"Firefighter," "paramedic," and "first responder" have the same meanings as in section 4765.01 of the Revised Code.

(B)(1) Upon request by any person and subject to division (B)(8) of this section, all public records responsive to the request shall be promptly prepared and made available for inspection to the requester at all reasonable times during regular business hours. Subject to division (B)(8) of this section, upon request by any person, a public office or person responsible for public records shall make copies of the requested public record available to the requester at cost and within a reasonable period of time. If a public record contains information that is exempt from the duty to permit public inspection or to copy the public record, the public office or the person responsible for the public record shall make available all of the information within the public record that is not exempt. When making that public record available for public inspection or copying that public record, the public office or the person responsible for the public record shall notify the requester of any redaction or make the redaction plainly visible. A redaction shall be deemed a denial of a request to inspect or copy the redacted information, except if federal or state law authorizes or requires a public office to make the redaction.

(2) To facilitate broader access to public records, a public office or the person responsible for public records shall organize and maintain public records in a manner that they can be made available for inspection or copying in accordance with division (B) of this section. A public office also shall have available a copy of its current records retention schedule at a location readily available to the

public. If a requester makes an ambiguous or overly broad request or has difficulty in making a request for copies or inspection of public records under this section such that the public office or the person responsible for the requested public record cannot reasonably identify what public records are being requested, the public office or the person responsible for the requested public record may deny the request but shall provide the requester with an opportunity to revise the request by informing the requester of the manner in which records are maintained by the public office and accessed in the ordinary course of the public office's or person's duties.

(3) If a request is ultimately denied, in part or in whole, the public office or the person responsible for the requested public record shall provide the requester with an explanation, including legal authority, setting forth why the request was denied. If the initial request was provided in writing, the explanation also shall be provided to the requester in writing. The explanation shall not preclude the public office or the person responsible for the requested public record from relying upon additional reasons or legal authority in defending an action commenced under division (C) of this section.

(4) Unless specifically required or authorized by state or federal law or in accordance with division (B) of this section, no public office or person responsible for public records may limit or condition the availability of public records by requiring disclosure of the requester's identity or the intended use of the requested public record. Any requirement that the requester disclose the requester's identity or the intended use of the requested public record constitutes a denial of the request.

(5) A public office or person responsible for public records may ask a requester to make the request in writing, may ask for the requester's identity, and may inquire about the intended use of the information requested, but may do so only after disclosing to the requester that a written request is not mandatory, that the requester may decline to reveal the requester's identity or the intended use, and when a written request or disclosure of the identity or intended use would benefit the requester by enhancing the ability of the public office or person responsible for public records to identify, locate, or deliver the public records sought by the requester.

(6) If any person requests a copy of a public record in accordance with division (B) of this section, the public office or person responsible for the public record may require the requester to pay in advance the cost involved in providing the copy of the public record in accordance with the choice made by the requester under this division. The public office or the person responsible for the public record shall permit the requester to choose to have the public record duplicated upon paper, upon the same medium upon which the public office or person responsible for the public record keeps it, or upon any other medium upon which the public office or person responsible for the public record determines that it reasonably can be duplicated as an integral part of the normal operations of the public office or person responsible for the public record. When the requester makes a choice under this division, the public office or person responsible for the public record shall provide a copy of it in accordance with the choice made by the requester. Nothing in this section requires a public office or person responsible for the public record to allow the requester of a copy of the public record to make the copies of the public record.

(7)(a) Upon a request made in accordance with division (B) of this section and subject to division (B)(6) of this section, a public office or person responsible for public records shall transmit a

copy of a public record to any person by United States mail or by any other means of delivery or transmission within a reasonable period of time after receiving the request for the copy. The public office or person responsible for the public record may require the person making the request to pay in advance the cost of postage if the copy is transmitted by United States mail or the cost of delivery if the copy is transmitted other than by United States mail, and to pay in advance the costs incurred for other supplies used in the mailing, delivery, or transmission.

(b) Any public office may adopt a policy and procedures that it will follow in transmitting, within a reasonable period of time after receiving a request, copies of public records by United States mail or by any other means of delivery or transmission pursuant to division (B)(7) of this section. A public office that adopts a policy and procedures under division (B)(7) of this section shall comply with them in performing its duties under that division.

(c) In any policy and procedures adopted under division (B)(7) of this section:

(i) A public office may limit the number of records requested by a person that the office will physically deliver by United States mail or by another delivery service to ten per month, unless the person certifies to the office in writing that the person does not intend to use or forward the requested records, or the information contained in them, for commercial purposes;

(ii) A public office that chooses to provide some or all of its public records on a web site that is fully accessible to and searchable by members of the public at all times, other than during acts of God outside the public office's control or maintenance, and that charges no fee to search, access, download, or otherwise receive records provided on the web site, may limit to ten per month the number of records requested by a person that the office will deliver in a digital format, unless the requested records are not provided on the web site and unless the person certifies to the office in writing that the person does not intend to use or forward the requested records, or the information contained in them, for commercial purposes.

(iii) For purposes of division (B)(7) of this section, "commercial" shall be narrowly construed and does not include reporting or gathering news, reporting or gathering information to assist citizen oversight or understanding of the operation or activities of government, or nonprofit educational research.

(8) A public office or person responsible for public records is not required to permit a person who is incarcerated pursuant to a criminal conviction or a juvenile adjudication to inspect or to obtain a copy of any public record concerning a criminal investigation or prosecution or concerning what would be a criminal investigation or prosecution if the subject of the investigation or prosecution were an adult, unless the request to inspect or to obtain a copy of the record is for the purpose of acquiring information that is subject to release as a public record under this section and the judge who imposed the sentence or made the adjudication with respect to the person, or the judge's successor in office, finds that the information sought in the public record is necessary to support what appears to be a justiciable claim of the person.

(9)(a) Upon written request made and signed by a journalist, a public office, or person responsible for public records, having custody of the records of the agency employing a specified designated public service worker shall disclose to the journalist the address of the actual personal residence of the designated public service worker and, if the designated public service worker's spouse, former spouse, or child is employed by a public office, the name and address of the employer

of the designated public service worker's spouse, former spouse, or child. The request shall include the journalist's name and title and the name and address of the journalist's employer and shall state that disclosure of the information sought would be in the public interest.

(b) Division (B)(9)(a) of this section also applies to journalist requests for:

(i) Customer information maintained by a municipally owned or operated public utility, other than social security numbers and any private financial information such as credit reports, payment methods, credit card numbers, and bank account information;

(ii) Information about minors involved in a school vehicle accident as provided in division (A)(1)(gg) of this section, other than personal information as defined in section 149.45 of the Revised Code.

(c) As used in division (B)(9) of this section, "journalist" means a person engaged in, connected with, or employed by any news medium, including a newspaper, magazine, press association, news agency, or wire service, a radio or television station, or a similar medium, for the purpose of gathering, processing, transmitting, compiling, editing, or disseminating information for the general public.

(10) Upon a request made by a victim, victim's attorney, or victim's representative, as that term is used in section 2930.02 of the Revised Code, a public office or person responsible for public records shall transmit a copy of a depiction of the victim as described in division (A)(1)(ii) of this section to the victim, victim's attorney, or victim's representative.

(C)(1) If a person allegedly is aggrieved by the failure of a public office or the person responsible for public records to promptly prepare a public record and to make it available to the person for inspection in accordance with division (B) of this section or by any other failure of a public office or the person responsible for public records to comply with an obligation in accordance with division (B) of this section, the person allegedly aggrieved may do only one of the following, and not both:

(a) File a complaint with the clerk of the court of claims or the clerk of the court of common pleas under section 2743.75 of the Revised Code;

(b) Commence a mandamus action to obtain a judgment that orders the public office or the person responsible for the public record to comply with division (B) of this section, that awards court costs and reasonable attorney's fees to the person that instituted the mandamus action, and, if applicable, that includes an order fixing statutory damages under division (C)(2) of this section. The mandamus action may be commenced in the court of common pleas of the county in which division (B) of this section allegedly was not complied with, in the supreme court pursuant to its original jurisdiction under Section 2 of Article IV, Ohio Constitution, or in the court of appeals for the appellate district in which division (B) of this section allegedly was not complied with pursuant to its original jurisdiction under Section 3 of Article IV, Ohio Constitution.

(2) If a requester transmits a written request by hand delivery, electronic submission, or certified mail to inspect or receive copies of any public record in a manner that fairly describes the public record or class of public records to the public office or person responsible for the requested public records, except as otherwise provided in this section, the requester shall be entitled to recover the amount of statutory damages set forth in this division if a court determines that the public office or the person responsible for public records failed to comply with an obligation in accordance with

division (B) of this section.

The amount of statutory damages shall be fixed at one hundred dollars for each business day during which the public office or person responsible for the requested public records failed to comply with an obligation in accordance with division (B) of this section, beginning with the day on which the requester files a mandamus action to recover statutory damages, up to a maximum of one thousand dollars. The award of statutory damages shall not be construed as a penalty, but as compensation for injury arising from lost use of the requested information. The existence of this injury shall be conclusively presumed. The award of statutory damages shall be in addition to all other remedies authorized by this section.

