the county shall be obligated to repay the assistance to the state and, through its board of county commissioners, may enter into an agreement with the director of budget and management for the discharge of that obligation over a period not to exceed ten years in duration. Whenever a county is obligated to repay that assistance to the state and its board of county commissioners fails to enter into or fails to comply with an agreement for the discharge of that obligation, the tax commissioner, pursuant to section 5747.54 of the Revised Code, shall withhold from distribution to the county from

the local government fund an amount sufficient to discharge the county from that obligation to the state.

Sec. 5139.39. The department of youth services, in the manner provided in this chapter and Chapter 2151. of the Revised Code, may transfer to a foster care facility certified by the department of job and family services under section 5103.03 of the Revised Code, any child committed to it and, in the event of a transfer of that nature, unless otherwise mutually agreed, the department of youth services shall bear the cost of care and services provided for the child in the foster care facility. A juvenile court may transfer to any foster facility certified by the department of job and family services any child between twelve and eighteen years of age, other than a psychotic ~~or mentally retarded~~ child or a child with an intellectual disability, who has been designated a delinquent child and placed on probation by order of the juvenile court as a result of having violated any law of this state or the United States or any ordinance of a political subdivision of this state.

Sec. 5139.54. (A) Notwithstanding any other provision for determining when a child shall be released or discharged from the legal custody of the department of youth services, including jurisdictional provisions in section 2152.22 of the Revised Code, the release authority, for medical reasons, may release a child upon supervised release or discharge the child from the custody of the department when any of the following applies:

- (1) The child is terminally ill or otherwise in imminent danger of death.
- (2) The child is incapacitated due to injury, disease, illness, or other medical condition and is no longer a threat to public safety.
- (3) The child appears to be a mentally ill person subject to court order, as defined in section 5122.01 of the Revised Code, or a ~~mentally retarded~~ person with an intellectual disability subject to institutionalization by court order, as defined in section 5123.01 of the Revised Code.

(B) When considering whether to release or discharge a child under this section for medical reasons, the release authority may request additional medical information about the child or may ask the department to conduct additional medical examinations.

(C) The release authority shall determine the appropriate level of supervised release for a child released under this section. The terms and conditions of the release may require periodic medical reevaluations as appropriate. Upon granting a release or discharge under this section, the release authority shall give notice of the release and its terms and conditions or of the discharge to the court that committed the child to the custody of the department.

(D) The release authority shall submit annually to the director of youth services a report that includes all of the following information for the previous calendar year:

- (1) The number of children the release authority considered for medical release or discharge;
- (2) The nature of the injury, disease, illness, or other medical condition of each child considered for medical release or discharge;
- (3) The decision made by the release authority for each child, including the reasons for denying medical release or discharge or for granting it;
- (4) The number of children on medical release who were returned to a secure facility or whose supervised release was revoked.

Sec. 5164.25. The departments of developmental disabilities and medicaid may approve, reduce, deny, or terminate a medicaid service included in the ~~individualized~~ individual service plan

developed for a medicaid recipient with ~~mental retardation or other~~ a developmental disability who is eligible for medicaid case management services. If either department approves, reduces, denies, or terminates a service, that department shall timely notify the medicaid recipient that the recipient may appeal pursuant to section 5160.31 of the Revised Code.

Sec. 5164.342. (A) As used in this section:

"Applicant" means a person who is under final consideration for employment with a waiver agency in a full-time, part-time, or temporary position that involves providing home and community-based services.

"Community-based long-term care provider" means a provider as defined in section 173.39 of the Revised Code.

"Community-based long-term care subcontractor" means a subcontractor as defined in section 173.38 of the Revised Code.

"Criminal records check" has the same meaning as in section 109.572 of the Revised Code.

"Disqualifying offense" means any of the offenses listed or described in divisions (A)(3)(a) to (e) of section 109.572 of the Revised Code.

"Employee" means a person employed by a waiver agency in a full-time, part-time, or temporary position that involves providing home and community-based services.

"Waiver agency" means a person or government entity that provides home and community-based services under a home and community-based services medicaid waiver component administered by the department of medicaid, other than such a person or government entity that is certified under the medicare program. "Waiver agency" does not mean an independent provider as defined in section 5164.341 of the Revised Code.

(B) This section does not apply to any individual who is subject to a database review or criminal records check under section 3701.881 of the Revised Code. If a waiver agency also is a community-based long-term care provider or community-based long-term care subcontractor, the waiver agency may provide for applicants and employees to undergo database reviews and criminal records checks in accordance with section 173.38 of the Revised Code rather than this section.

(C) No waiver agency shall employ an applicant or continue to employ an employee in a position that involves providing home and community-based services if any of the following apply:

(1) A review of the databases listed in division (E) of this section reveals any of the following:

(a) That the applicant or employee is included in one or more of the databases listed in divisions (E)(1) to (5) of this section;

(b) That there is in the state nurse aide registry established under section 3721.32 of the Revised Code a statement detailing findings by the director of health that the applicant or employee neglected or abused a long-term care facility or residential care facility resident or misappropriated property of such a resident;

(c) That the applicant or employee is included in one or more of the databases, if any, specified in rules authorized by this section and the rules prohibit the waiver agency from employing an applicant or continuing to employ an employee included in such a database in a position that involves providing home and community-based services.

(2) After the applicant or employee is given the information and notification required by

divisions (F)(2)(a) and (b) of this section, the applicant or employee fails to do either of the following:

(a) Access, complete, or forward to the superintendent of the bureau of criminal identification and investigation the form prescribed to division (C)(1) of section 109.572 of the Revised Code or the standard impression sheet prescribed pursuant to division (C)(2) of that section;

(b) Instruct the superintendent to submit the completed report of the criminal records check required by this section directly to the chief administrator of the waiver agency.

(3) Except as provided in rules authorized by this section, the applicant or employee is found by a criminal records check required by this section to have been convicted of or have pleaded guilty to a disqualifying offense, regardless of the date of the conviction or date of entry of the guilty plea.

(D) At the time of each applicant's initial application for employment in a position that involves providing home and community-based services, the chief administrator of a waiver agency shall inform the applicant of both of the following:

(1) That a review of the databases listed in division (E) of this section will be conducted to determine whether the waiver agency is prohibited by division (C)(1) of this section from employing the applicant in the position;

(2) That, unless the database review reveals that the applicant may not be employed in the position, a criminal records check of the applicant will be conducted and the applicant is required to provide a set of the applicant's fingerprint impressions as part of the criminal records check.

(E) As a condition of employing any applicant in a position that involves providing home and community-based services, the chief administrator of a waiver agency shall conduct a database review of the applicant in accordance with rules authorized by this section. If rules authorized by this section so require, the chief administrator of a waiver agency shall conduct a database review of an employee in accordance with the rules as a condition of continuing to employ the employee in a position that involves providing home and community-based services. A database review shall determine whether the applicant or employee is included in any of the following:

(1) The excluded parties list system that is maintained by the United States general services administration pursuant to subpart 9.4 of the federal acquisition regulation and available at the federal web site known as the system for award management;

(2) The list of excluded individuals and entities maintained by the office of inspector general in the United States department of health and human services pursuant to the "Social Security Act," sections 1128 and 1156, 42 U.S.C. 1320a-7 and 1320c-5;

(3) The registry of ~~MR/DD~~ developmental disabilities employees established under section 5123.52 of the Revised Code;

(4) The internet-based sex offender and child-victim offender database established under division (A)(11) of section 2950.13 of the Revised Code;

(5) The internet-based database of inmates established under section 5120.66 of the Revised Code;

(6) The state nurse aide registry established under section 3721.32 of the Revised Code;

(7) Any other database, if any, specified in rules authorized by this section.

(F)(1) As a condition of employing any applicant in a position that involves providing home and community-based services, the chief administrator of a waiver agency shall require the applicant

to request that the superintendent of the bureau of criminal identification and investigation conduct a criminal records check of the applicant. If rules authorized by this section so require, the chief administrator of a waiver agency shall require an employee to request that the superintendent conduct a criminal records check of the employee at times specified in the rules as a condition of continuing to employ the employee in a position that involves providing home and community-based services. However, a criminal records check is not required for an applicant or employee if the waiver agency is prohibited by division (C)(1) of this section from employing the applicant or continuing to employ the employee in a position that involves providing home and community-based services. If an applicant or employee for whom a criminal records check request is required by this section does not present proof of having been a resident of this state for the five-year period immediately prior to the date the criminal records check is requested or provide evidence that within that five-year period the superintendent has requested information about the applicant or employee from the federal bureau of investigation in a criminal records check, the chief administrator shall require the applicant or employee to request that the superintendent obtain information from the federal bureau of investigation as part of the criminal records check. Even if an applicant or employee for whom a criminal records check request is required by this section presents proof of having been a resident of this state for the five-year period, the chief administrator may require the applicant or employee to request that the superintendent include information from the federal bureau of investigation in the criminal records check.

(2) The chief administrator shall provide the following to each applicant and employee for whom a criminal records check is required by this section:

(a) Information about accessing, completing, and forwarding to the superintendent of the bureau of criminal identification and investigation the form prescribed pursuant to division (C)(1) of section 109.572 of the Revised Code and the standard impression sheet prescribed pursuant to division (C)(2) of that section;

(b) Written notification that the applicant or employee is to instruct the superintendent to submit the completed report of the criminal records check directly to the chief administrator.

(3) A waiver agency shall pay to the bureau of criminal identification and investigation the fee prescribed pursuant to division (C)(3) of section 109.572 of the Revised Code for any criminal records check required by this section. However, a waiver agency may require an applicant to pay to the bureau the fee for a criminal records check of the applicant. If the waiver agency pays the fee for an applicant, it may charge the applicant a fee not exceeding the amount the waiver agency pays to the bureau under this section if the waiver agency notifies the applicant at the time of initial application for employment of the amount of the fee and that, unless the fee is paid, the applicant will not be considered for employment.

