(C)(1) Each individual applying for a license and each individual specified by a corporation as an officer or qualifying agent in an application shall submit one complete set of fingerprints directly to the superintendent of the bureau of criminal identification and investigation for the purpose of conducting a criminal records check. The individual shall provide the fingerprints using a method the superintendent prescribes pursuant to division (C)(2) of section 109.572 of the Revised Code and fill out the form the superintendent prescribes pursuant to division (C)(1) of section 109.572 of the Revised Code. An applicant who intends to carry a firearm as defined in section 2923.11 of the Revised Code in the course of business or employment shall so notify the superintendent. This notification is in addition to any other requirement related to carrying a firearm that applies to the applicant. The individual or corporation requesting the criminal records check shall pay the fee the superintendent prescribes.

(2) The superintendent shall conduct the criminal records check as set forth in division (B) of section 109.572 of the Revised Code. If an applicant intends to carry a firearm in the course of business or employment, the superintendent shall make a request to the federal bureau of investigation for any information and review the information the bureau provides pursuant to division (B)(2) of section 109.572 of the Revised Code. The superintendent shall submit all results of the completed investigation to the director of public safety.

(3) If the director determines that the applicant, officer, or qualifying agent meets the requirements of divisions (A)(1)(a), (b), and (d) of this section and that an officer or qualifying agent meets the requirement of division (F)(1) of this section, the director shall notify the applicant,

officer, or agent of the time and place for the examination. If the director determines that an applicant does not meet the requirements of divisions (A)(1)(a), (b), and (d) of this section, the director shall notify the applicant that the applicant's application is refused and refund the license fee. If the director determines that none of the individuals specified in the application of a corporation as satisfying the requirements of divisions (A)(1) and (F)(1) of this section meet the requirements of divisions (A)(1)(a), (b), and (d) and (F)(1) of this section, the director shall notify the corporation that its application is refused and refund the license fee. If the bureau assesses the director a fee for any investigation, the director, in addition to any other fee assessed pursuant to this chapter, may assess the applicant, officer, or qualifying agent, as appropriate, a fee that is equal to the fee assessed by the bureau.

(4)(a) Subject to division (C)(4)(c) of this section, the director shall not adopt, maintain, renew, or enforce any rule, or otherwise preclude in any way, an individual from renewing a license under this chapter due to any past criminal activity or interpretation of moral character. If the director denies an individual a license renewal, the reasons for such denial shall be put in writing.

(b) The director may refuse to issue a license to an applicant because of a conviction or of plea of guilty to an offense if the refusal is in accordance with section 9.79 of the Revised Code.

(c) In considering a renewal of an individual's license, the director shall not consider any conviction or plea of guilty prior to the initial licensing. However, the director may consider a conviction or plea of guilty if it occurred after the individual was initially licensed, or after the most recent license renewal.

(d) The director may grant an individual a conditional license that lasts for one year. After the one-year period has expired, the license is no longer considered conditional, and the individual shall be considered fully licensed.

(D) If upon application, investigation, and examination, the director finds that the applicant or, in the case of a corporation, any officer or qualifying agent specified in the application as satisfying the requirements of divisions (A)(1) and (F)(1) of this section, meets the applicable requirements, the director shall issue the applicant or the corporation a class A, B, or C license. The license and identification card shall state the licensee's name, the classification of the license, the location of the licensee's principal place of business in this state, and the expiration date of the license, and, in the case of a corporation, it also shall state the name of each officer or qualifying agent who satisfied the requirements of divisions (A)(1) and (F)(1) of this section.

Licenses issued before the effective date of this amendment expire on the first day of March following the date of initial issue, and on the first day of March of each year every two years thereafter. Licenses issued on or after the effective date of this amendment expire two years after the date of initial issue. Annual renewals—Renewals shall be according to the standard renewal procedures contained in Chapter 4745. of the Revised Code, upon payment of an annual a renewal

fee the director determines, not to exceed ~~two-five~~ hundred ~~seventy-five-fifty~~ dollars. No license shall be renewed if the licensee or, in the case of a corporation, each officer or qualifying agent who qualified the corporation for licensure no longer meets the applicable requirements of this section. No license shall be renewed unless the licensee provides evidence of workers' compensation risk coverage and unemployment compensation insurance coverage, other than for clerical employees and excepting sole proprietors who are exempted therefrom, as provided for in Chapters 4123. and 4141. of the Revised Code, respectively, as well as the licensee's state tax identification number. No reexamination shall be required for renewal of a current license.