The court may reduce an award of statutory damages or not award statutory damages if the court determines both of the following:

(a) That, based on the ordinary application of statutory law and case law as it existed at the time of the conduct or threatened conduct of the public office or person responsible for the requested public records that allegedly constitutes a failure to comply with an obligation in accordance with division (B) of this section and that was the basis of the mandamus action, a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records did not constitute a failure to comply with an obligation in accordance with division (B) of this section;

(b) That a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(3) In a mandamus action filed under division (C)(1) of this section, the following apply:

(a)(i) If the court orders the public office or the person responsible for the public record to comply with division (B) of this section, the court shall determine and award to the relator all court costs, which shall be construed as remedial and not punitive.

(ii) If the court makes a determination described in division (C)(3)(b)(iii) of this section, the court shall determine and award to the relator all court costs, which shall be construed as remedial and not punitive.

(b) If the court renders a judgment that orders the public office or the person responsible for the public record to comply with division (B) of this section or if the court determines any of the following, the court may award reasonable attorney's fees to the relator, subject to division (C)(4) of this section:

(i) The public office or the person responsible for the public records failed to respond affirmatively or negatively to the public records request in accordance with the time allowed under division (B) of this section.

(ii) The public office or the person responsible for the public records promised to permit the relator to inspect or receive copies of the public records requested within a specified period of time but failed to fulfill that promise within that specified period of time.

(iii) The public office or the person responsible for the public records acted in bad faith when the office or person voluntarily made the public records available to the relator for the first time after

the relator commenced the mandamus action, but before the court issued any order concluding whether or not the public office or person was required to comply with division (B) of this section. No discovery may be conducted on the issue of the alleged bad faith of the public office or person responsible for the public records. This division shall not be construed as creating a presumption that the public office or the person responsible for the public records acted in bad faith when the office or person voluntarily made the public records available to the relator for the first time after the relator commenced the mandamus action, but before the court issued any order described in this division.

(c) The court shall not award attorney's fees to the relator if the court determines both of the following:

(i) That, based on the ordinary application of statutory law and case law as it existed at the time of the conduct or threatened conduct of the public office or person responsible for the requested public records that allegedly constitutes a failure to comply with an obligation in accordance with division (B) of this section and that was the basis of the mandamus action, a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records did not constitute a failure to comply with an obligation in accordance with division (B) of this section;

(ii) That a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(4) All of the following apply to any award of reasonable attorney's fees awarded under division (C)(3)(b) of this section:

(a) The fees shall be construed as remedial and not punitive.

(b) The fees awarded shall not exceed the total of the reasonable attorney's fees incurred before the public record was made available to the relator and the fees described in division (C)(4)(c) of this section.

(c) Reasonable attorney's fees shall include reasonable fees incurred to produce proof of the reasonableness and amount of the fees and to otherwise litigate entitlement to the fees.

(d) The court may reduce the amount of fees awarded if the court determines that, given the factual circumstances involved with the specific public records request, an alternative means should have been pursued to more effectively and efficiently resolve the dispute that was subject to the mandamus action filed under division (C)(1) of this section.

(5) If the court does not issue a writ of mandamus under division (C) of this section and the court determines at that time that the bringing of the mandamus action was frivolous conduct as defined in division (A) of section 2323.51 of the Revised Code, the court may award to the public office all court costs, expenses, and reasonable attorney's fees, as determined by the court.

(D) Chapter 1347. of the Revised Code does not limit the provisions of this section.

(E)(1) To ensure that all employees of public offices are appropriately educated about a public office's obligations under division (B) of this section, all elected officials or their appropriate designees shall attend training approved by the attorney general as provided in section 109.43 of the Revised Code. A future official may satisfy the requirements of this division by attending the training

before taking office, provided that the future official may not send a designee in the future official's place.

(2) All public offices shall adopt a public records policy in compliance with this section for responding to public records requests. In adopting a public records policy under this division, a public office may obtain guidance from the model public records policy developed and provided to the public office by the attorney general under section 109.43 of the Revised Code. Except as otherwise provided in this section, the policy may not limit the number of public records that the public office will make available to a single person, may not limit the number of public records that it will make available during a fixed period of time, and may not establish a fixed period of time before it will respond to a request for inspection or copying of public records, unless that period is less than eight hours.

The public office shall distribute the public records policy adopted by the public office under this division to the employee of the public office who is the records custodian or records manager or otherwise has custody of the records of that office. The public office shall require that employee to acknowledge receipt of the copy of the public records policy. The public office shall create a poster that describes its public records policy and shall post the poster in a conspicuous place in the public office and in all locations where the public office has branch offices. The public office may post its public records policy on the internet web site of the public office if the public office maintains an internet web site. A public office that has established a manual or handbook of its general policies and procedures for all employees of the public office shall include the public records policy of the public office in the manual or handbook.

(F)(1) The bureau of motor vehicles may adopt rules pursuant to Chapter 119. of the Revised Code to reasonably limit the number of bulk commercial special extraction requests made by a person for the same records or for updated records during a calendar year. The rules may include provisions for charges to be made for bulk commercial special extraction requests for the actual cost of the bureau, plus special extraction costs, plus ten per cent. The bureau may charge for expenses for redacting information, the release of which is prohibited by law.

(2) As used in division (F)(1) of this section:

(a) "Actual cost" means the cost of depleted supplies, records storage media costs, actual mailing and alternative delivery costs, or other transmitting costs, and any direct equipment operating and maintenance costs, including actual costs paid to private contractors for copying services.

(b) "Bulk commercial special extraction request" means a request for copies of a record for information in a format other than the format already available, or information that cannot be extracted without examination of all items in a records series, class of records, or database by a person who intends to use or forward the copies for surveys, marketing, solicitation, or resale for commercial purposes. "Bulk commercial special extraction request" does not include a request by a person who gives assurance to the bureau that the person making the request does not intend to use or forward the requested copies for surveys, marketing, solicitation, or resale for commercial purposes.

(c) "Commercial" means profit-seeking production, buying, or selling of any good, service, or other product.

(d) "Special extraction costs" means the cost of the time spent by the lowest paid employee competent to perform the task, the actual amount paid to outside private contractors employed by the

bureau, or the actual cost incurred to create computer programs to make the special extraction. "Special extraction costs" include any charges paid to a public agency for computer or records services.

(3) For purposes of divisions (F)(1) and (2) of this section, "surveys, marketing, solicitation, or resale for commercial purposes" shall be narrowly construed and does not include reporting or gathering news, reporting or gathering information to assist citizen oversight or understanding of the operation or activities of government, or nonprofit educational research.

(G) A request by a defendant, counsel of a defendant, or any agent of a defendant in a criminal action that public records related to that action be made available under this section shall be considered a demand for discovery pursuant to the Criminal Rules, except to the extent that the Criminal Rules plainly indicate a contrary intent. The defendant, counsel of the defendant, or agent of the defendant making a request under this division shall serve a copy of the request on the prosecuting attorney, director of law, or other chief legal officer responsible for prosecuting the action.

(H)(1) Any portion of a body-worn camera or dashboard camera recording described in divisions (A)(17)(b) to (h) of this section may be released by consent of the subject of the recording or a representative of that person, as specified in those divisions, only if either of the following applies:

(a) The recording will not be used in connection with any probable or pending criminal proceedings;

(b) The recording has been used in connection with a criminal proceeding that was dismissed or for which a judgment has been entered pursuant to Rule 32 of the Rules of Criminal Procedure, and will not be used again in connection with any probable or pending criminal proceedings.

(2) If a public office denies a request to release a restricted portion of a body-worn camera or dashboard camera recording, as defined in division (A)(17) of this section, any person may file a mandamus action pursuant to this section or a complaint with the clerk of the court of claims pursuant to section 2743.75 of the Revised Code, requesting the court to order the release of all or portions of the recording. If the court considering the request determines that the filing articulates by clear and convincing evidence that the public interest in the recording substantially outweighs privacy interests and other interests asserted to deny release, the court shall order the public office to release the recording.

Sec. 307.93. ~~(A)(1)-(A)~~ The boards of county commissioners of two or more adjacent counties may contract for the joint establishment of a multicounty correctional center, and the board of county commissioners of a county or the boards of two or more counties may contract with any municipal corporation or municipal corporations located in that county or those counties for the joint establishment of a municipal-county or multicounty-municipal correctional center. The center shall augment county and, where applicable, municipal jail programs and facilities by providing custody and rehabilitative programs for those persons under the charge of the sheriff of any of the contracting counties or of the officer or officers of the contracting municipal corporation or municipal corporations having charge of persons incarcerated in the municipal jail, workhouse, or other correctional facility who, in the opinion of the sentencing court, need programs of custody and rehabilitation not available at the county or municipal jail and by providing custody and rehabilitative

programs in accordance with division (C) of this section, if applicable. The contract may include, but need not be limited to, provisions regarding the acquisition, construction, maintenance, repair, termination of operations, and administration of the center. The contract shall prescribe the manner of funding of, and debt assumption for, the center and the standards and procedures to be followed in the operation of the center. Except as provided in division (G) of this section, the contracting counties and municipal corporations shall form a corrections commission to oversee the administration of the center. Members of the commission shall consist of the sheriff of each participating county, a member of the board of county commissioners of each participating county, the chief of police of each participating municipal corporation, and the mayor or city manager of each participating municipal corporation. Any of the foregoing officers may appoint a designee to serve in the officer's place on the corrections commission.