(G)(1) A waiver agency may employ conditionally an applicant for whom a criminal records check is required by this section prior to obtaining the results of the criminal records check if both of the following apply:

(a) The waiver agency is not prohibited by division (C)(1) of this section from employing the applicant in a position that involves providing home and community-based services.

(b) The chief administrator of the waiver agency requires the applicant to request a criminal records check regarding the applicant in accordance with division (F)(1) of this section not later than

five business days after the applicant begins conditional employment.

(2) A waiver agency that employs an applicant conditionally under division (G)(1) of this section shall terminate the applicant's employment if the results of the criminal records check, other than the results of any request for information from the federal bureau of investigation, are not obtained within the period ending sixty days after the date the request for the criminal records check is made. Regardless of when the results of the criminal records check are obtained, if the results indicate that the applicant has been convicted of or has pleaded guilty to a disqualifying offense, the waiver agency shall terminate the applicant's employment unless circumstances specified in rules authorized by this section exist that permit the waiver agency to employ the applicant and the waiver agency chooses to employ the applicant.

(H) The report of any criminal records check conducted pursuant to a request made under this section is not a public record for the purposes of section 149.43 of the Revised Code and shall not be made available to any person other than the following:

(1) The applicant or employee who is the subject of the criminal records check or the representative of the applicant or employee;

(2) The chief administrator of the waiver agency that requires the applicant or employee to request the criminal records check or the administrator's representative;

(3) The medicaid director and the staff of the department who are involved in the administration of the medicaid program;

(4) The director of aging or the director's designee if the waiver agency also is a community-based long-term care provider or community-based long-term care subcontractor;

(5) An individual receiving or deciding whether to receive home and community-based services from the subject of the criminal records check;

(6) A court, hearing officer, or other necessary individual involved in a case dealing with any of the following:

(a) A denial of employment of the applicant or employee;

(b) Employment or unemployment benefits of the applicant or employee;

(c) A civil or criminal action regarding the medicaid program.

(I) The medicaid director shall adopt rules under section 5164.02 of the Revised Code to implement this section.

(1) The rules may do the following:

(a) Require employees to undergo database reviews and criminal records checks under this section;

(b) If the rules require employees to undergo database reviews and criminal records checks under this section, exempt one or more classes of employees from the requirements;

(c) For the purpose of division (E)(7) of this section, specify other databases that are to be checked as part of a database review conducted under this section.

(2) The rules shall specify all of the following:

(a) The procedures for conducting a database review under this section;

(b) If the rules require employees to undergo database reviews and criminal records checks under this section, the times at which the database reviews and criminal records checks are to be conducted;

(c) If the rules specify other databases to be checked as part of a database review, the circumstances under which a waiver agency is prohibited from employing an applicant or continuing to employ an employee who is found by the database review to be included in one or more of those databases;

(d) The circumstances under which a waiver agency may employ an applicant or employee who is found by a criminal records check required by this section to have been convicted of or have pleaded guilty to a disqualifying offense.

(J) The amendments made by H.B. 487 of the 129th general assembly to this section do not preclude the department of medicaid from taking action against a person for failure to comply with former division (H) of this section as that division existed on the day preceding January 1, 2013.

Sec. 5164.881. The existence in any other division of this section of authority to levy a tax for any part or all of the same purpose or purposes does not preclude the use of such revenues for any part of the purpose or purposes of the division under which the resolution is adopted.

The resolution shall specify the amount of the increase in rate that it is necessary to levy, the purpose of that increase in rate, and the number of years during which the increase in rate shall be in effect, which may or may not include a levy upon the duplicate of the current year. The number of years may be any number not exceeding five, except as follows:

(1) When the additional rate is for the payment of debt charges, the increased rate shall be for the life of the indebtedness.

A levy for one of the purposes set forth in division (G), (I), (J), or (U) of this section may also be terminated or permanently reduced by the taxing authority if it adopts a resolution stating that the continuance of the levy is unnecessary and the levy shall be terminated or that the millage is excessive and the levy shall be decreased by a designated amount.

A resolution of a detention facility district, a district organized under section 2151.65 of the Revised Code, or a combined district organized under both sections 2151.65 and 2152.41 of the Revised Code may include both current expenses and other purposes, provided that the resolution shall apportion the annual rate of levy between the current expenses and the other purpose or purposes. The apportionment need not be the same for each year of the levy, but the respective portions of the rate actually levied each year for the current expenses and the other purpose or purposes shall be limited by the apportionment.

Whenever a board of county commissioners, acting either as the taxing authority of its county or as the taxing authority of a sewer district or subdistrict created under Chapter 6117. of the Revised Code, by resolution declares it necessary to levy a tax in excess of the ten-mill limitation for the purpose of constructing, improving, or extending sewage disposal plants or sewage systems, the tax may be in effect for any number of years not exceeding twenty, and the proceeds of the tax, notwithstanding the general provisions of this section, may be used to pay debt charges on any obligations issued and outstanding on behalf of the subdivision for the purposes enumerated in this paragraph, provided that any such obligations have been specifically described in the resolution.

A resolution adopted by the legislative authority of a municipal corporation that is for the purpose in division (XX) of this section may be combined with the purpose provided in section 306.55 of the Revised Code, by vote of two-thirds of all members of the legislative authority. The legislative authority may certify the resolution to the board of elections as a combined question. The

question appearing on the ballot shall be as provided in section 5705.252 of the Revised Code.

The resolution shall go into immediate effect upon its passage, and no publication of the resolution is necessary other than that provided for in the notice of election.

When the electors of a subdivision or, in the case of a qualifying library levy for the support of a library association or private corporation, the electors of the association library district, have approved a tax levy under this section, the taxing authority of the subdivision may anticipate a fraction of the proceeds of the levy and issue anticipation notes in accordance with section 5705.191 or 5705.193 of the Revised Code.

Sec. 5705.222. (A) At any time the board of county commissioners of any county by a majority vote of the full membership may declare by resolution and certify to the board of elections of the county that the amount of taxes which may be raised within the ten-mill limitation by levies on the current tax duplicate will be insufficient to provide the necessary requirements of the county board of developmental disabilities established pursuant to Chapter 5126. of the Revised Code and that it is necessary to levy a tax in excess of such limitation for the operation of programs and services by county boards of developmental disabilities and for the acquisition, construction, renovation, financing, maintenance, and operation of ~~mental retardation and~~ developmental disabilities facilities.

Such resolution shall conform to section 5705.19 of the Revised Code, except that the increased rate may be in effect for any number of years not exceeding ten or for a continuing period of time.

The resolution shall be certified and submitted in the manner provided in section 5705.25 of the Revised Code, except that it may be placed on the ballot in any election, and shall be certified to the board of elections not less than ninety days before the election at which it will be voted upon.

If the majority of the electors voting on a levy for the support of the programs and services of the county board of developmental disabilities vote in favor of the levy, the board of county commissioners may levy a tax within the county at the additional rate outside the ten-mill limitation during the specified or continuing period, for the purpose stated in the resolution. The county board of developmental disabilities, within its budget and with the approval of the board of county commissioners through annual appropriations, shall use the proceeds of a levy approved under this section solely for the purposes authorized by this section.

(B) When electors have approved a tax levy under this section, the county commissioners may anticipate a fraction of the proceeds of the levy and issue anticipation notes in accordance with section 5705.191 or 5705.193 of the Revised Code.

(C) The county auditor, upon receipt of a resolution from the county board of developmental disabilities, shall establish a capital improvements account or a reserve balance account, or both, as specified in the resolution. The capital improvements account shall be a contingency account for the necessary acquisition, replacement, renovation, or construction of facilities and movable and fixed equipment. Upon the request of the county board of developmental disabilities, moneys not needed to pay for current expenses may be appropriated to this account, in amounts such that this account does not exceed twenty-five per cent of the replacement value of all capital facilities and equipment currently used by the county board of developmental disabilities for ~~mental retardation and~~ developmental disabilities programs and services. Other moneys available for current capital

expenses from federal, state, or local sources may also be appropriated to this account.

The reserve balance account shall contain those moneys that are not needed to pay for current operating expenses and not deposited in the capital improvements account but that will be needed to pay for operating expenses in the future. Upon the request of a county board of developmental disabilities, the board of county commissioners may appropriate moneys to the reserve balance account.

Sec. 5709.40. (A) As used in this section:

(1) "Blighted area" and "impacted city" have the same meanings as in section 1728.01 of the Revised Code.

(2) "Business day" means a day of the week excluding Saturday, Sunday, and a legal holiday as defined under section 1.14 of the Revised Code.

(3) "Housing renovation" means a project carried out for residential purposes.

(4) "Improvement" means the increase in the assessed value of any real property that would first appear on the tax list and duplicate of real and public utility property after the effective date of an ordinance adopted under this section were it not for the exemption granted by that ordinance.

(5) "Incentive district" means an area not more than three hundred acres in size enclosed by a continuous boundary in which a project is being, or will be, undertaken and having one or more of the following distress characteristics:

(a) At least fifty-one per cent of the residents of the district have incomes of less than eighty per cent of the median income of residents of the political subdivision in which the district is located, as determined in the same manner specified under section 119(b) of the "Housing and Community Development Act of 1974," 88 Stat. 633, 42 U.S.C. 5318, as amended;

(b) The average rate of unemployment in the district during the most recent twelve-month period for which data are available is equal to at least one hundred fifty per cent of the average rate of unemployment for this state for the same period.

(c) At least twenty per cent of the people residing in the district live at or below the poverty level as defined in the federal Housing and Community Development Act of 1974, 42 U.S.C. 5301, as amended, and regulations adopted pursuant to that act.

(d) The district is a blighted area.

(e) The district is in a situational distress area as designated by the director of development services under division (F) of section 122.23 of the Revised Code.

(f) As certified by the engineer for the political subdivision, the public infrastructure serving the district is inadequate to meet the development needs of the district as evidenced by a written economic development plan or urban renewal plan for the district that has been adopted by the legislative authority of the subdivision.

(g) The district is comprised entirely of unimproved land that is located in a distressed area as defined in section 122.23 of the Revised Code.

