(J) If a person whose driver's or commercial driver's license or permit or nonresident operating privilege is suspended under this section files an appeal regarding any aspect of the person's trial or sentence, the appeal itself does not stay the operation of the suspension.

(K) Division (A)(1)(j) of this section does not apply to a person who operates a vehicle, streetcar, or trackless trolley while the person has a concentration of a listed controlled substance or a listed metabolite of a controlled substance in the person's whole blood, blood serum or plasma, or urine that equals or exceeds the amount specified in that division, if both of the following apply:

(M) All terms defined in section 4510.01 of the Revised Code apply to this section. If the meaning of a term defined in section 4510.01 of the Revised Code conflicts with the meaning of the same term as defined in section 4501.01 or 4511.01 of the Revised Code, the term as defined in section 4510.01 of the Revised Code applies to this section.

(3) The chemical test or tests under division (A)(2) of this section shall be administered at the request of a law enforcement officer having reasonable grounds to believe the person was operating or in physical control of a vehicle, streetcar, or trackless trolley in violation of a division, section, or ordinance identified in division (A)(2) of this section. The law enforcement agency by which the officer is employed shall designate which of the tests shall be administered.

(4) Any person who is dead or unconscious, or who otherwise is in a condition rendering the person incapable of refusal, shall be deemed to have consented as provided in division (A)(2) of this section, and the test or tests may be administered, subject to sections 313.12 to 313.16 of the Revised Code.

test the officer may employ whatever reasonable means are necessary to ensure that the person submits to a chemical test of the person's whole blood or blood serum or plasma. The officer shall also advise the person at the time of the arrest that the person may have an independent chemical test taken at the person's own expense. Divisions (A)(3) and (4) of this section apply to the administration of a chemical test or tests pursuant to this division.

(b) If a person refuses to submit to a chemical test upon a request made pursuant to division (A)(5)(a) of this section, the law enforcement officer who made the request may employ whatever reasonable means are necessary to ensure that the person submits to a chemical test of the person's whole blood or blood serum or plasma. A law enforcement officer who acts pursuant to this division to ensure that a person submits to a chemical test of the person's whole blood or blood serum or plasma is immune from criminal and civil liability based upon a claim for assault and battery or any other claim for the acts, unless the officer so acted with malicious purpose, in bad faith, or in a wanton or reckless manner.

(B)(1) Upon receipt of the sworn report of a law enforcement officer who arrested a person for a violation of division (A) or (B) of section 4511.19 of the Revised Code, section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, or a municipal OVI ordinance that was completed and sent to the registrar of motor vehicles and a court pursuant to section 4511.192 of the Revised Code in regard to a person who refused to take the designated chemical test, the registrar shall enter into the registrar's records the fact that the person's driver's or commercial driver's license or permit or nonresident operating privilege was suspended by the arresting officer under this division and that section and the period of the suspension, as determined under this section. (i) The court determines that substance abuse was a contributing factor leading to the criminal or delinquent activity or the juvenile traffic offense with which the person is charged.

(ii) The court determines that the person is unable to pay the cost of the alcohol and drug abuse assessment and treatment for which the surplus money will be used.

(b) Expend any of the surplus amount to pay all or part of the cost of purchasing alcohol monitoring devices to be used in conjunction with division (H)(3)(c) of this section, upon exhaustion of moneys in the indigent drivers interlock and alcohol monitoring fund for the use of an alcohol monitoring device.

(c) Transfer to another court in the same county any of the surplus amount to be utilized in a manner consistent with division (H)(3) of this section. If surplus funds are transferred to another court, the court that transfers the funds shall notify the alcohol and drug addiction services board or

the board of alcohol, drug addiction, and mental health services that serves the alcohol, drug addiction, and mental health service district in which that court is located.

(d) Transfer to the alcohol and drug addiction services board or the board of alcohol, drug addiction, and mental health services that serves the alcohol, drug addiction, and mental health service district in which the court is located any of the surplus amount to be utilized in a manner consistent with division (H)(3) of this section or for board contracted recovery support services.

(e) Expend any of the surplus amount for the cost of staffing, equipment, training, drug testing, supplies, and other expenses of any specialized docket program established within the court and certified by the supreme court.

(5) In order to determine if an offender does not have the means to pay for the offender's attendance at an alcohol and drug addiction treatment program for purposes of division (H)(3) of this section or if an alleged offender or delinquent child is unable to pay the costs specified in division (H)(4) of this section, the court shall use the indigent client eligibility guidelines and the standards of indigency established by the state public defender to make the determination.