The standards and procedures prescribed under this division shall be formulated and agreed to by the commission and may be amended at any time during the life of the contract by agreement of a majority of the voting members of the commission or by other means set forth in the contract between the contracting counties and municipal corporations. The standards and procedures formulated by the commission and amendments to them shall include, but need not be limited to, designation of the person in charge of the center, designation of a fiscal agent, the categories of employees to be employed at the center, the appointing authority of the center, and the standards of treatment and security to be maintained at the center. The person in charge of, and all persons employed to work at, the center shall have all the powers of police officers that are necessary for the proper performance of the duties ~~and work responsibilities of relating to their positions at the center;~~ ~~provided that the corrections officers of the center may carry firearms in the performance of those duties and responsibilities only in accordance with division (A)(2) of this section.~~

~~(2) The person in charge of a multicounty correctional center, or of a municipal county or multicounty municipal correctional center, may grant permission to a corrections officer of the center to carry firearms when required in the discharge of official duties if the corrections officer has successfully completed a basic firearm training program that is approved by the executive director of the Ohio peace officer training commission. A corrections officer who has been granted permission to carry firearms in the discharge of official duties annually shall successfully complete a firearms requalification program in accordance with section 109.801 of the Revised Code. A corrections officer may carry firearms under authority of this division only while the officer is acting within the scope of the officer's official duties.~~

(B)(1) Upon the establishment of a corrections commission under division (A) of this section, the judges specified in this division shall form a judicial advisory board for the purpose of making recommendations to the corrections commission on issues of bed allocation, expansion of the center that the corrections commission oversees, and other issues concerning the administration of sentences or any other matter determined to be appropriate by the board. The judges who shall form the judicial advisory board for a corrections commission are the administrative judge of the general division of the court of common pleas of each county participating in the corrections center, the presiding judge of the municipal court of each municipal corporation participating in the corrections center, and the presiding judge of each county court of each county participating in the corrections center. If the number of the foregoing members of the board is even, the county auditor or the county auditor of

the most populous county if the board serves more than one county shall also be a member of the board. Any of the foregoing judges may appoint a designee to serve in the judge's place on the judicial advisory board, provided that the designee shall be a judge of the same court as the judge who makes the appointment. The judicial advisory board for a corrections commission shall meet with the corrections commission at least once each year.

(2) Each board of county commissioners that enters a contract under division (A) of this section may appoint a building commission pursuant to section 153.21 of the Revised Code. If any commissions are appointed, they shall function jointly in the construction of a multicounty or multicounty-municipal correctional center with all the powers and duties authorized by law.

(C) Prior to the acceptance for custody and rehabilitation into a center established under this section of any persons who are designated by the department of rehabilitation and correction, who plead guilty to or are convicted of a felony of the fourth or fifth degree, and who satisfy the other requirements listed in section 5120.161 of the Revised Code, the corrections commission of a center established under this section shall enter into an agreement with the department of rehabilitation and correction under section 5120.161 of the Revised Code for the custody and rehabilitation in the center of persons who are designated by the department, who plead guilty to or are convicted of a felony of the fourth or fifth degree, and who satisfy the other requirements listed in that section, in exchange for a per diem fee per person. Persons incarcerated in the center pursuant to an agreement entered into under this division shall be subject to supervision and control in the manner described in section 5120.161 of the Revised Code. This division does not affect the authority of a court to directly sentence a person who is convicted of or pleads guilty to a felony to the center in accordance with section 2929.16 of the Revised Code.

(D) Pursuant to section 2929.37 of the Revised Code, each board of county commissioners and the legislative authority of each municipal corporation that enters into a contract under division (A) of this section may require a person who was convicted of an offense, who is under the charge of the sheriff of their county or of the officer or officers of the contracting municipal corporation or municipal corporations having charge of persons incarcerated in the municipal jail, workhouse, or other correctional facility, and who is confined in the multicounty, municipal-county, or multicounty-municipal correctional center as provided in that division, to reimburse the applicable county or municipal corporation for its expenses incurred by reason of the person's confinement in the center.

(E) Notwithstanding any contrary provision in this section or section 2929.18, 2929.28, or 2929.37 of the Revised Code, the corrections commission of a center may establish a policy that complies with section 2929.38 of the Revised Code and that requires any person who is not indigent and who is confined in the multicounty, municipal-county, or multicounty-municipal correctional center to pay a reception fee, a fee for medical treatment or service requested by and provided to that person, or the fee for a random drug test assessed under division (E) of section 341.26 of the Revised Code.

(F)(1) The corrections commission of a center established under this section may establish a commissary for the center. The commissary may be established either in-house or by another arrangement. If a commissary is established, all persons incarcerated in the center shall receive commissary privileges. A person's purchases from the commissary shall be deducted from the person's account record in the center's business office. The commissary shall provide for the

distribution to indigent persons incarcerated in the center of necessary hygiene articles and writing materials.

(2) If a commissary is established, the corrections commission of a center established under this section shall establish a commissary fund for the center. The management of funds in the commissary fund shall be strictly controlled in accordance with procedures adopted by the auditor of state. Commissary fund revenue over and above operating costs and reserve shall be considered profits. All profits from the commissary fund shall be used to purchase supplies and equipment for the benefit of persons incarcerated in the center and to pay salary and benefits for employees of the center, or for any other persons, who work in or are employed for the sole purpose of providing service to the commissary. The corrections commission shall adopt rules and regulations for the operation of any commissary fund it establishes.

(G) In lieu of forming a corrections commission to administer a multicounty correctional center or a municipal-county or multicounty-municipal correctional center, the boards of county commissioners and the legislative authorities of the municipal corporations contracting to establish the center may also agree to contract for the private operation and management of the center as provided in section 9.06 of the Revised Code, but only if the center houses only misdemeanor inmates. In order to enter into a contract under section 9.06 of the Revised Code, all the boards and legislative authorities establishing the center shall approve and be parties to the contract.

(H) If a person who is convicted of or pleads guilty to an offense is sentenced to a term in a multicounty correctional center or a municipal-county or multicounty-municipal correctional center or is incarcerated in the center in the manner described in division (C) of this section, or if a person who is arrested for an offense, and who has been denied bail or has had bail set and has not been released on bail is confined in a multicounty correctional center or a municipal-county or multicounty-municipal correctional center pending trial, at the time of reception and at other times the officer, officers, or other person in charge of the operation of the center determines to be appropriate, the officer, officers, or other person in charge of the operation of the center may cause the convicted or accused offender to be examined and tested for tuberculosis, HIV infection, hepatitis, including but not limited to hepatitis A, B, and C, and other contagious diseases. The officer, officers, or other person in charge of the operation of the center may cause a convicted or accused offender in the center who refuses to be tested or treated for tuberculosis, HIV infection, hepatitis, including but not limited to hepatitis A, B, and C, or another contagious disease to be tested and treated involuntarily.

(I) As used in this section, "multicounty-municipal" means more than one county and a municipal corporation, or more than one municipal corporation and a county, or more than one municipal corporation and more than one county.

Sec. 307.932. (A) As used in this section:

(1) "Division of parole and community services" means the division of parole and community services of the department of rehabilitation and correction.

(2) "Eligible offender" means, in relation to a particular community alternative sentencing center or district community alternative sentencing center established and operated under this section, an offender who has been convicted of or pleaded guilty to a qualifying felony offense or a qualifying misdemeanor offense, for whom no provision of the Revised Code or ordinance of a

municipal corporation other than section 4511.19 of the Revised Code, both sections 4510.14 and 4511.19 of the Revised Code, or an ordinance or ordinances of a municipal corporation that provide the penalties for a municipal OVI offense or for both a municipal OVI ordinance and a municipal DUS ordinance of the municipal corporation requires the imposition of a mandatory jail term for that qualifying misdemeanor offense, and who is eligible to be sentenced directly to that center and admitted to it under rules adopted under division (G) of this section by the board of county commissioners, affiliated group of boards of county commissioners, or municipal corporation that established and operates that center. "Eligible offender" also means a person who has been convicted of or pleaded guilty to a qualifying felony offense.

(3) "Municipal OVI offense" has the same meaning as in section 4511.181 of the Revised Code.

(4) "OVI term of confinement" means a term of confinement imposed for a violation of section 4511.19 of the Revised Code or for a municipal OVI offense, including any mandatory jail term or mandatory term of local incarceration imposed for that violation or offense. of marihuana metabolite in the person's urine of at least thirty-five nanograms of marihuana metabolite per milliliter of the person's urine or has a concentration of marihuana metabolite in the person's whole blood or blood serum or plasma of at least fifty nanograms of marihuana metabolite per milliliter of the person's whole blood or blood serum or plasma.

(j) The person has a concentration of methamphetamine in the person's urine of at least five hundred nanograms of methamphetamine per milliliter of the person's urine or has a concentration of methamphetamine in the person's whole blood or blood serum or plasma of at least one hundred nanograms of methamphetamine per milliliter of the person's whole blood or blood serum or plasma.

(k) The person has a concentration of phencyclidine in the person's urine of at least twenty-five nanograms of phencyclidine per milliliter of the person's urine or has a concentration of phencyclidine in the person's whole blood or blood serum or plasma of at least ten nanograms of phencyclidine per milliliter of the person's whole blood or blood serum or plasma.

(B) No person under twenty-one years of age shall operate or be in physical control of any vessel underway or shall manipulate any water skis, aquaplane, or similar device on the waters in this state if, at the time of the operation, control, or manipulation, any of the following applies:

(1) The person has a concentration of at least two-hundredths of one per cent, but less than eight-hundredths of one per cent by weight per unit volume of alcohol in the person's whole blood.