(6) "Project" means development activities undertaken on one or more parcels, including, but not limited to, construction, expansion, and alteration of buildings or structures, demolition, remediation, and site development, and any building or structure that results from those activities.

(7) "Public infrastructure improvement" includes, but is not limited to, public roads and highways; water and sewer lines; environmental remediation; land acquisition, including acquisition

in aid of industry, commerce, distribution, or research; demolition, including demolition on private property when determined to be necessary for economic development purposes; stormwater and flood remediation projects, including such projects on private property when determined to be necessary for public health, safety, and welfare; the provision of gas, electric, and communications service facilities, including the provision of gas or electric service facilities owned by nongovernmental entities when such improvements are determined to be necessary for economic development purposes; and the enhancement of public waterways through improvements that allow for greater public access.

(B) The legislative authority of a municipal corporation, by ordinance, may declare improvements to certain parcels of real property located in the municipal corporation to be a public purpose. Improvements with respect to a parcel that is used or to be used for residential purposes may be declared a public purpose under this division only if the parcel is located in a blighted area of an impacted city. For this purpose, "parcel that is used or to be used for residential purposes" means a parcel that, as improved, is used or to be used for purposes that would cause the tax commissioner to classify the parcel as residential property in accordance with rules adopted by the commissioner under section 5713.041 of the Revised Code. Except with the approval under division (D) of this section of the board of education of each city, local, or exempted village school district within which the improvements are located, not more than seventy-five per cent of an improvement thus declared to be a public purpose may be exempted from real property taxation for a period of not more than ten years. The ordinance shall specify the percentage of the improvement to be exempted from taxation and the life of the exemption.

An ordinance adopted or amended under this division shall designate the specific public infrastructure improvements made, to be made, or in the process of being made by the municipal corporation that directly benefit, or that once made will directly benefit, the parcels for which improvements are declared to be a public purpose. The service payments provided for in section 5709.42 of the Revised Code shall be used to finance the public infrastructure improvements designated in the ordinance, for the purpose described in division (D)(1) of this section or as provided in section 5709.43 of the Revised Code.

(C)(1) The legislative authority of a municipal corporation may adopt an ordinance creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division (F) of this section, exempt from taxation as provided in this section, but no legislative authority of a municipal corporation that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, shall adopt an ordinance that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the municipal corporation that would have been taxable in the preceding year were it not for the fact that the property was in an existing incentive district and therefore exempt from taxation exceeds twenty-five per cent of the taxable value of real property in the municipal corporation for the preceding tax year. The ordinance shall delineate the boundary of the district and specifically identify each parcel within the district. A district may not include any parcel that is or has been exempted from taxation under division (B) of this section or that is or has been within another district created under this division. An ordinance may create more than one such district, and more than one ordinance may be adopted

under division (C)(1) of this section.

(2) Not later than thirty days prior to adopting an ordinance under division (C)(1) of this section, if the municipal corporation intends to apply for exemptions from taxation under section 5709.911 of the Revised Code on behalf of owners of real property located within the proposed incentive district, the legislative authority of a municipal corporation shall conduct a public hearing on the proposed ordinance. Not later than thirty days prior to the public hearing, the legislative authority shall give notice of the public hearing and the proposed ordinance by first class mail to every real property owner whose property is located within the boundaries of the proposed incentive district that is the subject of the proposed ordinance.

(3)(a) An ordinance adopted under division (C)(1) of this section shall specify the life of the incentive district and the percentage of the improvements to be exempted, shall designate the public infrastructure improvements made, to be made, or in the process of being made, that benefit or serve, or, once made, will benefit or serve parcels in the district. The ordinance also shall identify one or more specific projects being, or to be, undertaken in the district that place additional demand on the public infrastructure improvements designated in the ordinance. The project identified may, but need not be, the project under division (C)(3)(b) of this section that places real property in use for commercial or industrial purposes. Except as otherwise permitted under that division, the service payments provided for in section 5709.42 of the Revised Code shall be used to finance the designated public infrastructure improvements, for the purpose described in division (D)(1) or (E) of this section, or as provided in section 5709.43 of the Revised Code.

An ordinance adopted under division (C)(1) of this section on or after March 30, 2006, shall not designate police or fire equipment as public infrastructure improvements, and no service payment provided for in section 5709.42 of the Revised Code and received by the municipal corporation under the ordinance shall be used for police or fire equipment.

(b) An ordinance adopted under division (C)(1) of this section may authorize the use of service payments provided for in section 5709.42 of the Revised Code for the purpose of housing renovations within the incentive district, provided that the ordinance also designates public infrastructure improvements that benefit or serve the district, and that a project within the district places real property in use for commercial or industrial purposes. Service payments may be used to finance or support loans, deferred loans, and grants to persons for the purpose of housing renovations within the district. The ordinance shall designate the parcels within the district that are eligible for housing renovation. The ordinance shall state separately the amounts or the percentages of the expected aggregate service payments that are designated for each public infrastructure improvement and for the general purpose of housing renovations.

(4) Except with the approval of the board of education of each city, local, or exempted village school district within the territory of which the incentive district is or will be located, and subject to division (E) of this section, the life of an incentive district shall not exceed ten years, and the percentage of improvements to be exempted shall not exceed seventy-five per cent. With approval of the board of education, the life of a district may be not more than thirty years, and the percentage of improvements to be exempted may be not more than one hundred per cent. The approval of a board of education shall be obtained in the manner provided in division (D) of this section.

(D)(1) If the ordinance declaring improvements to a parcel to be a public purpose or creating

an incentive district specifies that payments in lieu of taxes provided for in section 5709.42 of the Revised Code shall be paid to the city, local, or exempted village, and joint vocational school district in which the parcel or incentive district is located in the amount of the taxes that would have been payable to the school district if the improvements had not been exempted from taxation, the percentage of the improvement that may be exempted from taxation may exceed seventy-five per cent, and the exemption may be granted for up to thirty years, without the approval of the board of education as otherwise required under division (D)(2) of this section.

(2) Improvements with respect to a parcel may be exempted from taxation under division (B) of this section, and improvements to parcels within an incentive district may be exempted from taxation under division (C) of this section, for up to ten years or, with the approval under this paragraph of the board of education of the city, local, or exempted village school district within which the parcel or district is located, for up to thirty years. The percentage of the improvement exempted from taxation may, with such approval, exceed seventy-five per cent, but shall not exceed one hundred per cent. Not later than forty-five business days prior to adopting an ordinance under this section declaring improvements to be a public purpose that is subject to approval by a board of education under this division, the legislative authority shall deliver to the board of education a notice stating its intent to adopt an ordinance making that declaration. The notice regarding improvements with respect to a parcel under division (B) of this section shall identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period for which the improvements would be exempted from taxation and the percentage of the improvement that would be exempted, and indicate the date on which the legislative authority intends to adopt the ordinance. The notice regarding improvements to parcels within an incentive district under division (C) of this section shall delineate the boundaries of the district, specifically identify each parcel within the district, identify each anticipated improvement in the district, provide an estimate of the true value in money of each such improvement, specify the life of the district and the percentage of improvements that would be exempted, and indicate the date on which the legislative authority intends to adopt the ordinance. The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice; may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both; or may approve the exemption on the condition that the legislative authority and the board negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period or, in the case of exemption percentages in excess of seventy-five per cent, compensation equal in value to a percentage of the taxes that would be payable on the portion of the improvement in excess of seventy-five per cent were that portion to be subject to taxation, or other mutually agreeable compensation. If an agreement is negotiated between the legislative authority and the board to compensate the school district for all or part of the taxes exempted, including agreements for payments in lieu of taxes under section 5709.42 of the Revised Code, the legislative authority shall compensate the joint vocational school district within which the parcel or district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

(3) The board of education shall certify its resolution to the legislative authority not later than fourteen days prior to the date the legislative authority intends to adopt the ordinance as indicated in the notice. If the board of education and the legislative authority negotiate a mutually acceptable compensation agreement, the ordinance may declare the improvements a public purpose for the number of years specified in the ordinance or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified in the ordinance. In either case, if the board and the legislative authority fail to negotiate a mutually acceptable compensation agreement, the ordinance may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board fails to certify a resolution to the legislative authority within the time prescribed by this division, the legislative authority thereupon may adopt the ordinance and may declare the improvements a public purpose for up to thirty years, or, in the case of exemption percentages proposed in excess of seventy-five per cent, for the exemption percentage specified in the ordinance. The legislative authority may adopt the ordinance at any time after the board of education certifies its resolution approving the exemption to the legislative authority, or, if the board approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board and the legislative authority.

(4) If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of exemptions by the board is not required under division (D) of this section. If a board of education has adopted a resolution allowing a legislative authority to deliver the notice required under division (D) of this section fewer than forty-five business days prior to the legislative authority's adoption of the ordinance, the legislative authority shall deliver the notice to the board not later than the number of days prior to such adoption as prescribed by the board in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board shall certify a copy of the resolution to the legislative authority. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the legislative authority.

(5) If the legislative authority is not required by division (D) of this section to notify the board of education of the legislative authority's intent to declare improvements to be a public purpose, the legislative authority shall comply with the notice requirements imposed under section 5709.83 of the Revised Code, unless the board has adopted a resolution under that section waiving its right to receive such a notice.

(E)(1) If a proposed ordinance under division (C)(1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the ordinance the legislative authority of the municipal corporation shall deliver to the board of county commissioners of the county within which the incentive district will be located a notice that states its intent to adopt an ordinance creating an incentive district. The notice shall include a copy of the proposed ordinance, identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period of time for which the improvements would be exempted from taxation, specify the percentage of the improvements that would be exempted from taxation, and indicate the date on

which the legislative authority intends to adopt the ordinance.