(6) The court shall identify and refer any community addiction services provider that intends to provide alcohol and drug addiction services and has not had its alcohol and drug addiction services certified under section 5119.36 of the Revised Code and that is interested in receiving amounts from the surplus in the fund declared under division (H)(4) of this section to the department of mental health and addiction services in order for the community addiction services provider to have its alcohol and drug addiction services certified by the department. The department shall keep a record of applicant referrals received pursuant to this division and shall submit a report on the referrals each year to the general assembly. If a community addiction services provider interested in having its alcohol and drug addiction services certified makes an application pursuant to section 5119.36 of the Revised Code, the community addiction services provider is eligible to receive surplus funds as long as the application is pending with the department. The department of mental health and addiction services must offer technical assistance to the applicant. If the interested community addiction services provider withdraws the certification application, the department must notify the court, and the court shall not provide the interested community addiction services provider with any further surplus funds.

(7)(a) Each alcohol and drug addiction services board and board of alcohol, drug addiction, and mental health services established pursuant to section 340.02 or 340.021 of the Revised Code shall submit to the department of mental health and addiction services an annual report for each indigent drivers alcohol treatment fund in that board's area.

(b) The report, which shall be submitted not later than sixty days after the end of the state fiscal year, shall provide the total payment that was made from the fund, including the number of indigent consumers that received treatment services and the number of indigent consumers that received an alcohol monitoring device. The report shall identify the treatment program and expenditure for an alcohol monitoring device for which that payment was made. The report shall

include the fiscal year balance of each indigent drivers alcohol treatment fund located in that board's area. In the event that a surplus is declared in the fund pursuant to division (H)(4) of this section, the report also shall provide the total payment that was made from the surplus moneys and identify the authorized purpose for which that payment was made.

(c) If a board is unable to obtain adequate information to develop the report to submit to the department for a particular indigent drivers alcohol treatment fund, the board shall submit a report detailing the effort made in obtaining the information.

(1)(1) The indigent drivers interlock and alcohol monitoring fund is established in the state treasury. Money in the fund shall be distributed by the department of public safety to the county indigent drivers interlock and alcohol monitoring funds, the county juvenile indigent drivers interlock and alcohol monitoring funds, and the municipal indigent drivers interlock and alcohol monitoring funds that are required to be established by counties and municipal corporations pursuant to this section, and shall be used only to pay the cost of an immobilizing or disabling device, including a certified ignition interlock device, or an alcohol monitoring device used by an offender or juvenile offender who is ordered to use the device by a county, juvenile, or municipal court judge and who is determined by the county, juvenile, or municipal court judge not to have the means to pay for the person's use of the device.

(2) Each county shall establish an indigent drivers interlock and alcohol monitoring fund and a juvenile indigent drivers interlock and alcohol treatment fund. Each municipal corporation in which there is a municipal court shall establish an indigent drivers interlock and alcohol monitoring fund. All revenue that the general assembly appropriates to the indigent drivers interlock and alcohol monitoring fund for transfer to a county indigent drivers interlock and alcohol monitoring fund, a county juvenile indigent drivers interlock and alcohol monitoring fund, or a municipal indigent drivers interlock and alcohol monitoring fund, ~~all portions of license reinstatement fees that are paid under division (F)(2) of this section and that are credited under that division to the indigent drivers interlock and alcohol monitoring fund in the state treasury,~~ and all portions of fines that are paid under division (G) of section 4511.19 of the Revised Code and that are credited by division (G)(5) (e) of that section to the indigent drivers interlock and alcohol monitoring fund in the state treasury shall be deposited in the appropriate fund in accordance with division ~~(F)(2)~~(1)(3) of this section.

~~(2)(3) That portion of the license reinstatement fee that is paid under division (F) of this section and that portion of the fine paid under division (G) of section 4511.19 of the Revised Code and that is credited under either division~~ to the indigent drivers interlock and alcohol monitoring fund shall be deposited into a county indigent drivers interlock and alcohol monitoring fund, a county juvenile indigent drivers interlock and alcohol monitoring fund, or a municipal indigent drivers interlock and alcohol monitoring fund as follows:

(a) If the ~~fee or~~ fine is paid by a person who was charged in a county court with the violation that resulted in the ~~suspension or~~ fine, the portion shall be deposited into the county indigent drivers interlock and alcohol monitoring fund under the control of that court.