(2) The person has a concentration of at least three-hundredths of one per cent but less than ninety-six-thousandths of one per cent by weight per unit volume of alcohol in the person's blood serum or plasma.

(3) The person has a concentration of at least twenty-eight one-thousandths of one gram, but less than eleven-hundredths of one gram by weight of alcohol per one hundred milliliters of the person's urine.

(4) The person has a concentration of at least two-hundredths of one gram, but less than eight-hundredths of one gram by weight of alcohol per two hundred ten liters of the person's breath.

(C) In any proceeding arising out of one incident, a person may be charged with a violation of division (A)(1) and a violation of division (B)(1), (2), (3), or (4) of this section, but the person shall not be convicted of more than one violation of those divisions.

(D)(1)(a) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is watercraft-related, the result of any test of any blood or urine withdrawn and analyzed at any health care provider, as defined in section 2317.02 of the Revised Code, may be admitted with expert testimony to be considered with any other relevant and competent evidence in determining the guilt or innocence of the defendant.

(b) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is watercraft-related, the court may admit evidence on the concentration of alcohol, drugs of abuse, controlled substances, metabolites of a controlled substance, or a combination of them in the defendant's or child's whole blood, blood serum or plasma, urine, or breath at the time of the alleged violation as shown by chemical analysis of the substance withdrawn, or specimen taken within three hours of the time of the alleged violation. The three-hour time limit specified in this division regarding the admission of evidence does not extend or affect the two-hour time limit specified in division (C) of section 1547.111 of the Revised Code as the maximum period of time during which a person may consent to a chemical test or tests as

described in that section. The court may admit evidence on the concentration of alcohol, drugs of abuse, or a combination of them as described in this division when a person submits to a blood, breath, urine, or other bodily substance test at the request of a law enforcement officer under section 1547.111 of the Revised Code or a blood or urine sample is obtained pursuant to a search warrant. Only a physician, a registered nurse, an emergency medical technician-intermediate, an emergency medical technician-paramedic, or a qualified technician, chemist, or phlebotomist shall withdraw blood for the purpose of determining the alcohol, drug, controlled substance, metabolite of a controlled substance, or combination content of the whole blood, blood serum, or blood plasma. This limitation does not apply to the taking of breath or urine specimens. A person authorized to withdraw blood under this division may refuse to withdraw blood under this division if, in that person's opinion, the physical welfare of the defendant or child would be endangered by withdrawing blood.

The whole blood, blood serum or plasma, urine, or breath withdrawn under division (D)(1)(b) of this section shall be analyzed in accordance with methods approved by the director of health by an individual possessing a valid permit issued by the director pursuant to section 3701.143 of the Revised Code.

(2) In a criminal prosecution or juvenile court proceeding for a violation of division (A) of this section or for an equivalent offense that is watercraft-related, if there was at the time the bodily substance was taken a concentration of less than the applicable concentration of alcohol specified for a violation of division (A)(2), (3), (4), or (5) of this section or less than the applicable concentration of a listed controlled substance or a listed metabolite of a controlled substance specified for a violation of division (A)(6) of this section, that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant or in making an adjudication for the child. This division does not limit or affect a criminal prosecution or juvenile court proceeding for a violation of division (B) of this section or for a violation of a prohibition that is substantially equivalent to that division.

(3) Upon the request of the person who was tested, the results of the chemical test shall be made available to the person or the person's attorney immediately upon completion of the test analysis.

If the chemical test was administered pursuant to division (D)(1)(b) of this section, the person tested may have a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist of the person's own choosing administer a chemical test or tests in addition to any administered at the direction of a law enforcement officer, and shall be so advised. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer.

(E)(1) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section, of a municipal ordinance relating to operating or being in physical control of any vessel underway or to manipulating any water skis, aquaplane, or similar device on the waters of this state while under the influence of alcohol, a drug of abuse, or a combination of them, or of a municipal ordinance relating to operating or being in physical control of any vessel underway or to manipulating any water skis, aquaplane, or similar device on the waters of this state with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole blood, blood serum or plasma, breath, or urine, if a law enforcement officer has administered a

field sobriety test to the operator or person found to be in physical control of the vessel underway involved in the violation or the person manipulating the water skis, aquaplane, or similar device involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for reliable, credible, and generally accepted field sobriety tests for vehicles that were in effect at the time the tests were administered, including, but not limited to, any testing standards then in effect that have been set by the national highway traffic safety administration, that by their nature are not clearly inapplicable regarding the operation or physical control of vessels underway or the manipulation of water skis, aquaplanes, or similar devices, all of the following apply:

- (a) The officer may testify concerning the results of the field sobriety test so administered.
- (b) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.
- (c) If testimony is presented or evidence is introduced under division (E)(1)(a) or (b) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence, and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(2) Division (E)(1) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (E)(1) of this section.

(F)(1) Subject to division (F)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is substantially equivalent to either of those divisions, the court shall admit as prima-facie evidence a laboratory report from any laboratory personnel issued a permit by the department of health authorizing an analysis as described in this division that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this division. The laboratory report shall contain all of the following:

- (a) The signature, under oath, of any person who performed the analysis;
- (b) Any findings as to the identity and quantity of alcohol, a drug of abuse, a controlled substance, a metabolite of a controlled substance, or a combination of them that was found;
- (c) A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst's or test performer's employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst's or test performer's regular duties;
- (d) An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the department of health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in division (F)(1) of this section is not admissible against the defendant or child

to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's or child's attorney or, if the defendant or child has no attorney, on the defendant or child.

(3) A report of the type described in division (F)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant or child to whom the report pertains or the defendant's or child's attorney receives a copy of the report, the defendant or child or the defendant's or child's attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interest of justice.

(G) Except as otherwise provided in this division, any physician, registered nurse, emergency medical technician-intermediate, emergency medical technician-paramedic, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section or section 1547.111 of the Revised Code, and a hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section or section 1547.111 of the Revised Code, is immune from criminal and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this division also extends to an emergency medical service organization that employs an emergency medical technician-intermediate, or an emergency medical technician-paramedic who withdraws blood under this section. The immunity provided in this division is not available to a person who withdraws blood if the person engages in willful or wanton misconduct.

(H) Division (A)(6) of this section does not apply to a person who operates or is in physical control of a vessel underway or manipulates any water skis, aquaplane, or similar device while the person has a concentration of a listed controlled substance or a listed metabolite of a controlled substance in the person's whole blood, blood serum or plasma, or urine that equals or exceeds the amount specified in that division, if both of the following apply:

(1) The person obtained the controlled substance pursuant to a prescription issued by a licensed health professional authorized to prescribe drugs.

(2) The person injected, ingested, or inhaled the controlled substance in accordance with the health professional's directions.

(I) As used in this section and section 1547.111 of the Revised Code:

(1) "Equivalent offense" has the same meaning as in section 4511.181 of the Revised Code.

(2) "National highway traffic safety administration" has the same meaning as in section 4511.19 of the Revised Code.

(3) "Operate" means that a vessel is being used on the waters in this state when the vessel is not securely affixed to a dock or to shore or to any permanent structure to which the vessel has the right to affix or that a vessel is not anchored in a designated anchorage area or boat camping area that is established by the United States coast guard, this state, or a political subdivision and in which the vessel has the right to anchor.

(4) "Controlled substance" and "marihuana" have the same meanings as in section 3719.01 of the Revised Code.

(5) "Cocaine" and "L.S.D." have the same meanings as in section 2925.01 of the Revised Code.

(6) "Equivalent offense that is watercraft-related" means an equivalent offense that is one of the following:

- (a) A violation of division (A) ~~or (B)~~ of this section;
- (b) A violation of a municipal ordinance prohibiting a person from operating or being in physical control of any vessel underway or from manipulating any water skis, aquaplane, or similar device on the waters of this state while under the influence of alcohol, a drug of abuse, or a combination of them or prohibiting a person from operating or being in physical control of any vessel underway or from manipulating any water skis, aquaplane, or similar device on the waters of this state with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole blood, blood serum or plasma, breath, or urine;
- (c) A violation of an existing or former municipal ordinance, law of another state, or law of the United States that is substantially equivalent to division (A) ~~or (B)~~ of this section;
- (d) A violation of a former law of this state that was substantially equivalent to division (A) ~~or (B)~~ of this section.

(7) "Emergency medical technician-intermediate" and "emergency medical technician-paramedic" have the same meanings as in section 4765.01 of the Revised Code.

Sec. 1547.111. (A)(1)(a) Any person who operates or is in physical control of a vessel or manipulates any water skis, aquaplane, or similar device upon any waters in this state shall be deemed to have given consent to a chemical test or tests to determine the alcohol, drug of abuse, controlled substance, metabolite of a controlled substance, or combination content of the person's whole blood, blood serum or plasma, breath, or urine if arrested for operating or being in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance.

(b) The test or tests under division (A)(1) of this section shall be administered at the request of a law enforcement officer having reasonable grounds to believe the person was operating or in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance. The law enforcement agency by which the officer is employed shall designate which test or tests shall be administered.

(2) Any person who is dead or unconscious or who otherwise is in a condition rendering the person incapable of refusal shall be deemed to have consented as provided in division (A)(1) of this section, and the test or tests may be administered, subject to sections 313.12 to 313.16 of the Revised Code.