(2) The board of county commissioners, by resolution adopted by a majority of the board, may object to the exemption for the number of years in excess of ten, may object to the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both. If the board of county commissioners objects, the board may negotiate a mutually acceptable compensation agreement with the legislative authority. In no case shall the compensation provided to the board exceed the property taxes forgone due to the exemption. If the board of county commissioners objects, and the board and legislative authority fail to negotiate a mutually acceptable compensation agreement, the ordinance adopted under division (C)(1) of this section shall provide to the board compensation in the eleventh and subsequent years of the exemption period equal in value to not more than fifty per cent of the taxes that would be payable to the county or, if the board's objection includes an objection to an exemption percentage in excess of seventy-five per cent, compensation equal in value to not more than fifty per cent of the taxes that would be payable to the county, on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation. The board of county commissioners shall certify its resolution to the legislative authority not later than thirty days after receipt of the notice.

(3) If the board of county commissioners does not object or fails to certify its resolution objecting to an exemption within thirty days after receipt of the notice, the legislative authority may adopt the ordinance, and no compensation shall be provided to the board of county commissioners. If the board timely certifies its resolution objecting to the ordinance, the legislative authority may adopt the ordinance at any time after a mutually acceptable compensation agreement is agreed to by the board and the legislative authority, or, if no compensation agreement is negotiated, at any time after the legislative authority agrees in the proposed ordinance to provide compensation to the board of fifty per cent of the taxes that would be payable to the county in the eleventh and subsequent years of the exemption period or on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation.

(F) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to an ordinance creating an incentive district under division (C)(1) of this section that is adopted on or after January 1, 2006, shall be distributed to the appropriate taxing authority as required under division (C) of section 5709.42 of the Revised Code in an amount equal to the amount of taxes from that additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (C) of this section:

(1) A tax levied under division (L) of section 5705.19 or section 5705.191 of the Revised Code for community ~~mental retardation and~~ developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the Revised Code for providing or maintaining senior citizens services or facilities;

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or facilities;

(5) A tax levied under section 5705.23 of the Revised Code for library purposes;

(6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of children;

(7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;

(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;

(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;

(11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;

(12) A tax levied under section 3709.29 of the Revised Code for a general health district program.

(G) An exemption from taxation granted under this section commences with the tax year specified in the ordinance so long as the year specified in the ordinance commences after the effective date of the ordinance. If the ordinance specifies a year commencing before the effective date of the resolution or specifies no year whatsoever, the exemption commences with the tax year in which an exempted improvement first appears on the tax list and duplicate of real and public utility property and that commences after the effective date of the ordinance. In lieu of stating a specific year, the ordinance may provide that the exemption commences in the tax year in which the value of an improvement exceeds a specified amount or in which the construction of one or more improvements is completed, provided that such tax year commences after the effective date of the ordinance. With respect to the exemption of improvements to parcels under division (B) of this section, the ordinance may allow for the exemption to commence in different tax years on a parcel-by-parcel basis, with a separate exemption term specified for each parcel.

Except as otherwise provided in this division, the exemption ends on the date specified in the ordinance as the date the improvement ceases to be a public purpose or the incentive district expires, or ends on the date on which the public infrastructure improvements and housing renovations are paid in full from the municipal public improvement tax increment equivalent fund established under division (A) of section 5709.43 of the Revised Code, whichever occurs first. The exemption of an improvement with respect to a parcel or within an incentive district may end on a later date, as specified in the ordinance, if the legislative authority and the board of education of the city, local, or exempted village school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement, and the board of education has approved the term of the exemption under division (D) (2) of this section, but in no case shall the improvement be exempted from taxation for more than

thirty years. Exemptions shall be claimed and allowed in the same manner as in the case of other real property exemptions. If an exemption status changes during a year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(H) Additional municipal financing of public infrastructure improvements and housing renovations may be provided by any methods that the municipal corporation may otherwise use for financing such improvements or renovations. If the municipal corporation issues bonds or notes to finance the public infrastructure improvements and housing renovations and pledges money from the municipal public improvement tax increment equivalent fund to pay the interest on and principal of the bonds or notes, the bonds or notes are not subject to Chapter 133. of the Revised Code.

(I) The municipal corporation, not later than fifteen days after the adoption of an ordinance under this section, shall submit to the director of development services a copy of the ordinance. On or before the thirty-first day of March of each year, the municipal corporation shall submit a status report to the director of development services. The report shall indicate, in the manner prescribed by the director, the progress of the project during each year that an exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the funds created under section 5709.43 of the Revised Code; a description of the public infrastructure improvements and housing renovations financed with such expenditures; and a quantitative summary of changes in employment and private investment resulting from each project.

(J) Nothing in this section shall be construed to prohibit a legislative authority from declaring to be a public purpose improvements with respect to more than one parcel.

(K) If a parcel is located in a new community district in which the new community authority imposes a community development charge on the basis of rentals received from leases of real property as described in division (L)(2) of section 349.01 of the Revised Code, the parcel may not be exempted from taxation under this section.

Sec. 5709.73. (A) As used in this section and section 5709.74 of the Revised Code:

(1) "Business day" means a day of the week excluding Saturday, Sunday, and a legal holiday as defined in section 1.14 of the Revised Code.

(2) "Further improvements" or "improvements" means the increase in the assessed value of real property that would first appear on the tax list and duplicate of real and public utility property after the effective date of a resolution adopted under this section were it not for the exemption granted by that resolution. For purposes of division (B) of this section, "improvements" do not include any property used or to be used for residential purposes. For this purpose, "property that is used or to be used for residential purposes" means property that, as improved, is used or to be used for purposes that would cause the tax commissioner to classify the property as residential property in accordance with rules adopted by the commissioner under section 5713.041 of the Revised Code.

(3) "Housing renovation" means a project carried out for residential purposes.

(4) "Incentive district" has the same meaning as in section 5709.40 of the Revised Code, except that a blighted area is in the unincorporated area of a township.

(5) "Project" and "public infrastructure improvement" have the same meanings as in section 5709.40 of the Revised Code.

(B) A board of township trustees may, by unanimous vote, adopt a resolution that declares to

be a public purpose any public infrastructure improvements made that are necessary for the development of certain parcels of land located in the unincorporated area of the township. Except with the approval under division (D) of this section of the board of education of each city, local, or exempted village school district within which the improvements are located, the resolution may exempt from real property taxation not more than seventy-five per cent of further improvements to a parcel of land that directly benefits from the public infrastructure improvements, for a period of not more than ten years. The resolution shall specify the percentage of the further improvements to be exempted and the life of the exemption.

(C)(1) A board of township trustees may adopt, by unanimous vote, a resolution creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division (F) of this section, exempt from taxation as provided in this section, but no board of township trustees of a township that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, shall adopt a resolution that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the township that would have been taxable in the preceding year were it not for the fact that the property was in an existing incentive district and therefore exempt from taxation exceeds twenty-five per cent of the taxable value of real property in the township for the preceding tax year. The district shall be located within the unincorporated area of the township and shall not include any territory that is included within a district created under division (B) of section 5709.78 of the Revised Code. The resolution shall delineate the boundary of the district and specifically identify each parcel within the district. A district may not include any parcel that is or has been exempted from taxation under division (B) of this section or that is or has been within another district created under this division. A resolution may create more than one district, and more than one resolution may be adopted under division (C)(1) of this section.

(2) Not later than thirty days prior to adopting a resolution under division (C)(1) of this section, if the township intends to apply for exemptions from taxation under section 5709.911 of the Revised Code on behalf of owners of real property located within the proposed incentive district, the board shall conduct a public hearing on the proposed resolution. Not later than thirty days prior to the public hearing, the board shall give notice of the public hearing and the proposed resolution by first class mail to every real property owner whose property is located within the boundaries of the proposed incentive district that is the subject of the proposed resolution.

(3)(a) A resolution adopted under division (C)(1) of this section shall specify the life of the incentive district and the percentage of the improvements to be exempted, shall designate the public infrastructure improvements made, to be made, or in the process of being made, that benefit or serve, or, once made, will benefit or serve parcels in the district. The resolution also shall identify one or more specific projects being, or to be, undertaken in the district that place additional demand on the public infrastructure improvements designated in the resolution. The project identified may, but need not be, the project under division (C)(3)(b) of this section that places real property in use for commercial or industrial purposes.

A resolution adopted under division (C)(1) of this section on or after March 30, 2006, shall not designate police or fire equipment as public infrastructure improvements, and no service payment

provided for in section 5709.74 of the Revised Code and received by the township under the resolution shall be used for police or fire equipment.

(b) A resolution adopted under division (C)(1) of this section may authorize the use of service payments provided for in section 5709.74 of the Revised Code for the purpose of housing renovations within the incentive district, provided that the resolution also designates public infrastructure improvements that benefit or serve the district, and that a project within the district places real property in use for commercial or industrial purposes. Service payments may be used to finance or support loans, deferred loans, and grants to persons for the purpose of housing renovations within the district. The resolution shall designate the parcels within the district that are eligible for housing renovations. The resolution shall state separately the amount or the percentages of the expected aggregate service payments that are designated for each public infrastructure improvement and for the purpose of housing renovations.

(4) Except with the approval of the board of education of each city, local, or exempted village school district within the territory of which the incentive district is or will be located, and subject to division (E) of this section, the life of an incentive district shall not exceed ten years, and the percentage of improvements to be exempted shall not exceed seventy-five per cent. With approval of the board of education, the life of a district may be not more than thirty years, and the percentage of improvements to be exempted may be not more than one hundred per cent. The approval of a board of education shall be obtained in the manner provided in division (D) of this section.

(D) Improvements with respect to a parcel may be exempted from taxation under division (B) of this section, and improvements to parcels within an incentive district may be exempted from taxation under division (C) of this section, for up to ten years or, with the approval of the board of education of the city, local, or exempted village school district within which the parcel or district is located, for up to thirty years. The percentage of the improvements exempted from taxation may, with such approval, exceed seventy-five per cent, but shall not exceed one hundred per cent. Not later than forty-five business days prior to adopting a resolution under this section declaring improvements to be a public purpose that is subject to approval by a board of education under this division, the board of township trustees shall deliver to the board of education a notice stating its intent to adopt a resolution making that declaration. The notice regarding improvements with respect to a parcel under division (B) of this section shall identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period for which the improvements would be exempted from taxation and the percentage of the improvements that would be exempted, and indicate the date on which the board of township trustees intends to adopt the resolution. The notice regarding improvements made under division (C) of this section to parcels within an incentive district shall delineate the boundaries of the district, specifically identify each parcel within the district, identify each anticipated improvement in the district, provide an estimate of the true value in money of each such improvement, specify the life of the district and the percentage of improvements that would be exempted, and indicate the date on which the board of township trustees intends to adopt the resolution. The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice; may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvements to be exempted in excess of

seventy-five per cent, or both; or may approve the exemption on the condition that the board of township trustees and the board of education negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period or, in the case of exemption percentages in excess of seventy-five per cent, compensation equal in value to a percentage of the taxes that would be payable on the portion of the improvements in excess of seventy-five per cent were that portion to be subject to taxation, or other mutually agreeable compensation.