For purposes of this chapter, a class A, B, or C license issued to a corporation shall be considered as also having licensed the individuals who qualified the corporation for licensure, for as long as they are associated with the corporation.

For purposes of this division, "sole proprietor" means an individual licensed under this chapter who does not employ any other individual.

(E) The director may issue a duplicate copy of a license issued under this section for the purpose of replacement of a lost, spoliated, or destroyed license, upon payment of a fee the director determines, not exceeding twenty-five dollars. Any change in license classification requires new application and application fees.

(F)(1) In order to qualify a corporation for a class A, B, or C license, an officer or qualifying agent may qualify another corporation for similar licensure, provided that the officer or qualifying agent is actively engaged in the business of both corporations.

(2) Each officer or qualifying agent who qualifies a corporation for class A, B, or C licensure shall surrender any personal license of a similar nature that the officer or qualifying agent possesses.

(3) Upon written notification to the director, completion of an application similar to that for original licensure, surrender of the corporation's current license, and payment of a twenty-five-dollar fee, a corporation's class A, B, or C license may be transferred to another corporation.

(4) Upon written notification to the director, completion of an application similar to that for an individual seeking class A, B, or C licensure, payment of a twenty-five-dollar fee, and, if the individual was the only individual that qualified a corporation for licensure, surrender of the corporation's license, any officer or qualifying agent who qualified a corporation for licensure under this chapter may obtain a similar license in the individual's own name without reexamination. A request by an officer or qualifying agent for an individual license shall not affect a corporation's license unless the individual is the only individual that qualified the corporation for licensure or all the other individuals who qualified the corporation for licensure submit such requests.

(G) If a corporation is for any reason no longer associated with an individual who qualified it for licensure under this chapter, an officer of the corporation shall notify the director of that fact by certified mail, return receipt requested, within ten days after the association terminates. If the notification is so given, the individual was the only individual that qualified the corporation for licensure, and the corporation submits the name of another officer or qualifying agent to qualify the

corporation for the license within thirty days after the association terminates, the corporation may continue to operate in the business of private investigation, the business of security services, or both businesses in this state under that license for ninety days after the association terminates. If the officer or qualifying agent whose name is submitted satisfies the requirements of divisions (A)(1) and (F)(1) of this section, the director shall issue a new license to the corporation within that ninety-day period. The names of more than one individual may be submitted.

Sec. 4763.05. (A)(1)(a) A person shall make application for an initial state-certified general real estate appraiser certificate, an initial state-certified residential real estate appraiser certificate, an initial state-licensed residential real estate appraiser license, or an initial state-registered real estate appraiser assistant registration in writing to the superintendent of real estate on a form the superintendent prescribes. The application shall include the address of the applicant's principal place of business and all other addresses at which the applicant currently engages in the business of performing real estate appraisals and the address of the applicant's current residence. The superintendent shall retain the applicant's current residence address in a separate record which does not constitute a public record for purposes of section 149.43 of the Revised Code. The application shall indicate whether the applicant seeks certification as a general real estate appraiser or as a residential real estate appraiser, licensure as a residential real estate appraiser, or registration as a real estate appraiser assistant and be accompanied by the prescribed examination and certification, registration, or licensure fees set forth in section 4763.09 of the Revised Code. The application also shall include a pledge, signed by the applicant, that the applicant will comply with the standards set forth in this chapter; and a statement that the applicant understands the types of misconduct for which disciplinary proceedings may be initiated against the applicant pursuant to this chapter.

(b) Upon the filing of an application and payment of any examination and certification, registration, or licensure fees, the superintendent of real estate shall request the superintendent of the bureau of criminal identification and investigation, or a vendor approved by the bureau, to conduct a criminal records check based on the applicant's fingerprints in accordance with section 109.572 of the Revised Code. Notwithstanding division (L) of section 121.08 of the Revised Code, the superintendent of real estate shall request that criminal record information from the federal bureau of investigation be obtained as part of the criminal records check. Any fee required under division (C) (3) of section 109.572 of the Revised Code shall be paid by the applicant.