(B)(1) If a law enforcement officer arrests a person for operating or being in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance and if the person previously has been convicted of or pleaded guilty to two or more violations of division (A) of section 1547.11 of the Revised Code or other equivalent offenses, the law enforcement officer shall request the person to submit, and the person shall submit, to a chemical test or tests of the person's whole blood, blood serum or plasma, breath, or urine for the purpose of determining the alcohol, drug of abuse, controlled substance, metabolite of a controlled substance, or combination content of the person's whole blood, blood serum or plasma, breath, or urine. A law enforcement officer who

makes a request pursuant to this division that a person submit to a chemical test or tests is not required to advise the person of the consequences of refusing to submit to the test or tests and is not required to give the person the form described in division (C) of this section, but the officer shall advise the person at the time of the arrest that if the person refuses to take a chemical test the officer may employ whatever reasonable means are necessary to ensure that the person submits to a chemical test of the person's whole blood or blood serum or plasma. The officer shall also advise the person at the time of the arrest that the person may have an independent chemical test taken at the person's own expense. The advice shall be in written form prescribed by the chief of the division of parks and watercraft and shall be read to the person. The form shall contain a statement that the form was shown to the person under arrest and read to the person by the arresting officer. The reading of the form shall be witnessed by one or more persons, and the witnesses shall certify to this fact by signing the form. Divisions (A)(1)(b) and (A)(2) of this section apply to the administration of a chemical test or tests pursuant to this division.

(2) If a person refuses to submit to a chemical test upon a request made pursuant to division (B)(1) of this section, the law enforcement officer who made the request may employ whatever reasonable means are necessary to ensure that the person submits to a chemical test of the person's whole blood or blood serum or plasma. A law enforcement officer who acts pursuant to this division to ensure that a person submits to a chemical test of the person's whole blood or blood serum or plasma is immune from criminal and civil liability based upon a claim for assault and battery or any other claim for the acts, unless the officer so acted with malicious purpose, in bad faith, or in a wanton or reckless manner.

(C) Except as provided in division (B) of this section, any person under arrest for violating section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance shall be advised of the consequences of refusing to submit to a chemical test or tests designated as provided in division (A) of this section. The advice shall be in a written form prescribed by the chief of the division of parks and watercraft and shall be read to the person. The form shall contain a statement that the form was shown to the person under arrest and read to the person by the arresting officer. The reading of the form shall be witnessed by one or more persons, and the witnesses shall certify to this fact by signing the form. The person must submit to the chemical test or tests, subsequent to the request of the arresting officer, within two hours of the time of the alleged violation, and if the person does not submit to the test or tests within that two-hour time limit, the failure to submit automatically constitutes a refusal to submit to the test or tests.

(D) Except as provided in division (B) of this section, if a law enforcement officer asks a person under arrest for violating section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance to submit to a chemical test or tests as provided in division (A) of this section, if the arresting officer advises the person of the consequences of the person's refusal as provided in division (C) of this section, and if the person refuses to submit, no chemical test shall be given. Upon receipt of a sworn statement of the officer that the arresting law enforcement officer had reasonable grounds to believe the arrested person violated section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance and that the person refused to submit to the chemical test upon the request of the officer, and upon receipt of the form as provided in division (C) of this section certifying that the arrested person was advised of the consequences of the refusal, the chief of the

division of parks and watercraft shall inform the person by written notice that the person is prohibited from operating or being in physical control of a vessel, from manipulating any water skis, aquaplane, or similar device, and from registering any watercraft in accordance with section 1547.54 of the Revised Code, for one year following the date of the alleged violation. The suspension of these operation, physical control, manipulation, and registration privileges shall continue for the entire one-year period, subject to review as provided in this section.

If the person under arrest is the owner of the vessel involved in the alleged violation, the law enforcement officer who arrested the person shall seize the watercraft registration certificate and tags from the vessel involved in the violation and forward them to the chief. The chief shall retain the impounded registration certificate and tags and shall impound all other registration certificates and tags issued to the person in accordance with sections 1547.54 and 1547.57 of the Revised Code, for a period of one year following the date of the alleged violation, subject to review as provided in this section.

If the arrested person fails to surrender the registration certificate because it is not on the person of the arrested person or in the watercraft, the law enforcement officer who made the arrest shall order the person to surrender it within twenty-four hours to the law enforcement officer or the law enforcement agency that employs the law enforcement officer. If the person fails to do so, the law enforcement officer shall notify the chief of that fact in the statement the officer submits to the chief under this division.

(E) Upon suspending a person's operation, physical control, manipulation, and registration privileges in accordance with division (D) of this section, the chief shall notify the person in writing, at the person's last known address, and inform the person that the person may petition for a hearing in accordance with division (F) of this section. If a person whose operation, physical control, manipulation, and registration privileges have been suspended petitions for a hearing or appeals any adverse decision, the suspension shall begin at the termination of any hearing or appeal unless the hearing or appeal results in a decision favorable to the person.

(F) Any person who has been notified by the chief that the person is prohibited from operating or being in physical control of a vessel or manipulating any water skis, aquaplane, or similar device and from registering any watercraft in accordance with section 1547.54 of the Revised Code, or who has had the registration certificate and tags of the person's watercraft impounded pursuant to division (D) of this section, within twenty days of the notification or impoundment, may file a petition in the municipal court or the county court, or if the person is a minor in juvenile court, with jurisdiction over the place at which the arrest occurred, agreeing to pay the cost of the proceedings and alleging error in the action taken by the chief under division (D) of this section or alleging one or more of the matters within the scope of the hearing as provided in this section, or both. The petitioner shall notify the chief of the filing of the petition and send the chief a copy of the petition.

The scope of the hearing is limited to the issues of whether the law enforcement officer had reasonable grounds to believe the petitioner was operating or in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance, whether the petitioner was placed under arrest, whether the petitioner refused to submit to the chemical test upon request of the officer,

and whether the petitioner was advised of the consequences of the petitioner's refusal.

(G)(1) The chief shall furnish the court a copy of the affidavit as provided in division (C) of this section and any other relevant information requested by the court.

(2) In hearing the matter and in determining whether the person has shown error in the decision taken by the chief as provided in division (D) of this section, the court shall decide the issue upon the relevant, competent, and material evidence submitted by the chief or the person whose operation, physical control, manipulation, and registration privileges have been suspended.

In the proceedings, the chief shall be represented by the prosecuting attorney of the county in which the petition is filed if the petition is filed in a county court or juvenile court, except that if the arrest occurred within a city or village within the jurisdiction of the county court in which the petition is filed, the city director of law or village solicitor of that city or village shall represent the chief. If the petition is filed in the municipal court, the chief shall be represented as provided in section 1901.34 of the Revised Code.

(3) If the court finds from the evidence submitted that the person has failed to show error in the action taken by the chief under division (D) of this section or in one or more of the matters within the scope of the hearing as provided in division (F) of this section, or both, the court shall assess the cost of the proceeding against the person and shall uphold the suspension of the operation, physical control, use, and registration privileges provided in division (D) of this section. If the court finds that the person has shown error in the action taken by the chief under division (D) of this section or in one or more of the matters within the scope of the hearing as provided in division (F) of this section, or both, the cost of the proceedings shall be paid out of the county treasury of the county in which the proceedings were held, the chief shall reinstate the operation, physical control, manipulation, and registration privileges of the person without charge, and the chief shall return the registration certificate and tags, if impounded, without charge.

(4) The court shall give information in writing of any action taken under this section to the chief.

(H) At the end of any period of suspension or impoundment imposed under this section, and upon request of the person whose operation, physical control, use, and registration privileges were suspended or whose registration certificate and tags were impounded, the chief shall reinstate the person's operation, physical control, manipulation, and registration privileges by written notice and return the certificate and tags.

(I) No person who has received written notice from the chief that the person is prohibited from operating or being in physical control of a vessel, from manipulating any water skis, aquaplane, or similar device, and from registering a watercraft, or who has had the registration certificate and tags of the person's watercraft impounded, in accordance with division (D) of this section, shall operate or be in physical control of a vessel or manipulate any water skis, aquaplane, or similar device for a period of one year following the date of the person's alleged violation of section 1547.11 of the Revised Code or the substantially equivalent municipal ordinance.

Sec. 1547.99. (A) Whoever violates section 1547.91 of the Revised Code is guilty of a felony of the fourth degree.

(B) Whoever violates division (F) of section 1547.08, section 1547.10, division (I) of section 1547.111, section 1547.13, or section 1547.66 of the Revised Code is guilty of a misdemeanor of the

first degree.

(C) Whoever violates a provision of this chapter or a rule, for which no penalty is otherwise provided, is guilty of a minor misdemeanor.

(D) Whoever violates section 1547.07, 1547.132, or 1547.12 of the Revised Code without causing injury to persons or damage to property is guilty of a misdemeanor of the fourth degree.

(E) Whoever violates section 1547.07, 1547.132, or 1547.12 of the Revised Code causing injury to persons or damage to property is guilty of a misdemeanor of the third degree.

(F) Whoever violates division (N) of section 1547.54, division (G) of section 1547.30, or section 1547.131, 1547.25, 1547.33, 1547.38, 1547.39, 1547.40, 1547.65, 1547.69, or 1547.92 of the Revised Code or a rule is guilty of a misdemeanor of the fourth degree.

(G) Whoever violates section 1547.11 of the Revised Code is guilty of a misdemeanor of the first degree and shall be punished as provided in division (G)(1), (2), or (3) of this section.