The board of education shall certify its resolution to the board of township trustees not later than fourteen days prior to the date the board of township trustees intends to adopt the resolution as indicated in the notice. If the board of education and the board of township trustees negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for the number of years specified in the resolution or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified in the resolution. In either case, if the board of education and the board of township trustees fail to negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board of education fails to certify a resolution to the board of township trustees within the time prescribed by this section, the board of township trustees thereupon may adopt the resolution and may declare the improvements a public purpose for up to thirty years or, in the case of exemption percentages proposed in excess of seventy-five per cent, for the exemption percentage specified in the resolution. The board of township trustees may adopt the resolution at any time after the board of education certifies its resolution approving the exemption to the board of township trustees, or, if the board of education approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board of education and the board of township trustees. If a mutually acceptable compensation agreement is negotiated between the board of township trustees and the board of education, including agreements for payments in lieu of taxes under section 5709.74 of the Revised Code, the board of township trustees shall compensate the joint vocational school district within which the parcel or district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of such exemptions by the board of education is not required under division (D) of this section. If a board of education has adopted a resolution allowing a board of township trustees to deliver the notice required under division (D) of this section fewer than forty-five business days prior to adoption of the resolution by the board of township trustees, the board of township trustees shall deliver the notice to the board of education not later than the number of days prior to the adoption as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve exemptions or shortening the notification period, the board of education shall certify a copy of the resolution to the board of township trustees. If the board of education rescinds the resolution, it shall certify notice of the rescission to the board of township trustees.

If the board of township trustees is not required by division (D) of this section to notify the

board of education of the board of township trustees' intent to declare improvements to be a public purpose, the board of township trustees shall comply with the notice requirements imposed under section 5709.83 of the Revised Code before taking formal action to adopt the resolution making that declaration, unless the board of education has adopted a resolution under that section waiving its right to receive the notice.

(E)(1) If a proposed resolution under division (C)(1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the resolution the board of township trustees shall deliver to the board of county commissioners of the county within which the incentive district is or will be located a notice that states its intent to adopt a resolution creating an incentive district. The notice shall include a copy of the proposed resolution, identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period of time for which the improvements would be exempted from taxation, specify the percentage of the improvements that would be exempted from taxation, and indicate the date on which the board of township trustees intends to adopt the resolution.

(2) The board of county commissioners, by resolution adopted by a majority of the board, may object to the exemption for the number of years in excess of ten, may object to the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both. If the board of county commissioners objects, the board may negotiate a mutually acceptable compensation agreement with the board of township trustees. In no case shall the compensation provided to the board of county commissioners exceed the property taxes foregone due to the exemption. If the board of county commissioners objects, and the board of county commissioners and board of township trustees fail to negotiate a mutually acceptable compensation agreement, the resolution adopted under division (C)(1) of this section shall provide to the board of county commissioners compensation in the eleventh and subsequent years of the exemption period equal in value to not more than fifty per cent of the taxes that would be payable to the county or, if the board of county commissioner's objection includes an objection to an exemption percentage in excess of seventy-five per cent, compensation equal in value to not more than fifty per cent of the taxes that would be payable to the county, on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation. The board of county commissioners shall certify its resolution to the board of township trustees not later than thirty days after receipt of the notice.

(3) If the board of county commissioners does not object or fails to certify its resolution objecting to an exemption within thirty days after receipt of the notice, the board of township trustees may adopt its resolution, and no compensation shall be provided to the board of county commissioners. If the board of county commissioners timely certifies its resolution objecting to the trustees' resolution, the board of township trustees may adopt its resolution at any time after a mutually acceptable compensation agreement is agreed to by the board of county commissioners and the board of township trustees, or, if no compensation agreement is negotiated, at any time after the board of township trustees agrees in the proposed resolution to provide compensation to the board of county commissioners of fifty per cent of the taxes that would be payable to the county in the eleventh and subsequent years of the exemption period or on the portion of the improvement in

excess of seventy-five per cent, were that portion to be subject to taxation.

(F) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to a resolution creating an incentive district under division (C)(1) of this section that is adopted on or after January 1, 2006, shall be distributed to the appropriate taxing authority as required under division (C) of section 5709.74 of the Revised Code in an amount equal to the amount of taxes from that additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (C) of this section:

(1) A tax levied under division (L) of section 5705.19 or section 5705.191 of the Revised Code for community ~~mental-retardation-and~~ developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the Revised Code for providing or maintaining senior citizens services or facilities;

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or families;

(5) A tax levied under section 5705.23 of the Revised Code for library purposes;

(6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of children;

(7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;

(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;

(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;

(11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;

(12) A tax levied under section 3709.29 of the Revised Code for a general health district program.

(G) An exemption from taxation granted under this section commences with the tax year specified in the resolution so long as the year specified in the resolution commences after the effective date of the resolution. If the resolution specifies a year commencing before the effective date of the resolution or specifies no year whatsoever, the exemption commences with the tax year in which an exempted improvement first appears on the tax list and duplicate of real and public utility property and that commences after the effective date of the resolution. In lieu of stating a specific

year, the resolution may provide that the exemption commences in the tax year in which the value of an improvement exceeds a specified amount or in which the construction of one or more improvements is completed, provided that such tax year commences after the effective date of the resolution. With respect to the exemption of improvements to parcels under division (B) of this section, the resolution may allow for the exemption to commence in different tax years on a parcel-by-parcel basis, with a separate exemption term specified for each parcel.

Except as otherwise provided in this division, the exemption ends on the date specified in the resolution as the date the improvement ceases to be a public purpose or the incentive district expires, or ends on the date on which the public infrastructure improvements and housing renovations are paid in full from the township public improvement tax increment equivalent fund established under section 5709.75 of the Revised Code, whichever occurs first. The exemption of an improvement with respect to a parcel or within an incentive district may end on a later date, as specified in the resolution, if the board of township trustees and the board of education of the city, local, or exempted village school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement and the board of education has approved the term of the exemption under division (D) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. The board of township trustees may, by majority vote, adopt a resolution permitting the township to enter into such agreements as the board finds necessary or appropriate to provide for the construction or undertaking of public infrastructure improvements and housing renovations. Any exemption shall be claimed and allowed in the same or a similar manner as in the case of other real property exemptions. If an exemption status changes during a tax year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(H) The board of township trustees may issue the notes of the township to finance all costs pertaining to the construction or undertaking of public infrastructure improvements and housing renovations made pursuant to this section. The notes shall be signed by the board and attested by the signature of the township fiscal officer, shall bear interest not to exceed the rate provided in section 9.95 of the Revised Code, and are not subject to Chapter 133. of the Revised Code. The resolution authorizing the issuance of the notes shall pledge the funds of the township public improvement tax increment equivalent fund established pursuant to section 5709.75 of the Revised Code to pay the interest on and principal of the notes. The notes, which may contain a clause permitting prepayment at the option of the board, shall be offered for sale on the open market or given to the vendor or contractor if no sale is made.

(I) The township, not later than fifteen days after the adoption of a resolution under this section, shall submit to the director of development services a copy of the resolution. On or before the thirty-first day of March of each year, the township shall submit a status report to the director of development services. The report shall indicate, in the manner prescribed by the director, the progress of the project during each year that the exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the fund created under section 5709.75 of the Revised Code; a description of the public infrastructure improvements and housing renovations financed with the expenditures; and a quantitative summary of changes in private investment resulting from each project.

(J) Nothing in this section shall be construed to prohibit a board of township trustees from declaring to be a public purpose improvements with respect to more than one parcel.

If a parcel is located in a new community district in which the new community authority imposes a community development charge on the basis of rentals received from leases of real property as described in division (L)(2) of section 349.01 of the Revised Code, the parcel may not be exempted from taxation under this section.

(K) A board of township trustees that adopted a resolution under this section prior to July 21, 1994, may amend that resolution to include any additional public infrastructure improvement. A board of township trustees that seeks by the amendment to utilize money from its township public improvement tax increment equivalent fund for land acquisition in aid of industry, commerce, distribution, or research, demolition on private property, or stormwater and flood remediation projects may do so provided that the board currently is a party to a hold-harmless agreement with the board of education of the city, local, or exempted village school district within the territory of which are located the parcels that are subject to an exemption. For the purposes of this division, a "hold-harmless agreement" means an agreement under which the board of township trustees agrees to compensate the school district for one hundred per cent of the tax revenue that the school district would have received from further improvements to parcels designated in the resolution were it not for the exemption granted by the resolution.

Sec. 5709.78. (A) A board of county commissioners may, by resolution, declare improvements to certain parcels of real property located in the unincorporated territory of the county to be a public purpose. Except with the approval under division (C) of this section of the board of education of each city, local, or exempted village school district within which the improvements are located, not more than seventy-five per cent of an improvement thus declared to be a public purpose may be exempted from real property taxation, for a period of not more than ten years. The resolution shall specify the percentage of the improvement to be exempted and the life of the exemption.

A resolution adopted under this division shall designate the specific public infrastructure improvements made, to be made, or in the process of being made by the county that directly benefit, or that once made will directly benefit, the parcels for which improvements are declared to be a public purpose. The service payments provided for in section 5709.79 of the Revised Code shall be used to finance the public infrastructure improvements designated in the resolution, or as provided in section 5709.80 of the Revised Code.

