Sec. 327.270. NURSING FACILITY DEMONSTRATION PROJECT

(A) As used in this section:

(1) "Freestanding long-term care hospital" means a hospital to which all of the following apply:

(a) It is a freestanding long-term care hospital as defined in 42 C.F.R. 412.23(e)(5).

(b) It has a Medicaid provider agreement to provide inpatient hospital services.

(c) Pursuant to rules adopted under section 5164.02 of the Revised Code, it is exempt from the all patient refined diagnosis related groups (APR-DRG) and prospective payment methodology the Department of Medicaid uses to determine Medicaid payment rates for inpatient services provided by other types of hospitals not also excluded from the methodology.

(2) "Nursing facility," "nursing facility services," "nursing home," and "provider" have the same meanings as in section 5165.01 of the Revised Code.

(B) ~~Not later than thirty days after the effective date of this section, the~~ The Department of Medicaid shall submit to the United States Secretary of

Health and Human Services a request ~~for a Medicaid Waiver to operate, beginning January 1, 2016, a two-year~~ to extend until June 30, 2019, and modify the operation of the demonstration project authorized by this section under which Medicaid recipients receive nursing facility services in participating nursing facilities in lieu of hospital inpatient services in freestanding long-term care hospitals.

(1) The Department shall select ~~four~~ six nursing facilities to participate in the demonstration project. To be selected for participation, a nursing facility must meet all of the following requirements:

(a) The nursing facility's provider must hold the nursing facility out to the public as providing short-term rehabilitation services.

(b) The nursing facility must have a hydrotherapy pool.

(c) The nursing facility's Medicaid-certified capacity must include at least ten single-occupancy sleeping rooms that will be used for Medicaid recipients admitted to the nursing facility under the demonstration project.

(C)(1) The provider of each participating nursing facility shall develop admission criteria that Medicaid recipients must meet to be admitted to the nursing facility under the demonstration project. The provider shall give the criteria to each hospital that is located within fifty miles of the nursing facility and routinely refers Medicaid patients to freestanding long-term care hospitals. A hospital that receives the criteria shall consider the criteria when determining where to refer a Medicaid recipient who needs the types of services freestanding long-term care hospitals provide.

(2) A Medicaid recipient may refuse a referral to a participating nursing facility and instead seek admission to a freestanding long-term care hospital. If a Medicaid recipient seeks admission to a participating nursing facility under the demonstration project, the nursing facility's staff shall ensure that the recipient meets the nursing facility's criteria before admitting the recipient.

(3) A participating nursing facility shall notify the Department each time it admits a Medicaid recipient under the demonstration project. A Medicaid recipient's admission to a participating nursing facility under the demonstration project is not subject to prior authorization from the Department or a designee of the Department.

(D) Notwithstanding Chapter 5165. of the Revised Code, the Medicaid payment rate for nursing facility services that a Medicaid recipient receives from a participating nursing facility under the demonstration project shall not exceed the Medicaid payment rate for comparable hospital inpatient services provided by freestanding long-term care hospitals in effect at the time the nursing facility services are provided.

(E) Not later than thirty days after the end of each quarter of the demonstration project, the provider of each participating nursing facility shall report to the Department all of the following information about each Medicaid recipient residing in the nursing facility under the demonstration project during the quarter:

(2) In awarding funds under this section, the Chancellor shall give a preference to an institution for a workforce training program in which the institution partners with a business that is willing to repay all or part of the loan on behalf of a program participant or with a business that also provides funding for the program, in comparison to a program that does not have such a partnership. The Chancellor shall consider a program that has employment opportunities in areas that are in demand, including, but not limited to, energy exploration.

(3) The Chancellor also shall consider all of the following factors when determining whether to award funds under this section to an institution for a workforce training program, to the extent that these factors apply to the program:

(a) The success rate of the workforce training program offered by the institution;

(C) Funds shall be disbursed to successful applicants using moneys from the OhioMeansJobs Workforce Development Revolving Loan Fund established in section 6301.14 of the Revised Code. The Chancellor shall not award to an institution more than ~~one~~ two hundred fifty thousand dollars per workforce training program per year under this section. An institution receiving funds under this section shall establish, in consultation with the Department of Higher Education, eligibility requirements that a participant in the workforce training program for which the institution received the funds shall satisfy to receive a loan under this section, and the institution shall apply the loan proceeds to program costs for those participants who satisfy those requirements. A loan applied by an institution to program costs for a participant under this section shall not exceed ten thousand dollars per program in which the participant participates.

(D) Except as provided in the rules adopted by the Treasurer of State pursuant to division (G) of this section, a loan to a program participant shall remain interest-free until six months after the date the participant successfully completes the workforce training program, if the participant also continues to reside in this state. Beginning on the earlier of the date that is six months after the individual completes the workforce training program for which the participant received a loan under this section, the date the individual terminates enrollment in the workforce training program without completion, or the date the participant ceases to reside in this state, the Treasurer of State shall assess a rate of interest of not more than four per cent per annum on any outstanding principal balance of that loan. The Treasurer of State shall not assess a zero per cent interest rate. The Treasurer of State shall establish a payment schedule not to exceed seven years after the date a participant successfully completes the workforce training program.

(2) A method to determine the amount of funds awarded to an institution based on the costs of the workforce training program for which a program participant receives a loan and the number of individuals the institution estimates will participate in the program;

(3) The process by which the Chancellor approves workforce training programs for which loans are granted under this section.

(F) The Treasurer of State shall be responsible for making deposits and withdrawals and maintaining records pertaining to the OhioMeansJobs Workforce Development Revolving Loan Fund.

(G) The Treasurer of State shall service the loans described in this section and may designate a third party to serve as an agent of the Treasurer of State in servicing the loans. A third party designated by the Treasurer of State is authorized to take such actions, to enter into such contracts, and to execute all instruments necessary or appropriate to service those loans. The Treasurer of State shall adopt rules pursuant to section 111.15 of the Revised Code to do all of the following:

(1) Establish a fee to be charged to a loan recipient to offset the cost of servicing the loan;

(2) Establish terms of repayment for a loan;

(3) Assess interest on loans for a participant who fails to comply with continuing eligibility requirements, who fails to complete the workforce training program for which the participant received the loan, or whose participation in the program is on a staggered basis;