(1) Except as otherwise provided in division (G)(2) or (3) of this section, the court shall sentence the offender to a jail term of three consecutive days and may sentence the offender pursuant to section 2929.24 of the Revised Code to a longer jail term. In addition, the court shall impose upon the offender a fine of not less than one hundred fifty nor more than one thousand dollars.

The court may suspend the execution of the mandatory jail term of three consecutive days that it is required to impose by division (G)(1) of this section if the court, in lieu of the suspended jail term, places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code and requires the offender to attend, for three consecutive days, a drivers' intervention program that is certified pursuant to section 5119.38 of the Revised Code. The court also may suspend the execution of any part of the mandatory jail term of three consecutive days that it is required to impose by division (G)(1) of this section if the court places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code for part of the three consecutive days; requires the offender to attend, for that part of the three consecutive days, a drivers' intervention program that is certified pursuant to section 5119.38 of the Revised Code; and sentences the offender to a jail term equal to the remainder of the three consecutive days that the offender does not spend attending the drivers' intervention program. The court may require the offender, as a condition of community control, to attend and satisfactorily complete any treatment or education programs, in addition to the required attendance at a drivers' intervention program, that the operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose any other conditions of community control on the offender that it considers necessary.

(2) If, within ten years of the offense, the offender has been convicted of or pleaded guilty to one violation of division (A) of section 1547.11 of the Revised Code or one other equivalent offense, the court shall sentence the offender to a jail term of ten consecutive days and may sentence the offender pursuant to section 2929.24 of the Revised Code to a longer jail term. In addition, the court shall impose upon the offender a fine of not less than one hundred fifty nor more than one thousand dollars.

In addition to any other sentence that it imposes upon the offender, the court may require the offender to attend a drivers' intervention program that is certified pursuant to section 5119.38 of the Revised Code.

(3) If, within ten years of the offense, the offender has been convicted of or pleaded guilty to more than one violation or offense identified in division (G)(2) of this section, the court shall sentence the offender to a jail term of thirty consecutive days and may sentence the offender to a longer jail term of not more than one year. In addition, the court shall impose upon the offender a fine of not less than one hundred fifty nor more than one thousand dollars.

In addition to any other sentence that it imposes upon the offender, the court may require the offender to attend a drivers' intervention program that is certified pursuant to section 5119.38 of the Revised Code.

(4) Upon a showing that serving a jail term would seriously affect the ability of an offender sentenced pursuant to division (G)(1), (2), or (3) of this section to continue the offender's employment, the court may authorize that the offender be granted work release after the offender has served the mandatory jail term of three, ten, or thirty consecutive days that the court is required by division (G)(1), (2), or (3) of this section to impose. No court shall authorize work release during the mandatory jail term of three, ten, or thirty consecutive days that the court is required by division (G)(1), (2), or (3) of this section to impose. The duration of the work release shall not exceed the time necessary each day for the offender to commute to and from the place of employment and the place in which the jail term is served and the time actually spent under employment.

(5) Notwithstanding any section of the Revised Code that authorizes the suspension of the imposition or execution of a sentence or the placement of an offender in any treatment program in lieu of being imprisoned or serving a jail term, no court shall suspend the mandatory jail term of ten or thirty consecutive days required to be imposed by division (G)(2) or (3) of this section or place an offender who is sentenced pursuant to division (G)(2) or (3) of this section in any treatment program in lieu of being imprisoned or serving a jail term until after the offender has served the mandatory jail term of ten or thirty consecutive days required to be imposed pursuant to division (G)(2) or (3) of this section. Notwithstanding any section of the Revised Code that authorizes the suspension of the imposition or execution of a sentence or the placement of an offender in any treatment program in lieu of being imprisoned or serving a jail term, no court, except as specifically authorized by division (G)(1) of this section, shall suspend the mandatory jail term of three consecutive days required to be imposed by division (G)(1) of this section or place an offender who is sentenced pursuant to division (G)(1) of this section in any treatment program in lieu of imprisonment until after the offender has served the mandatory jail term of three consecutive days required to be imposed pursuant to division (G)(1) of this section.

(6) As used in division (G) of this section:

(a) "Equivalent offense" has the same meaning as in section 4511.181 of the Revised Code.

(H) Whoever violates section 1547.304 of the Revised Code is guilty of a misdemeanor of the fourth degree and also shall be assessed any costs incurred by the state or a county, township, municipal corporation, or other political subdivision in disposing of an abandoned junk vessel or outboard motor, less any money accruing to the state, county, township, municipal corporation, or other political subdivision from that disposal.

(I) Whoever violates division (B) or (C) of section 1547.49 of the Revised Code is guilty of a

minor misdemeanor.

(J) Whoever violates section 1547.31 of the Revised Code is guilty of a misdemeanor of the fourth degree on a first offense. On each subsequent offense, the person is guilty of a misdemeanor of the third degree.

(C) The juvenile court, except as to juvenile courts that are a separate division of the court of common pleas or a separate and independent juvenile court, has jurisdiction to hear, determine, and make a record of any action for divorce or legal separation that involves the custody or care of children and that is filed in the court of common pleas and certified by the court of common pleas with all the papers filed in the action to the juvenile court for trial, provided that no certification of that nature shall be made to any juvenile court unless the consent of the juvenile judge first is obtained. After a certification of that nature is made and consent is obtained, the juvenile court shall proceed as if the action originally had been begun in that court, except as to awards for spousal support or support due and unpaid at the time of certification, over which the juvenile court has no jurisdiction.

(D) The juvenile court, except as provided in division (I) of section 2301.03 of the Revised Code, has jurisdiction to hear and determine all matters as to custody and support of children duly certified by the court of common pleas to the juvenile court after a divorce decree has been granted, including jurisdiction to modify the judgment and decree of the court of common pleas as the same relate to the custody and support of children.

(E) The juvenile court, except as provided in division (I) of section 2301.03 of the Revised Code, has jurisdiction to hear and determine the case of any child certified to the court by any court of competent jurisdiction if the child comes within the jurisdiction of the juvenile court as defined by this section.

(F)(1) The juvenile court shall exercise its jurisdiction in child custody matters in accordance with sections 3109.04 and 3127.01 to 3127.53 of the Revised Code and, as applicable, sections 5103.20 to 5103.22 or 5103.23 to 5103.237 of the Revised Code.

(2) The juvenile court shall exercise its jurisdiction in child support matters in accordance with section 3109.05 of the Revised Code.

(G) Any juvenile court that makes or modifies an order for child support shall comply with Chapters 3119., 3121., 3123., and 3125. of the Revised Code. If any person required to pay child support under an order made by a juvenile court on or after April 15, 1985, or modified on or after December 1, 1986, is found in contempt of court for failure to make support payments under the order, the court that makes the finding, in addition to any other penalty or remedy imposed, shall assess all court costs arising out of the contempt proceeding against the person and require the person to pay any reasonable attorney's fees of any adverse party, as determined by the court, that arose in relation to the act of contempt.

(H) If a child who is charged with an act that would be an offense if committed by an adult was fourteen years of age or older and under eighteen years of age at the time of the alleged act and if

the case is transferred for criminal prosecution pursuant to section 2152.12 of the Revised Code, except as provided in section 2152.121 of the Revised Code, the juvenile court does not have jurisdiction to hear or determine the case subsequent to the transfer. The court to which the case is transferred for criminal prosecution pursuant to that section has jurisdiction subsequent to the transfer to hear and determine the case in the same manner as if the case originally had been commenced in that court, subject to section 2152.121 of the Revised Code, including, but not limited to, jurisdiction to accept a plea of guilty or another plea authorized by Criminal Rule 11 or another section of the Revised Code and jurisdiction to accept a verdict and to enter a judgment of conviction pursuant to the Rules of Criminal Procedure against the child for the commission of the offense that was the basis of the transfer of the case for criminal prosecution, whether the conviction is for the same degree or a lesser degree of the offense charged, for the commission of a lesser-included offense, or for the commission of another offense that is different from the offense charged. Section 2152.022 of the Revised Code applies with respect to the transfer of a case for criminal prosecution as described in this division and the determination of jurisdiction after the transfer and, as described in division (B) of that section, the juvenile court retains jurisdiction over charges included in the complaint or complaints containing the allegation that is the basis of the transfer that are not transferred.

(I) If a person under eighteen years of age allegedly commits an act that would be a felony if committed by an adult and if the person is not taken into custody or apprehended for that act until after the person attains twenty-one years of age, the juvenile court does not have jurisdiction to hear or determine any portion of the case charging the person with committing that act. In those circumstances, divisions (A) and (B) of section 2152.12 of the Revised Code do not apply regarding the act, and the case charging the person with committing the act shall be a criminal prosecution commenced and heard in the appropriate court having jurisdiction of the offense as if the person had been eighteen years of age or older when the person committed the act. All proceedings pertaining to the act shall be within the jurisdiction of the court having jurisdiction of the offense, and that court has all the authority and duties in the case that it has in other criminal cases in that court.

(J) In exercising its exclusive original jurisdiction under division (A)(16) of this section with respect to any proceedings brought under section 2151.34 or 3113.31 of the Revised Code in which the respondent is a child, the juvenile court retains all dispositional powers consistent with existing rules of juvenile procedure and may also exercise its discretion to adjudicate proceedings as provided in sections 2151.34 and 3113.31 of the Revised Code, including the issuance of protection orders or the approval of consent agreements under those sections.

Sec. 2151.34. (A) As used in this section:

(1) "Court" means the juvenile division of the court of common pleas of the county in which the person to be protected by the protection order resides.