(B)(1) A board of county commissioners may adopt a resolution creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division (E) of this section, exempt from taxation as provided in this section, but no board of county commissioners of a county that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, shall adopt a resolution that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the county that would have been taxable in the preceding year were it not for the fact that the property was in an existing incentive district and therefore exempt from taxation exceeds twenty-five per cent of the taxable value of real property in the county for the preceding tax year. The district shall be located within the unincorporated territory of the county and shall not include any territory that is included within a

district created under division (C) of section 5709.73 of the Revised Code. The resolution shall delineate the boundary of the district and specifically identify each parcel within the district. A district may not include any parcel that is or has been exempted from taxation under division (A) of this section or that is or has been within another district created under this division. A resolution may create more than one such district, and more than one resolution may be adopted under division (B)(1) of this section.

(2) Not later than thirty days prior to adopting a resolution under division (B)(1) of this section, if the county intends to apply for exemptions from taxation under section 5709.911 of the Revised Code on behalf of owners of real property located within the proposed incentive district, the board of county commissioners shall conduct a public hearing on the proposed resolution. Not later than thirty days prior to the public hearing, the board shall give notice of the public hearing and the proposed resolution by first class mail to every real property owner whose property is located within the boundaries of the proposed incentive district that is the subject of the proposed resolution. The board also shall provide the notice by first class mail to the clerk of each township in which the proposed incentive district will be located.

(3)(a) A resolution adopted under division (B)(1) of this section shall specify the life of the incentive district and the percentage of the improvements to be exempted, shall designate the public infrastructure improvements made, to be made, or in the process of being made, that benefit or serve, or, once made, will benefit or serve parcels in the district. The resolution also shall identify one or more specific projects being, or to be, undertaken in the district that place additional demand on the public infrastructure improvements designated in the resolution. The project identified may, but need not be, the project under division (B)(3)(b) of this section that places real property in use for commercial or industrial purposes.

A resolution adopted under division (B)(1) of this section on or after March 30, 2006, shall not designate police or fire equipment as public infrastructure improvements, and no service payment provided for in section 5709.79 of the Revised Code and received by the county under the resolution shall be used for police or fire equipment.

(b) A resolution adopted under division (B)(1) of this section may authorize the use of service payments provided for in section 5709.79 of the Revised Code for the purpose of housing renovations within the incentive district, provided that the resolution also designates public infrastructure improvements that benefit or serve the district, and that a project within the district places real property in use for commercial or industrial purposes. Service payments may be used to finance or support loans, deferred loans, and grants to persons for the purpose of housing renovations within the district. The resolution shall designate the parcels within the district that are eligible for housing renovations. The resolution shall state separately the amount or the percentages of the expected aggregate service payments that are designated for each public infrastructure improvement and for the purpose of housing renovations.

(4) Except with the approval of the board of education of each city, local, or exempted village school district within the territory of which the incentive district is or will be located, and subject to division (D) of this section, the life of an incentive district shall not exceed ten years, and the percentage of improvements to be exempted shall not exceed seventy-five per cent. With approval of the board of education, the life of a district may be not more than thirty years, and the percentage of

improvements to be exempted may be not more than one hundred per cent. The approval of a board of education shall be obtained in the manner provided in division (C) of this section.

(C)(1) Improvements with respect to a parcel may be exempted from taxation under division (A) of this section, and improvements to parcels within an incentive district may be exempted from taxation under division (B) of this section, for up to ten years or, with the approval of the board of education of each city, local, or exempted village school district within which the parcel or district is located, for up to thirty years. The percentage of the improvements exempted from taxation may, with such approval, exceed seventy-five per cent, but shall not exceed one hundred per cent. Not later than forty-five business days prior to adopting a resolution under this section declaring improvements to be a public purpose that is subject to the approval of a board of education under this division, the board of county commissioners shall deliver to the board of education a notice stating its intent to adopt a resolution making that declaration. The notice regarding improvements with respect to a parcel under division (A) of this section shall identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period for which the improvements would be exempted from taxation and the percentage of the improvements that would be exempted, and indicate the date on which the board of county commissioners intends to adopt the resolution. The notice regarding improvements to parcels within an incentive district under division (B) of this section shall delineate the boundaries of the district, specifically identify each parcel within the district, identify each anticipated improvement in the district, provide an estimate of the true value in money of each such improvement, specify the life of the district and the percentage of improvements that would be exempted, and indicate the date on which the board of county commissioners intends to adopt the resolution. The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice; may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvements to be exempted in excess of seventy-five per cent, or both; or may approve the exemption on the condition that the board of county commissioners and the board of education negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period or, in the case of exemption percentages in excess of seventy-five per cent, compensation equal in value to a percentage of the taxes that would be payable on the portion of the improvements in excess of seventy-five per cent were that portion to be subject to taxation, or other mutually agreeable compensation.

(2) The board of education shall certify its resolution to the board of county commissioners not later than fourteen days prior to the date the board of county commissioners intends to adopt its resolution as indicated in the notice. If the board of education and the board of county commissioners negotiate a mutually acceptable compensation agreement, the resolution of the board of county commissioners may declare the improvements a public purpose for the number of years specified in that resolution or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified in the resolution. In either case, if the board of education and the board of county commissioners fail to negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board of education

fails to certify a resolution to the board of county commissioners within the time prescribed by this section, the board of county commissioners thereupon may adopt the resolution and may declare the improvements a public purpose for up to thirty years or, in the case of exemption percentages proposed in excess of seventy-five per cent, for the exemption percentage specified in the resolution. The board of county commissioners may adopt the resolution at any time after the board of education certifies its resolution approving the exemption to the board of county commissioners, or, if the board of education approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board of education and the board of county commissioners. If a mutually acceptable compensation agreement is negotiated between the board of county commissioners and the board of education, including agreements for payments in lieu of taxes under section 5709.79 of the Revised Code, the board of county commissioners shall compensate the joint vocational school district within which the parcel or district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

(3) If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of such exemptions by the board of education is not required under division (C) of this section. If a board of education has adopted a resolution allowing a board of county commissioners to deliver the notice required under division (C) of this section fewer than forty-five business days prior to approval of the resolution by the board of county commissioners, the board of county commissioners shall deliver the notice to the board of education not later than the number of days prior to such approval as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve exemptions or shortening the notification period, the board of education shall certify a copy of the resolution to the board of county commissioners. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the board of county commissioners.

(D)(1) If a proposed resolution under division (B)(1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the resolution the board of county commissioners shall deliver to the board of township trustees of any township within which the incentive district is or will be located a notice that states its intent to adopt a resolution creating an incentive district. The notice shall include a copy of the proposed resolution, identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period of time for which the improvements would be exempted from taxation, specify the percentage of the improvements that would be exempted from taxation, and indicate the date on which the board intends to adopt the resolution.

(2) The board of township trustees, by resolution adopted by a majority of the board, may object to the exemption for the number of years in excess of ten, may object to the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both. If the board of township trustees objects, the board of township trustees may negotiate a mutually acceptable compensation agreement with the board of county commissioners. In no case shall the compensation provided to the board of township trustees exceed the property taxes forgone due to the

exemption. If the board of township trustees objects, and the board of township trustees and the board of county commissioners fail to negotiate a mutually acceptable compensation agreement, the resolution adopted under division (B)(1) of this section shall provide to the board of township trustees compensation in the eleventh and subsequent years of the exemption period equal in value to not more than fifty per cent of the taxes that would be payable to the township or, if the board of township trustee's objection includes an objection to an exemption percentage in excess of seventy-five per cent, compensation equal in value to not more than fifty per cent of the taxes that would be payable to the township on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation. The board of township trustees shall certify its resolution to the board of county commissioners not later than thirty days after receipt of the notice.

(3) If the board of township trustees does not object or fails to certify a resolution objecting to an exemption within thirty days after receipt of the notice, the board of county commissioners may adopt its resolution, and no compensation shall be provided to the board of township trustees. If the board of township trustees certifies its resolution objecting to the commissioners' resolution, the board of county commissioners may adopt its resolution at any time after a mutually acceptable compensation agreement is agreed to by the board of county commissioners and the board of township trustees. If the board of township trustees certifies a resolution objecting to the commissioners' resolution, the board of county commissioners may adopt its resolution at any time after a mutually acceptable compensation agreement is agreed to by the board of county commissioners and the board of township trustees, or, if no compensation agreement is negotiated, at any time after the board of county commissioners in the proposed resolution to provide compensation to the board of township trustees of fifty per cent of the taxes that would be payable to the township in the eleventh and subsequent years of the exemption period or on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation.

(E) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to a resolution creating an incentive district under division (B)(1) of this section that is adopted on or after January 1, 2006, shall be distributed to the appropriate taxing authority as required under division (D) of section 5709.79 of the Revised Code in an amount equal to the amount of taxes from that additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (B) of this section:

(1) A tax levied under division (L) of section 5705.19 or section 5705.191 of the Revised Code for community ~~mental retardation and~~ developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the Revised Code for providing or maintaining senior citizens services or facilities;

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or facilities;

- (5) A tax levied under section 5705.23 of the Revised Code for library purposes;
- (6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of children;
- (7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;
- (8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;
- (9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;
- (10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;
- (11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;
- (12) A tax levied under section 3709.29 of the Revised Code for a general health district program.

(F) An exemption from taxation granted under this section commences with the tax year specified in the resolution so long as the year specified in the resolution commences after the effective date of the resolution. If the resolution specifies a year commencing before the effective date of the resolution or specifies no year whatsoever, the exemption commences with the tax year in which an exempted improvement first appears on the tax list and duplicate of real and public utility property and that commences after the effective date of the resolution. In lieu of stating a specific year, the resolution may provide that the exemption commences in the tax year in which the value of an improvement exceeds a specified amount or in which the construction of one or more improvements is completed, provided that such tax year commences after the effective date of the resolution. With respect to the exemption of improvements to parcels under division (A) of this section, the resolution may allow for the exemption to commence in different tax years on a parcel-by-parcel basis, with a separate exemption term specified for each parcel.