(b) If the ~~fee or~~ fine is paid by a person who was charged in a juvenile court with the violation that resulted in the ~~suspension or~~ fine, the portion shall be deposited into the county juvenile indigent drivers interlock and alcohol monitoring fund established in the county served by the court.

(c) If the ~~fee or~~ fine is paid by a person who was charged in a municipal court with the violation that resulted in the ~~suspension~~ fine, the portion shall be deposited into the municipal indigent drivers interlock and alcohol monitoring fund under the control of that court.

~~(3)~~(4) If a county, juvenile, or municipal court determines that the funds in the county indigent drivers interlock and alcohol monitoring fund, the county juvenile indigent drivers interlock and alcohol monitoring fund, or the municipal indigent drivers interlock and alcohol monitoring fund under the control of that court are more than sufficient to satisfy the purpose for which the fund was established as specified in division ~~(F)(2)(h)~~ (I) of this section, the court may declare a surplus in the fund. The court then may order the transfer of a specified amount into the county indigent drivers alcohol treatment fund, the county juvenile indigent drivers alcohol treatment fund, or the municipal indigent drivers alcohol treatment fund under the control of that court to be utilized in accordance with division (H) of this section.

Sec. 4511.192. (A) Except as provided in division (A)(5) of section 4511.191 of the Revised Code, the arresting law enforcement officer shall give advice in accordance with this section to any person under arrest for a violation of division (A) or (B) of section 4511.19 of the Revised Code, section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, or a municipal OVI ordinance. The officer shall give that advice in a written form that contains the information described in division (B) of this section and shall read the advice to the person. The form shall contain a statement that the form was shown to the person under arrest and read to the person by the arresting officer. One or more persons shall witness the arresting officer's reading of the form, and the witnesses shall certify to this fact by signing the form. The person must submit to the chemical test or tests, subsequent to the request of the arresting officer, within two hours of the time of the alleged violation and, if the person does not submit to the test or tests within that two-hour time limit, the failure to submit automatically constitutes a refusal to submit to the test or tests.

(B) Except as provided in division (A)(5) of section 4511.191 of the Revised Code, if a person is under arrest as described in division (A) of this section, before the person may be requested to submit to a chemical test or tests to determine the alcohol, drug of abuse, controlled substance, metabolite of a controlled substance, or combination content of the person's whole blood, blood serum or plasma, breath, oral fluid, or urine, the arresting officer shall read the following form to the person:

"You now are under arrest for (specifically state the offense under state law or a substantially equivalent municipal ordinance for which the person was arrested - operating a vehicle under the influence of alcohol, a drug, or a combination of them; operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance; operating a

vehicle after underage alcohol consumption; or having physical control of a vehicle while under the influence).

If you refuse to take any chemical test required by law, your Ohio driving privileges will be suspended immediately, and you will have to pay a fee to have the privileges reinstated. If you have a prior conviction of OVI or operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance under state or municipal law within the preceding twenty years, you now are under arrest for state OVI, and, if you refuse to take a chemical test, you will face increased penalties if you subsequently are convicted of the state OVI.

(Read this part unless the person is under arrest for solely having physical control of a vehicle while under the influence.) If you take any chemical test required by law and are found to be at or over the prohibited amount of alcohol, a controlled substance, or a metabolite of a controlled substance in your whole blood, blood serum or plasma, breath, or urine as set by law, your Ohio driving privileges will be suspended immediately, and you will have to pay a fee to have the privileges reinstated.

If you take a chemical test, you may have an independent chemical test taken at your own expense."

(C) If the arresting law enforcement officer does not ask a person under arrest as described in division (A) of this section or division (A)(5) of section 4511.191 of the Revised Code to submit to a chemical test or tests under section 4511.191 of the Revised Code, the arresting officer shall seize the Ohio or out-of-state driver's or commercial driver's license or permit of the person and immediately forward it to the court in which the arrested person is to appear on the charge. If the arrested person is not in possession of the person's license or permit or it is not in the person's vehicle, the officer shall order the person to surrender it to the law enforcement agency that employs the officer within twenty-four hours after the arrest, and, upon the surrender, the agency immediately shall forward the license or permit to the court in which the person is to appear on the charge. Upon receipt of the license or permit, the court shall retain it pending the arrested person's initial appearance and any action taken under section 4511.196 of the Revised Code.