(2) "Victim advocate" means a person who provides support and assistance for a person who files a petition under this section.

(3) "Family or household member" has the same meaning as in section 3113.31 of the Revised Code.

(4) "Protection order issued by a court of another state" has the same meaning as in section 2919.27 of the Revised Code.

(5) "Petitioner" means a person who files a petition under this section and includes a person

on whose behalf a petition under this section is filed.

(6) "Respondent" means a person who is under eighteen years of age and against whom a petition is filed under this section.

(7) "Sexually oriented offense" has the same meaning as in section 2950.01 of the Revised Code.

(8) "Electronic monitoring" has the same meaning as in section 2929.01 of the Revised Code.

(9) "Companion animal" has the same meaning as in section 959.131 of the Revised Code.

(B) The court has jurisdiction over all proceedings under this section.

(C)(1) Any of the following persons may seek relief under this section by filing a petition with the court:

(a) Any person on behalf of that person;

(b) Any parent or adult family or household member on behalf of any other family or household member;

(c) Any person who is determined by the court in its discretion as an appropriate person to seek relief under this section on behalf of any child.

(2) The petition shall contain or state all of the following:

(a) An allegation that the respondent engaged in a violation of section 2903.11, 2903.12, 2903.13, 2903.21, 2903.211, 2903.22, or 2911.211 of the Revised Code, committed a sexually oriented offense, or engaged in a violation of any municipal ordinance that is substantially equivalent to any of those offenses against the person to be protected by the protection order, including a description of the nature and extent of the violation;

(b) If the petitioner seeks relief in the form of electronic monitoring of the respondent, an allegation that at any time preceding the filing of the petition the respondent engaged in conduct that would cause a reasonable person to believe that the health, welfare, or safety of the person to be protected was at risk, a description of the nature and extent of that conduct, and an allegation that the respondent presents a continuing danger to the person to be protected;

(c) A request for relief under this section.

(3) The court in its discretion may determine whether or not to give notice that a petition has been filed under division (C)(1) of this section on behalf of a child to any of the following:

(a) A parent of the child if the petition was filed by any person other than a parent of the child;

(b) Any person who is determined by the court to be an appropriate person to receive notice of the filing of the petition.

(D)(1) If a person who files a petition pursuant to this section requests an ex parte order, the court shall hold an ex parte hearing as soon as possible after the petition is filed, but not later than the next day after the court is in session after the petition is filed. The court, for good cause shown at the ex parte hearing, may enter any temporary orders, with or without bond, that the court finds necessary for the safety and protection of the person to be protected by the order. Immediate and present danger to the person to be protected by the protection order constitutes good cause for purposes of this section. Immediate and present danger includes, but is not limited to, situations in which the respondent has threatened the person to be protected by the protection order with bodily harm or in which the respondent previously has been convicted of, pleaded guilty to, or been

adjudicated a delinquent child for committing a violation of section 2903.11, 2903.12, 2903.13, 2903.21, 2903.211, 2903.22, or 2911.211 of the Revised Code, a sexually oriented offense, or a violation of any municipal ordinance that is substantially equivalent to any of those offenses against the person to be protected by the protection order.

(2)(a) If the court, after an ex parte hearing, issues a protection order described in division (E) of this section, the court shall schedule a full hearing for a date that is within ten court days after the ex parte hearing. The court shall give the respondent notice of, and an opportunity to be heard at, the full hearing. The court also shall give notice of the full hearing to the parent, guardian, or legal custodian of the respondent. The court shall hold the full hearing on the date scheduled under this division unless the court grants a continuance of the hearing in accordance with this division. Under any of the following circumstances or for any of the following reasons, the court may grant a continuance of the full hearing to a reasonable time determined by the court:

(i) Prior to the date scheduled for the full hearing under this division, the respondent has not been served with the petition filed pursuant to this section and notice of the full hearing.

(ii) The parties consent to the continuance.

(iii) The continuance is needed to allow a party to obtain counsel.

(iv) The continuance is needed for other good cause.

(b) An ex parte order issued under this section does not expire because of a failure to serve notice of the full hearing upon the respondent before the date set for the full hearing under division (D)(2)(a) of this section or because the court grants a continuance under that division.

(3) If a person who files a petition pursuant to this section does not request an ex parte order, or if a person requests an ex parte order but the court does not issue an ex parte order after an ex parte hearing, the court shall proceed as in a normal civil action and grant a full hearing on the matter.

(E)(1)(a) After an ex parte or full hearing, the court may issue any protection order, with or without bond, that contains terms designed to ensure the safety and protection of the person to be protected by the protection order. The court may include within a protection order issued under this section a term requiring that the respondent not remove, damage, hide, harm, or dispose of any companion animal owned or possessed by the person to be protected by the order, and may include within the order a term authorizing the person to be protected by the order to remove a companion animal owned by the person to be protected by the order from the possession of the respondent.

(b) After a full hearing, if the court considering a petition that includes an allegation of the type described in division (C)(2)(b) of this section or the court, upon its own motion, finds upon clear and convincing evidence that the petitioner reasonably believed that the respondent's conduct at any time preceding the filing of the petition endangered the health, welfare, or safety of the person to be protected and that the respondent presents a continuing danger to the person to be protected and if division (N) of this section does not prohibit the issuance of an order that the respondent be electronically monitored, the court may order that the respondent be electronically monitored for a period of time and under the terms and conditions that the court determines are appropriate. Electronic monitoring shall be in addition to any other relief granted to the petitioner.

(2)(a) Any protection order issued pursuant to this section shall be valid until a date certain but not later than the date the respondent attains nineteen years of age.

(b) Any protection order issued pursuant to this section may be renewed in the same manner as the original order was issued.

(3) A court may not issue a protection order that requires a petitioner to do or to refrain from doing an act that the court may require a respondent to do or to refrain from doing under division (E)(1) of this section unless all of the following apply:

(a) The respondent files a separate petition for a protection order in accordance with this section.

(b) The petitioner is served with notice of the respondent's petition at least forty-eight hours before the court holds a hearing with respect to the respondent's petition, or the petitioner waives the right to receive this notice.

(c) If the petitioner has requested an ex parte order pursuant to division (D) of this section, the court does not delay any hearing required by that division beyond the time specified in that division in order to consolidate the hearing with a hearing on the petition filed by the respondent.

(d) After a full hearing at which the respondent presents evidence in support of the request for a protection order and the petitioner is afforded an opportunity to defend against that evidence, the court determines that the petitioner has committed a violation of section 2903.11, 2903.12, 2903.13, 2903.21, 2903.211, 2903.22, or 2911.211 of the Revised Code, a sexually oriented offense, or a violation of any municipal ordinance that is substantially equivalent to any of those offenses against the person to be protected by the protection order issued pursuant to division (E)(3) of this section, or has violated a protection order issued pursuant to this section or section 2903.213 of the Revised Code relative to the person to be protected by the protection order issued pursuant to division (E)(3) of this section.

(4) No protection order issued pursuant to this section shall in any manner affect title to any real property.

(5)(a) A protection order issued under this section shall clearly state that the person to be protected by the order cannot waive or nullify by invitation or consent any requirement in the order.

(b) Division (E)(5)(a) of this section does not limit any discretion of a court to determine that a respondent alleged to have violated section 2919.27 of the Revised Code, violated a municipal ordinance substantially equivalent to that section, or committed contempt of court, which allegation is based on an alleged violation of a protection order issued under this section, did not commit the violation or was not in contempt of court.

(6) Any protection order issued pursuant to this section shall include a provision that the court will automatically seal all of the records of the proceeding in which the order is issued on the date the respondent attains the age of nineteen years unless the petitioner provides the court with evidence that the respondent has not complied with all of the terms of the protection order. The protection order shall specify the date when the respondent attains the age of nineteen years.

(F)(1) The court shall cause the delivery of a copy of any protection order that is issued under this section to the petitioner, to the respondent, and to all law enforcement agencies that have jurisdiction to enforce the order. The court shall direct that a copy of the order be delivered to the respondent and the parent, guardian, or legal custodian of the respondent on the same day that the order is entered.

(2) Upon the issuance of a protection order under this section, the court shall provide the

parties to the order with the following notice orally or by form:

"NOTICE

As a result of this order, it may be unlawful for you to possess or purchase a firearm, including a rifle, pistol, or revolver, or ammunition pursuant to federal law under 18 U.S.C. 922(g)(8) for the duration of this order. If you have any questions whether this law makes it illegal for you to possess or purchase a firearm or ammunition, you should consult an attorney."

(3) All law enforcement agencies shall establish and maintain an index for the protection orders delivered to the agencies pursuant to division (F)(1) of this section. With respect to each order delivered, each agency shall note on the index the date and time that it received the order.

(4) Regardless of whether the petitioner has registered the protection order in the county in which the officer's agency has jurisdiction pursuant to division (M) of this section, any officer of a law enforcement agency shall enforce a protection order issued pursuant to this section by any court in this state in accordance with the provisions of the order, including removing the respondent from the premises, if appropriate.

(G)(1) Any proceeding under this section shall be conducted in accordance with the Rules of Civil Procedure, except that a protection order may be obtained under this section with or without bond. An order issued under this section, other than an ex parte order, that grants a protection order, or that refuses to grant a protection order, is a final, appealable order. The remedies and procedures provided in this section are in addition to, and not in lieu of, any other available civil or criminal remedies or any other available remedies under Chapter 2151. or 2152. of the Revised Code.