(2) For purposes of providing funding for the real estate appraiser recovery fund established by section 4763.16 of the Revised Code, the real estate appraiser board shall levy an assessment against each person issued an initial certificate, registration, or license and against current licensees, registrants, and certificate holders, as required by board rule. The assessment is in addition to the application and examination fees for initial applicants required by division (A)(1) of this section and the renewal fees required for current certificate holders, registrants, and licensees. The superintendent of real estate shall deposit the assessment into the state treasury to the credit of the real estate appraiser recovery fund. The assessment for initial certificate holders, registrants, and

licensees shall be paid prior to the issuance of a certificate, registration, or license, and for current certificate holders, registrants, and licensees, at the time of renewal.

(B) An applicant for an initial general real estate appraiser certificate, residential real estate appraiser certificate, or residential real estate appraiser license shall possess experience in real estate appraisal as the board prescribes by rule. In addition to any other information required by the board, the applicant shall furnish, under oath, a detailed listing of the appraisal reports or file memoranda for each year for which experience is claimed and, upon request of the superintendent or the board, shall make available for examination a sample of the appraisal reports prepared by the applicant in the course of the applicant's practice.

(C) An applicant for an initial certificate, registration, or license shall be at least eighteen years of age, honest, and truthful and shall present satisfactory evidence to the superintendent that the applicant has successfully completed any education requirements the board prescribes by rule.

(D) An applicant for an initial general real estate appraiser or residential real estate appraiser certificate or residential real estate appraiser license shall take and successfully complete a written examination in order to qualify for the certificate or license.

The board shall prescribe the examination requirements by rule.

(E)(1) The board shall issue a residential real estate appraiser license, a residential real estate appraiser certificate, real estate appraiser assistant registration, or a general real estate appraiser certificate in accordance with Chapter 4796. of the Revised Code to an applicant if either of the following applies:

(a) The applicant holds a certificate, license, or registration in another state.

(b) The applicant has satisfactory work experience, a government certification, or a private certification as described in that chapter as a residential real estate appraiser, real estate appraiser assistant, or general real estate appraiser in a state that does not issue that certificate, license, or registration.

(2)(a) The board shall recognize on a temporary basis a certification or license issued in another state and shall register on a temporary basis an appraiser who is certified or licensed in another state if all of the following apply:

(i) The temporary registration is to perform an appraisal assignment that is part of a federally related transaction.

(ii) The appraiser's business in this state is of a temporary nature.

(iii) The appraiser registers with the board pursuant to this division.

(b) An appraiser who is certified or licensed in another state shall register with the board for temporary practice before performing an appraisal assignment in this state in connection with a federally related transaction.

(c) The board shall adopt rules relating to registration for the temporary recognition of certification and licensure of appraisers from another state. The registration for temporary recognition of certified or licensed appraisers from another state shall not authorize completion of

more than one appraisal assignment in this state. The board shall not issue more than two registrations for temporary practice to any one applicant in any calendar year. The application for obtaining a registration under this division may include any of the following:

(i) A pledge, signed by the applicant, that the applicant will comply with the standards set forth in this chapter;

(ii) A statement that the applicant understands the types of misconduct for which disciplinary proceedings may be initiated against the applicant pursuant to this chapter;

(iii) A consent to service of process.

(d) A nonresident appraiser whose certification or license has been recognized by the board on a temporary basis and who is acting in accordance with this section and the board's rules is not required to obtain a license in accordance with Chapter 4796. of the Revised Code.

(F) The superintendent shall not issue a certificate, registration, or license to, or recognize on a temporary basis an appraiser from another state that is a corporation, partnership, or association. This prohibition shall not be construed to prevent a certificate holder or licensee from signing an appraisal report on behalf of a corporation, partnership, or association.

(G) Every person licensed, registered, or certified under this chapter shall notify the superintendent, on a form provided by the superintendent, of a change in the address of the licensee's, registrant's, or certificate holder's principal place of business or residence within thirty days of the change. If a licensee's, registrant's, or certificate holder's license, registration, or certificate is revoked or not renewed, the licensee, registrant, or certificate holder immediately shall return the ~~annual and any renewal~~ certificate, registration, or license to the superintendent.