Except as otherwise provided in this division, the exemption ends on the date specified in the resolution as the date the improvement ceases to be a public purpose or the incentive district expires, or ends on the date on which the county can no longer require annual service payments in lieu of taxes under section 5709.79 of the Revised Code, whichever occurs first. The exemption of an improvement with respect to a parcel or within an incentive district may end on a later date, as specified in the resolution, if the board of commissioners and the board of education of the city, local, or exempted village school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement, and the board of education has approved the term of the exemption under division (C) (1) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. Exemptions shall be claimed and allowed in the same or a similar manner as in the case of other real property exemptions. If an exemption status changes during a tax year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax

exemption status during the year.

(G) If the board of county commissioners is not required by this section to notify the board of education of the board of county commissioners' intent to declare improvements to be a public purpose, the board of county commissioners shall comply with the notice requirements imposed under section 5709.83 of the Revised Code before taking formal action to adopt the resolution making that declaration, unless the board of education has adopted a resolution under that section waiving its right to receive such a notice.

(H) The county, not later than fifteen days after the adoption of a resolution under this section, shall submit to the director of development services a copy of the resolution. On or before the thirty-first day of March of each year, the county shall submit a status report to the director of development services. The report shall indicate, in the manner prescribed by the director, the progress of the project during each year that an exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the fund created under section 5709.80 of the Revised Code; a description of the public infrastructure improvements and housing renovations financed with such expenditures; and a quantitative summary of changes in employment and private investment resulting from each project.

(I) Nothing in this section shall be construed to prohibit a board of county commissioners from declaring to be a public purpose improvements with respect to more than one parcel.

(J) If a parcel is located in a new community district in which the new community authority imposes a community development charge on the basis of rentals received from leases of real property as described in division (L)(2) of section 349.01 of the Revised Code, the parcel may not be exempted from taxation under this section.

Sec. 5711.07. Personal property used in business shall be listed and assessed in the taxing district in which such business is carried on. If such business is carried on in more than one taxing district in the same county, the return shall set forth the amount of the property used therein which is situated in each taxing district in such county, and the value of all the personal property used in business shall be apportioned to and assessed in each of such taxing districts in proportion to the value of the personal property situated therein. Domestic animals not used in business shall be listed and assessed in the taxing district where kept. Ships, vessels, boats, and aircraft, and shares and interests therein, shall be listed and assessed in the taxing district in which the owner resides. All other taxable property shall be listed and assessed in the municipal corporation in which the owner resides, or, if the owner resides outside a municipal corporation, then in the county in which the owner resides except as provided in sections 5711.01 to 5711.36 of the Revised Code. Whenever, under such sections, taxable property required by this section to be listed and assessed in the taxing district or county in which the owner resides is required to be listed by a fiduciary, such property shall be listed and assessed by such fiduciary in the taxing district or county in which such fiduciary resides, or, in the case of joint fiduciaries, in which either such fiduciary resides; but such property belonging to the estate of a deceased resident of this state shall be listed and assessed in the taxing district or county in which the deceased resident resided at the time of death, regardless of the residence of the deceased resident's executors, administrators, or personal representatives, and such property belonging to a ward, minor, incompetent person, or beneficiary of a trust residing in this state, title, custody, or possession of which is vested in a nonresident fiduciary, shall be listed and

assessed in the taxing district or county in which such ward, minor, incompetent person, or beneficiary resides.

As used in this section, "incompetent person" means a person who is so mentally impaired, as a result of a mental or physical illness or disability, ~~or mental retardation~~ as a result of an intellectual disability, or as a result of chronic substance abuse, that the person is incapable of taking proper care of the person's self or property or fails to provide for the person's family or other persons for whom the person is charged by law to provide.

Sec. 5747.03. (A) All money collected under this chapter arising from the taxes imposed by section 5747.02 or 5747.41 of the Revised Code shall be credited to the general revenue fund, except that the treasurer of state shall, at the beginning of each calendar quarter, credit to the Ohio political party fund, pursuant to section 3517.16 of the Revised Code, an amount equal to the total dollar value realized from the taxpayer exercise of the income tax checkoff option on tax forms processed during the preceding calendar quarter.

(B)(1) Following the crediting of moneys pursuant to division (A) of this section, the remainder deposited in the general revenue fund shall be distributed pursuant to division (F) of section 321.24 and section 323.156 of the Revised Code; to make subsidy payments to institutions of higher education from appropriations to the Ohio board of regents; to support expenditures for programs and services for the mentally ill, ~~mentally retarded, developmentally disabled persons with developmental disabilities~~, and the elderly; for primary and secondary education; for medical assistance; and for any other purposes authorized by law, subject to the limitation that at least fifty per cent of the income tax collected by the state from the tax imposed by section 5747.02 of the Revised Code shall be returned pursuant to Section 9 of Article XII, Ohio Constitution.

(2) To ensure that such constitutional requirement is satisfied the tax commissioner shall, on or before the thirtieth day of June of each year, from the best information available to the tax commissioner, determine and certify for each county to the director of budget and management the amount of taxes collected under this chapter from the tax imposed under section 5747.02 of the Revised Code during the preceding calendar year that are required to be returned to the county by Section 9 of Article XII, Ohio Constitution. The director shall provide for payment from the general revenue fund to the county in the amount, if any, that the sum of the amount so certified for that county exceeds the sum of the following:

(a) The sum of the payments from the general revenue fund for the preceding calendar year credited to the county's undivided income tax fund pursuant to division (F) of section 321.24 and section 323.156 of the Revised Code or made directly from the general revenue fund to political subdivisions located in the county;

(b) The sum of the amounts from the general revenue fund distributed in the county during the preceding calendar year for subsidy payments to institutions of higher education from appropriations to the Ohio board of regents; for programs and services for mentally ill persons, ~~mentally retarded, developmentally disabled persons with developmental disabilities~~, and elderly persons; for primary and secondary education; and for medical assistance.

(c) In the case of payments made by the director under this division in 2007, the total amount distributed to the county during the preceding calendar year from the local government fund and the local government revenue assistance fund, and, in the case of payments made by the director under

this division in subsequent calendar years, the amount distributed to the county from the local government fund;

(d) In the case of payments made by the director under this division, the total amount distributed to the county during the preceding calendar year from the public library fund.

Payments under this division shall be credited to the county's undivided income tax fund, except that, notwithstanding section 5705.14 of the Revised Code, such payments may be transferred by the board of county commissioners to the county general fund by resolution adopted with the affirmative vote of two-thirds of the members thereof.

(C) All payments received in each month from taxes imposed under Chapter 5748. of the Revised Code and any penalties or interest thereon shall be paid into the school district income tax fund, which is hereby created in the state treasury, except that an amount equal to the following portion of such payments shall be paid into the general school district income tax administrative fund, which is hereby created in the state treasury:

(1) One and three-quarters of one per cent of those received in fiscal year 1996;

(2) One and one-half per cent of those received in fiscal year 1997 and thereafter.

Money in the school district income tax administrative fund shall be used by the tax commissioner to defray costs incurred in administering the school district's income tax, including the cost of providing employers with information regarding the rate of tax imposed by any school district. Any moneys remaining in the fund after such use shall be deposited in the school district income tax fund.

All interest earned on moneys in the school district income tax fund shall be credited to the fund.

(D)(1)(a) Within thirty days of the end of each calendar quarter ending on the last day of March, June, September, and December, the director of budget and management shall make a payment from the school district income tax fund to each school district for which school district income tax revenue was received during that quarter. The amount of the payment shall equal the balance in the school district's account at the end of that quarter.

(b) After a school district ceases to levy an income tax, the director of budget and management shall adjust the payments under division (D)(1)(a) of this section to retain sufficient money in the school district's account to pay refunds. For the calendar quarters ending on the last day of March and December of the calendar year following the last calendar year the tax is levied, the director shall make the payments in the amount required under division (D)(1)(a) of this section. For the calendar quarter ending on the last day of June of the calendar year following the last calendar year the tax is levied, the director shall make a payment equal to nine-tenths of the balance in the account at the end of that quarter. For the calendar quarter ending on the last day of September of the calendar year following the last calendar year the tax is levied, the director shall make no payment. For the second and succeeding calendar years following the last calendar year the tax is levied, the director shall make one payment each year, within thirty days of the last day of June, in an amount equal to the balance in the district's account on the last day of June.

(2) Moneys paid to a school district under this division shall be deposited in its school district income tax fund. All interest earned on moneys in the school district income tax fund shall be apportioned by the tax commissioner pro rata among the school districts in the proportions and at the

times the districts are entitled to receive payments under this division.

Sec. 5815.28. (A) As used in this section:

(2) "Disability" means any substantial, medically determinable impairment that can be expected to result in death or that has lasted or can be expected to last for a continuous period of at least twelve months, except that "disability" does not include an impairment that is the result of abuse of alcohol or drugs.

(3) "Political subdivision" and "state" have the same meanings as in section 2744.01 of the Revised Code.

(4) "Supplemental services" means services specified by rule of the department of mental health and addiction services under section 5119.10 of the Revised Code or the department of developmental disabilities under section 5123.04 of the Revised Code that are provided to an individual with a disability in addition to services the individual is eligible to receive under programs authorized by federal or state law.

(B) Any person may create a trust under this section to provide funding for supplemental services for the benefit of another individual who meets either of the following conditions:

(1) The individual has a physical or mental disability and is eligible to receive services through the department of developmental disabilities or a county board of developmental disabilities;

(2) The individual has a mental disability and is eligible to receive services through the department of mental health and addiction services or a board of alcohol, drug addiction, and mental health services.

The trust may confer discretion upon the trustee and may contain specific instructions or conditions governing the exercise of the discretion.

(C) The general division of the court of common pleas and the probate court of the county in which the beneficiary of a trust authorized by division (B) of this section resides or is confined have concurrent original jurisdiction to hear and determine actions pertaining to the trust. In any action pertaining to the trust in a court of common pleas or probate court and in any appeal of the action, all of the following apply to the trial or appellate court:

(1) The court shall render determinations consistent with the testator's or other settlor's intent in creating the trust, as evidenced by the terms of the trust instrument.

(2) The court may order the trustee to exercise discretion that the trust instrument confers upon the trustee only if the instrument contains specific instructions or conditions governing the exercise of that discretion and the trustee has failed to comply with the instructions or conditions. In issuing an order pursuant to this division, the court shall require the trustee to exercise the trustee's discretion only in accordance with the instructions or conditions.

(3) The court may order the trustee to maintain the trust and distribute assets in accordance with rules adopted by the director of mental health and addiction services under section 5119.10 of the Revised Code or the director of developmental disabilities under section 5123.04 of the Revised Code if the trustee has failed to comply with such rules.

(D) To the extent permitted by federal law and subject to the provisions of division (C)(2) of

this section pertaining to the enforcement of specific instructions or conditions governing a trustee's discretion, a trust authorized by division (B) of this section that confers discretion upon the trustee shall not be considered an asset or resource of the beneficiary, the beneficiary's estate, the settlor, or the settlor's estate and shall be exempt from the claims of creditors, political subdivisions, the state, other governmental entities, and other claimants against the beneficiary, the beneficiary's estate, the settlor, or the settlor's estate, including claims regarding the medicaid program or based on provisions of Chapters 5121. or 5123. of the Revised Code and claims sought to be satisfied by way of a civil action, subrogation, execution, garnishment, attachment, judicial sale, or other legal process, if all of the following apply:

(1) At the time the trust is created, the trust principal does not exceed the maximum amount determined under division (E) of this section;

(2) The trust instrument contains a statement of the settlor's intent, or otherwise clearly evidences the settlor's intent, that the beneficiary does not have authority to compel the trustee under any circumstances to furnish the beneficiary with minimal or other maintenance or support, to make payments from the principal of the trust or from the income derived from the principal, or to convert any portion of the principal into cash, whether pursuant to an ascertainable standard specified in the instrument or otherwise;

(3) The trust instrument provides that trust assets can be used only to provide supplemental services, as defined by rule of the director of mental health and addiction services under section 5119.10 of the Revised Code or the director of developmental disabilities under section 5123.04 of the Revised Code, to the beneficiary;

(4) The trust is maintained and assets are distributed in accordance with rules adopted by the director of mental health and addiction services under section 5119.10 of the Revised Code or the director of developmental disabilities under section 5123.04 of the Revised Code;

(5) The trust instrument provides that on the death of the beneficiary, a portion of the remaining assets of the trust, which shall be not less than fifty per cent of such assets, will be deposited to the credit of the services fund for individuals with mental illness created by section 5119.51 of the Revised Code or the services fund for individuals with ~~mental retardation and~~ developmental disabilities created by section 5123.40 of the Revised Code.

(E) In 1994, the trust principal maximum amount for a trust created under this section shall be two hundred thousand dollars. The maximum amount for a trust created under this section prior to November 11, 1994, may be increased to two hundred thousand dollars.

In 1995, the maximum amount for a trust created under this section shall be two hundred two thousand dollars. Each year thereafter, the maximum amount shall be the prior year's amount plus two thousand dollars.

(F) This section does not limit or otherwise affect the creation, validity, interpretation, or effect of any trust that is not created under this section.

(G) Once a trustee takes action on a trust created by a settlor under this section and disburses trust funds on behalf of the beneficiary of the trust, then the trust may not be terminated or otherwise revoked by a particular event or otherwise without payment into the services fund created pursuant to section 5119.51 or 5123.40 of the Revised Code of an amount that is equal to the disbursements made on behalf of the beneficiary for medical care by the state from the date the trust vests but that is

not more than fifty per cent of the trust corpus.

Sec. 5815.35. (A)(1) As used in this division, "fiduciary" means any person, association, or corporation, other than a trustee of a testamentary trust, an assignee or trustee for an insolvent debtor, or a guardian under Chapter 5905. of the Revised Code, that is appointed by and accountable to the probate court, and that is acting in a fiduciary capacity for another or charged with duties in relation to any property, interest, or estate for another's benefit. A fiduciary also includes an agency under contract with the department of developmental disabilities for the provision of protective service under sections 5123.55 to 5123.59 of the Revised Code, when appointed by and accountable to the probate court as a guardian or trustee for a ~~mentally retarded or developmentally disabled person~~ with a developmental disability.

(2) A fiduciary who enters a contract as fiduciary on or after March 22, 1984, is not personally liable on that contract, unless the contract otherwise specifies, if the contract is within the fiduciary's authority and the fiduciary discloses that the contract is being entered into in a fiduciary capacity. In a contract, the words "fiduciary" or "as fiduciary" or other words that indicate one's fiduciary capacity following the name or signature of a fiduciary are sufficient disclosure for purposes of this division.

(B)(1) As used in this division, "partnership" includes a partnership composed of only general partners and a partnership composed of general and limited partners.

(2) Subject to division (D) of this section, an executor or administrator who acquires, in a fiduciary capacity, a general partnership interest upon the death of a general partner of a partnership is not personally liable for any debt, obligation, or liability of the partnership that arises from the executor's or administrator's actions, except as provided in this division, as a general partner, or for any debt, obligation, or liability of the partnership for which the executor or administrator otherwise would be personally liable because the executor or administrator holds the general partnership interest, if the executor or administrator discloses that the general partnership interest is held by the executor or administrator in a fiduciary capacity. This immunity does not apply if an executor or administrator causes loss or injury to a person who is not a partner in the partnership by a wrongful act or omission. This immunity is not available to an executor or administrator who holds a general partnership interest in a fiduciary capacity if the spouse or any lineal descendants of the executor or administrator, or the executor or administrator other than in a fiduciary capacity, holds any interest in the partnership.

A partnership certificate that is filed pursuant to Chapter 1777. or another chapter of the Revised Code and that indicates that an executor or administrator holds a general partnership interest in a fiduciary capacity by the use following the name or signature of the executor or administrator of the words "executor under the will of (name of decedent)" or "administrator of the estate of (name of decedent)" or other words that indicate the executor's or administrator's fiduciary capacity constitutes a sufficient disclosure for purposes of this division.

If a partnership certificate is not required to be filed pursuant to Chapter 1776. or 1777. or another chapter of the Revised Code, a sufficient disclosure for purposes of this division can be made by an executor or administrator if a certificate that satisfies the following requirements is filed with the recorder of the county in which the partnership's principal office or place of business is situated and with the recorder of each county in which the partnership owns real estate:

(a) The certificate shall state in full the names of all persons holding interests in the partnership and their places of residence;

(b) The certificate shall be signed by all persons who are general partners in the partnership, and shall be acknowledged by a person authorized to take acknowledgements of deeds;

(c) The certificate shall use the words "executor under the will of (name of decedent)" or "administrator of the estate of (name of decedent)" or other words that indicate the executor's or administrator's fiduciary capacity, following the name or signature of the executor or administrator.

A contract or other written instrument delivered to a party that contracts with the partnership in which an executor or administrator holds a general partnership interest in a fiduciary capacity, that indicates that the executor or administrator so holds the interest, constitutes a disclosure for purposes of this division with respect to transactions between the party and the partnership. If a disclosure has been made by a certificate in accordance with this division, a disclosure for purposes of this division with respect to such transactions exists regardless of whether a contract or other instrument indicates the executor or administrator holds the general partnership interest in a fiduciary capacity.

If an executor or administrator acquires, in a fiduciary capacity, a general partnership interest, the decedent's estate is liable for debts, obligations, or liabilities of the partnership.

(C) An estate that includes a general partnership interest is not liable for the debts, obligations, or liabilities of a partnership in which another estate has a general partnership interest, merely because the executor or administrator of the estates holds a general partnership interest in both of the partnerships in the executor's or administrator's fiduciary capacities.

(D) Divisions (B) and (C) of this section apply to general partnership interests held by executors or administrators in their fiduciary capacities prior to and on or after March 22, 1984. If an appropriate disclosure is made pursuant to division (B) of this section, the immunity acquired under that division extends only to debts, obligations, and liabilities of the partnership arising on and after the date of the disclosure and to debts, obligations, and liabilities of the partnership that arose prior to the acquisition of the general partnership interest by the executor or administrator becoming a general partner.

(E) The liability limitations in this section apply to fiduciaries as partners notwithstanding the broader personal liabilities otherwise imposed by any partnership law.

(F) If an estate or other fund held by a fiduciary is identified as a partner, the reference is deemed to be to, and the partner is, the current executor, administrator, or other fiduciary of the estate or other fund and their successors as executors, administrators, or other fiduciaries.

SECTION 2. That existing sections 1.02, 121.22, 121.37, 135.801, 145.01, 145.012, 145.298, 145.332, 149.431, 152.04, 173.25, 173.27, 173.38, 173.381, 305.07, 307.02, 313.12, 325.07, 711.23, 1751.01, 1751.14, 2101.17, 2101.24, 2108.521, 2109.01, 2111.01, 2111.10, 2111.49, 2151.011, 2151.281, 2151.353, 2151.414, 2151.415, 2151.421, 2151.425, 2151.651, 2152.02, 2152.12, 2152.14, 2152.51, 2152.52, 2152.54, 2152.56, 2152.811, 2305.111, 2311.14, 2317.021, 2503.37, 2721.05, 2744.01, 2901.13, 2903.341, 2905.32, 2907.24, 2919.23, 2929.01, 2929.04, 2929.06, 2930.061, 2930.16, 2945.37, 2945.371, 2945.38, 2945.39, 2945.40, 2945.401, 2945.482, 2945.491, 2949.29, 2950.01, 2951.041, 2967.22, 3107.02, 3301.52, 3301.53, 3301.55, 3301.57, 3301.58, 3314.022, 3317.02, 3317.024, 3317.03, 3317.032, 3317.07, 3317.15, 3317.20, 3323.01, 3323.02, 3323.021, 3323.03, 3323.04, 3323.05, 3323.09, 3323.091, 3323.12, 3323.141, 3323.142, 3701.881,