(2) If as provided in division (G)(1) of this section an order issued under this section, other than an ex parte order, refuses to grant a protection order, the court, on its own motion, shall order that the ex parte order issued under this section and all of the records pertaining to that ex parte order be sealed after either of the following occurs:

(a) No party has exercised the right to appeal pursuant to Rule 4 of the Rules of Appellate Procedure.

(b) All appellate rights have been exhausted.

(H) The filing of proceedings under this section does not excuse a person from filing any report or giving any notice required by section 2151.421 of the Revised Code or by any other law.

(I) Any law enforcement agency that investigates an alleged violation of section 2903.11, 2903.12, 2903.13, 2903.21, 2903.211, 2903.22, or 2911.211 of the Revised Code, an alleged commission of a sexually oriented offense, or an alleged violation of a municipal ordinance that is substantially equivalent to any of those offenses shall provide information to the victim and the family or household members of the victim regarding the relief available under this section.

(J)(1) Subject to division (J)(2) of this section and regardless of whether a protection order is issued or a consent agreement is approved by a court of another county or by a court of another state, no court or unit of state or local government shall charge the petitioner any fee, cost, deposit, or money in connection with the filing of a petition pursuant to this section, in connection with the filing, issuance, registration, modification, enforcement, dismissal, withdrawal, or service of a protection order, consent agreement, or witness subpoena or for obtaining a certified copy of a protection order or consent agreement.

(2) Regardless of whether a protection order is issued or a consent agreement is approved

pursuant to this section, the court may assess costs against the respondent in connection with the filing, issuance, registration, modification, enforcement, dismissal, withdrawal, or service of a protection order, consent agreement, or witness subpoena or for obtaining a certified copy of a protection order or consent agreement.

(K)(1) A person who violates a protection order issued under this section is subject to the following sanctions:

(a) A delinquent child proceeding or a criminal prosecution for a violation of section 2919.27 of the Revised Code, if the violation of the protection order constitutes a violation of that section;

(b) Punishment for contempt of court.

(2) The punishment of a person for contempt of court for violation of a protection order issued under this section does not bar criminal prosecution of the person or a delinquent child proceeding concerning the person for a violation of section 2919.27 of the Revised Code. However, a person punished for contempt of court is entitled to credit for the punishment imposed upon conviction of or adjudication as a delinquent child for a violation of that section, and a person convicted of or adjudicated a delinquent child for a violation of that section shall not subsequently be punished for contempt of court arising out of the same activity.

(L) In all stages of a proceeding under this section, a petitioner may be accompanied by a victim advocate.

(M)(1) A petitioner who obtains a protection order under this section may provide notice of the issuance or approval of the order to the judicial and law enforcement officials in any county other than the county in which the order is issued by registering that order in the other county pursuant to division (M)(2) of this section and filing a copy of the registered order with a law enforcement agency in the other county in accordance with that division. A person who obtains a protection order issued by a court of another state may provide notice of the issuance of the order to the judicial and law enforcement officials in any county of this state by registering the order in that county pursuant to section 2919.272 of the Revised Code and filing a copy of the registered order with a law enforcement agency in that county.

(2) A petitioner may register a protection order issued pursuant to this section in a county other than the county in which the court that issued the order is located in the following manner:

(a) The petitioner shall obtain a certified copy of the order from the clerk of the court that issued the order and present that certified copy to the clerk of the court of common pleas or the clerk of a municipal court or county court in the county in which the order is to be registered.

(b) Upon accepting the certified copy of the order for registration, the clerk of the court of common pleas, municipal court, or county court shall place an endorsement of registration on the order and give the petitioner a copy of the order that bears that proof of registration.

(3) The clerk of each court of common pleas, municipal court, or county court shall maintain a registry of certified copies of protection orders that have been issued by courts in other counties pursuant to this section and that have been registered with the clerk.

(N) If the court orders electronic monitoring of the respondent under this section, the court shall direct the sheriff's office or any other appropriate law enforcement agency to install the electronic monitoring device and to monitor the respondent. Unless the court determines that the respondent is indigent, the court shall order the respondent to pay the cost of the installation and

~~monitoring of the electronic monitoring device. If the court determines that the respondent is indigent and subject to the maximum amount allowable to be paid in any year from the fund and the rules promulgated by the attorney general under section 2903.214 of the Revised Code, the cost of the installation and monitoring of the electronic monitoring device may be paid out of funds from the reparations fund created pursuant to section 2743.191 of the Revised Code. The total amount paid from the reparations fund created pursuant to section 2743.191 of the Revised Code for electronic monitoring under this section and sections 2903.214 and 2919.27 of the Revised Code shall not exceed three hundred thousand dollars per year. When the total amount paid from the reparations fund in any year for electronic monitoring under those sections equals or exceeds three hundred thousand dollars, the court shall not order pursuant to this section that an indigent respondent be electronically monitored.~~

(O) The court, in its discretion, may determine if the respondent is entitled to court-appointed counsel in a proceeding under this section.

Sec. 2151.358. (A) The juvenile court shall expunge all records sealed under section 2151.356 of the Revised Code five years after the court issues a sealing order or upon the twenty-third birthday of the person who is the subject of the sealing order, whichever date is earlier.

(B) Notwithstanding division (A) of this section, upon application by the person who has had a record sealed under section 2151.356 of the Revised Code, the juvenile court may expunge a record sealed under section 2151.356 of the Revised Code. In making the determination whether to expunge records, all of the following apply:

(1) The court may require a person filing an application for expungement to submit any relevant documentation to support the application.

(2) The court may cause an investigation to be made to determine if the person who is the subject of the proceedings has been rehabilitated to a satisfactory degree.

(3) The court shall promptly notify the prosecuting attorney of any proceedings to expunge records.

(1) The court in which the child is convicted of or pleads guilty to the ~~offense~~ offenses shall determine whether, had a complaint been filed in juvenile court alleging that the child was a delinquent child for committing an act that would be ~~that offense~~ any of the offenses if committed by an adult, division (A) of section 2152.12 of the Revised Code would have required mandatory transfer of the case or division (B) of that section would have allowed discretionary transfer of the case. The court shall not consider the factor specified in division (B)(3) of section 2152.12 of the Revised Code in making its determination under this division.

(2) If the court in which the child is convicted of or pleads guilty to the ~~offense~~ offenses determines under division (B)(1) of this section that, had a complaint been filed in juvenile court alleging that the child was a delinquent child for committing an act that would be ~~that offense~~ any of the offenses if committed by an adult, division (A) of section 2152.12 of the Revised Code would not have required mandatory transfer of the case, and division (B) of that section would not have allowed discretionary transfer of the case, the court shall transfer jurisdiction of the case back to the juvenile court that initially transferred the case, the court and all other agencies that have any record of the conviction of the child or the child's guilty plea shall expunge all of the conviction or convictions and guilty plea ~~pleas~~ and all records of ~~it~~ them, the ~~conviction or convictions and guilty plea~~ conviction or convictions and guilty plea shall be considered and treated for all purposes other than as provided in this section to have never occurred, the ~~conviction or convictions and guilty plea~~ conviction or convictions and guilty plea shall be considered and treated for all purposes other than as provided in this section to have been a ~~delinquent child adjudication~~ adjudication of the child, and the juvenile court shall impose one or more traditional juvenile dispositions ~~upon~~ on the child under sections 2152.19 and 2152.20 of the Revised Code for each of the offenses.

imposed ~~upon-on~~ the child under Chapter 2929. of the Revised Code for each of the offenses, shall impose that sentence ~~upon-on~~ the child, and shall stay that sentence pending completion of the procedures specified in this division. Upon imposition and staying of the sentence, the court shall transfer jurisdiction of the case back to the juvenile court that initially transferred the case and the juvenile court shall proceed in accordance with this division. In no case may the child waive a right to a hearing of the type described in division (B)(3)(b) of this section, regarding a motion filed as described in that division by the prosecuting attorney in the case. Upon transfer of jurisdiction of the case back to the juvenile court, both of the following apply:

(a) Except as otherwise provided in division (B)(3)(b) of this section, for each of the offenses, the juvenile court shall impose a serious youthful offender dispositional sentence ~~upon-on~~ the child under division (D)(1) of section 2152.13 of the Revised Code. Upon the filing of a motion under this division, the juvenile court shall hold a hearing to determine whether the child is not amenable to care or rehabilitation within the juvenile system and whether the safety of the community may require that the child be subject solely to adult sanctions. If the juvenile court at the hearing finds that the child is not amenable to care or rehabilitation within the juvenile system or that the safety of the community may require that the child be subject solely to adult sanctions, the court shall grant the motion. Absent such a finding, the juvenile court shall deny the motion. In making its decision under this division, the juvenile court shall consider the factors listed in division (D) of section 2152.12 of the Revised Code as factors indicating that the motion should be granted, shall consider the factors listed in division (E) of that section as factors indicating that the motion should not be granted, and shall consider whether the applicable factors listed in division (D) of that section outweigh the applicable factors listed in division (E) of that section.

If the juvenile court grants the motion of the prosecuting attorney under this division, the juvenile court shall transfer jurisdiction of the case back to the court in which the child was convicted of or pleaded guilty to the ~~offense-offenses~~, and the ~~sentence-sentences~~ imposed by that court shall be invoked. If the juvenile court denies the motion of the prosecuting attorney under this section, for