(H)(1) The superintendent shall not issue a certificate, registration, or license to any person, or recognize on a temporary basis an appraiser from another state, who does not meet applicable minimum criteria for state certification, registration, or licensure prescribed by federal law or rule.

(2) The superintendent shall not refuse to issue a general real estate appraiser certificate, residential real estate appraiser certificate, residential real estate appraiser license, or real estate appraiser assistant registration to any person because of a conviction of or plea of guilty to any criminal offense unless the refusal is in accordance with section 9.79 of the Revised Code.

Sec. 4763.06. (A) A person licensed, registered, or certified under this chapter may obtain a renewal certificate, registration, or license by filing a renewal application with and paying the renewal fee set forth in section 4763.09 of the Revised Code and any amount assessed pursuant to division (A)(2) of section 4763.05 of the Revised Code to the superintendent of real estate. The renewal application shall include a statement, signed by the certificate holder, registrant, or licensee, that the certificate holder, registrant, or licensee has not, ~~during the immediately preceding twelve-month period,~~ been convicted of or pleaded guilty to any criminal offense described in division (H) (2) of section 4763.05 of the Revised Code since the issuance or renewal of the individual's most recent certificate, registration, or license. The certificate holder, registrant, or licensee shall file the renewal application at least thirty days, but no earlier than one hundred twenty days, prior to

expiration of the certificate holder's, registrant's, or licensee's current certificate, registration, or license. The superintendent shall establish a method by which a certificate holder, registrant, or licensee may electronically file the renewal application and pay the fee and the assessed amount required for renewal.

(B) A certificate holder, registrant, or licensee who fails to renew a certificate, registration, or license prior to its expiration is ineligible to obtain a renewal certificate, registration, or license and shall comply with section 4763.05 of the Revised Code in order to regain certification, registration, or licensure, except that a certificate holder, registrant, or licensee may renew the certificate, registration, or license without having to comply with section 4763.05 of the Revised Code by doing either of the following:

(1) Filing a renewal application and submitting payment of all fees for renewal and payment of the late filing fee set forth in section 4763.09 of the Revised Code within three months after the expiration of the certificate holder's, registrant's, or licensee's certificate, registration, or license;

(2) Obtaining a medical exception under division (C) of this section, filing a renewal application, and submitting payment of all fees for renewal and payment of the late filing fee set forth in section 4763.09 of the Revised Code. (C) The superintendent may grant a medical exception upon application by a person certified, registered, or licensed under this chapter. To receive an exception, the certificate holder, registrant, or licensee shall submit a request to the superintendent with proof satisfactory that a medical exception is warranted. If the superintendent makes a determination that satisfactory proof has not been presented, within fifteen days of the date of the denial of the medical exception the certificate holder, registrant, or licensee may file with the division of real estate a request that the real estate appraiser board review the determination. The board may adopt reasonable rules in accordance with Chapter 119. of the Revised Code to implement this division.

Sec. 4763.07. ~~(A) Every (A)(1) Beginning on and after the effective date of this amendment, every state-certified general real estate appraiser, state-certified residential real estate appraiser and, state-licensed residential real estate appraiser, and state-registered real estate appraiser assistant shall submit proof of successfully completing a minimum of fourteen-twenty-eight classroom hours of continuing education instruction in courses or seminars approved by the real estate appraiser board. A certificate holder, licensee, or registrant may not engage in any activities permitted by the certificate, license, or registration during the three-month period following the certificate's, license's, or registration's normal expiration date or during the time period for which a medical exception applies.

(D) The superintendent of real estate shall not issue a renewal certificate, registration, or license to any person who does not meet applicable minimum criteria for state certification, registration, or licensure prescribed by federal law or rule.

(B) It is the intent of the General Assembly, through the repeal by this act of section 3701.89 of the Revised Code, to abolish the Ohio Medical Quality Foundation as a statutory entity on January 1, 2026.

(C) As soon as practicable after the effective date of this section but not later than April 1, 2025, the Foundation, through its corporate trustee, shall transfer all of its remaining unencumbered funds, to the extent possible under law and contract, to the Medical Quality Assurance Fund established under section 113.78 of the Revised Code.

(D) As soon as practicable after the transfer described in division (C) of this section, the trustees of the Foundation shall prepare a written report identifying the following:
