The resolution shall be confined to the purpose or purposes described in one division of this section, to which the revenue derived therefrom shall be applied. The existence in any other division of this section of authority to levy a tax for any part or all of the same purpose or purposes does not preclude the use of such revenues for any part of the purpose or purposes of the division under which the resolution is adopted.

The resolution shall specify the amount of the increase in rate that it is necessary to levy, the purpose of that increase in rate, and the number of years during which the increase in rate shall be in effect, which may or may not include a levy upon the duplicate of the current year. The number of years may be any number not exceeding five, except as follows:

(1) When the additional rate is for the payment of debt charges, the increased rate shall be for the life of the indebtedness.

(2) When the additional rate is for any of the following, the increased rate shall be for a continuing period of time:

(a) For the current expenses for a detention facility district, a district organized under section 2151.65 of the Revised Code, or a combined district organized under sections 2151.65 and 2152.41 of the Revised Code;

(b) For providing a county's share of the cost of maintaining and operating schools, district detention facilities, forestry camps, or other facilities, or any combination thereof, established under section 2151.65 or 2152.41 of the Revised Code or under both of those sections.

(3) When the additional rate is for either of the following, the increased rate may be for a continuing period of time:

(a) For the purposes set forth in division (I), (J), (U), or (KK) of this section;

(b) For the maintenance and operation of a joint recreation district.

(4) When the increase is for the purpose or purposes set forth in division (D), (G), (H), (T), (Z), (CC), or (PP) of this section, the tax levy may be for any specified number of years or for a continuing period of time, as set forth in the resolution.

A levy for one of the purposes set forth in division (G), (I), (J), or (U) of this section may be reduced pursuant to section 5705.261 or 5705.31 of the Revised Code. A levy for one of the purposes set forth in division (G), (I), (J), or (U) of this section may also be terminated or permanently reduced by the taxing authority if it adopts a resolution stating that the continuance of the levy is unnecessary and the levy shall be terminated or that the millage is excessive and the levy shall be decreased by a designated amount.

A resolution of a detention facility district, a district organized under section 2151.65 of the Revised Code, or a combined district organized under both sections 2151.65 and 2152.41 of the Revised Code may include both current expenses and other purposes, provided that the resolution shall apportion the annual rate of levy between the current expenses and the other purpose or purposes. The apportionment need not be the same for each year of the levy, but the respective portions of the rate actually levied each year for the current expenses and the other purpose or purposes shall be limited by the apportionment.

Whenever a board of county commissioners, acting either as the taxing authority of its county or as the taxing authority of a sewer district or subdistrict created under Chapter 6117. of the Revised Code, by resolution declares it necessary to levy a tax in excess of the ten-mill limitation for the purpose of constructing, improving, or extending sewage disposal plants or sewage systems, the tax may be in effect for any number of years not exceeding twenty, and the proceeds of the tax, notwithstanding the general provisions of this section, may be used to pay debt charges on any obligations issued and outstanding on behalf of the subdivision for the purposes enumerated in this paragraph, provided that any such obligations have been specifically described in the resolution.

A resolution adopted by the legislative authority of a municipal corporation that is for the purpose in division (XX) of this section may be combined with the purpose provided in section 306.55 of the Revised Code, by vote of two-thirds of all members of the legislative authority. The legislative authority may certify the resolution to the board of elections as a combined question. The question appearing on the ballot shall be as provided in section 5705.252 of the Revised Code.

A levy for the purpose set forth in division (BB) of this section may be imposed in all or a portion of the territory of a subdivision. If the 9-1-1 system to be established and operated with levy funds excludes territory located within the subdivision, the resolution adopted under this section, or a resolution proposing to renew such a levy that was imposed in all of the territory of the subdivision, may describe the area served or to be served by the system and specify that the proposed tax would be imposed only in the areas receiving or to receive the service. Upon passage of such a resolution, the board of elections shall submit the question of the tax levy only to those electors residing in the area or areas in which the tax would be imposed. If the 9-1-1 system would serve the entire subdivision, the resolution shall not exclude territory from the tax levy.

The resolution shall go into immediate effect upon its passage, and no publication of the resolution is necessary other than that provided for in the notice of election

When the electors of a subdivision or, in the case of a qualifying library levy for the support of a library association or private corporation, the electors of the association library district or, in the case of a 9-1-1 system levy serving only a portion of the territory of a subdivision, the electors of the portion of the subdivision in which the levy would be imposed have approved a tax levy under this section, the taxing authority of the subdivision may anticipate a fraction of the proceeds of the levy and issue anticipation notes in accordance with section 5705.191 or 5705.193 of the Revised Code.

SECTION 2. That existing section 5705.19 of the Revised Code is hereby repealed.

SECTION 3. This act is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, and safety. The reason for such necessity is that the renewal of county 9-1-1 system levies under the act's provisions would be delayed. Therefore this act shall go into immediate effect.