(D)(1) If a law enforcement officer asks a person under arrest as described in division (A)(5) of section 4511.191 of the Revised Code to submit to a chemical test or tests under that section and the test results indicate a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense, or if a law enforcement officer asks a person under arrest as described in division (A) of this section to submit to a chemical test or tests under section 4511.191 of the Revised Code, the officer advises the person in accordance with this section of the consequences of the person's refusal or submission, and either the person refuses to submit to the test or tests or, unless the arrest was for a violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, the person submits to the test or tests and the test results indicate a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance

in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense, the arresting officer shall do all of the following:

(a) On behalf of the registrar of motor vehicles, notify the person that, independent of any penalties or sanctions imposed upon the person, the person's Ohio driver's or commercial driver's license or permit or nonresident operating privilege is suspended immediately, that the suspension will last at least until the person's initial appearance on the charge, which will be held within five days after the date of the person's arrest or the issuance of a citation to the person, and that the person may appeal the suspension at the initial appearance or during the period of time ending thirty days after that initial appearance;

(b) Seize the driver's or commercial driver's license or permit of the person and immediately forward it to the registrar. If the arrested person is not in possession of the person's license or permit or it is not in the person's vehicle, the officer shall order the person to surrender it to the law enforcement agency that employs the officer within twenty-four hours after the person is given notice of the suspension, and, upon the surrender, the officer's employing agency immediately shall forward the license or permit to the registrar.

(c) Verify the person's current residence and, if it differs from that on the person's driver's or commercial driver's license or permit, notify the registrar of the change;

(d) Send to the registrar, within forty-eight hours after the arrest of the person, a sworn report that includes all of the following statements:

(i) That the officer had reasonable grounds to believe that, at the time of the arrest, the arrested person was operating a vehicle, streetcar, or trackless trolley in violation of division (A) or (B) of section 4511.19 of the Revised Code or a municipal OVI ordinance or for being in physical control of a stationary vehicle, streetcar, or trackless trolley in violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance;

(ii) That the person was arrested and charged with a violation of division (A) or (B) of section 4511.19 of the Revised Code, section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, or a municipal OVI ordinance;

(iii) Unless division (D)(1)(d)(v) of this section applies, that the officer asked the person to take the designated chemical test or tests, advised the person in accordance with this section of the consequences of submitting to, or refusing to take, the test or tests, and gave the person the form described in division (B) of this section;

(iv) Unless division (D)(1)(d)(v) of this section applies, that either the person refused to submit to the chemical test or tests or, unless the arrest was for a violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, the person submitted to the chemical test or tests and the test results indicate a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense;

(v) If the person was under arrest as described in division (A)(5) of section 4511.191 of the

Revised Code and the chemical test or tests were performed in accordance with that division, that the person was under arrest as described in that division, that the chemical test or tests were performed in accordance with that division, and that test results indicated a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense.

(2) Division (D)(1) of this section does not apply to a person who is arrested for a violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, who is asked by a law enforcement officer to submit to a chemical test or tests under section 4511.191 of the Revised Code, and who submits to the test or tests, regardless of the amount of alcohol, a controlled substance, or a metabolite of a controlled substance that the test results indicate is present in the person's whole blood, blood serum or plasma, breath, oral fluid, or urine.

(E) The arresting officer shall give the officer's sworn report that is completed under this section to the arrested person at the time of the arrest, or the registrar of motor vehicles shall send the report to the person by regular first class mail as soon as possible after receipt of the report, but not later than fourteen days after receipt of it. An arresting officer may give an unsworn report to the arrested person at the time of the arrest provided the report is complete when given to the arrested person and subsequently is sworn to by the arresting officer. As soon as possible, but not later than forty-eight hours after the arrest of the person, the arresting officer shall send a copy of the sworn report to the court in which the arrested person is to appear on the charge for which the person was arrested.

(F) The sworn report of an arresting officer completed under this section is prima-facie proof of the information and statements that it contains. It shall be admitted and considered as prima-facie proof of the information and statements that it contains in any appeal under section 4511.197 of the Revised Code relative to any suspension of a person's driver's or commercial driver's license or permit or nonresident operating privilege that results from the arrest covered by the report.

Sec. 4513.263. (A) As used in this section and in section 4513.99 of the Revised Code:

(1) "Automobile" means any commercial tractor, passenger car, commercial car, or truck that is required to be factory-equipped with an occupant restraining device for the operator or any passenger by regulations adopted by the United States secretary of transportation pursuant to the "National Traffic and Motor Vehicle Safety Act of 1966," 80 Stat. 719, 15 U.S.C.A. 1392.

(2) "Occupant restraining device" means a seat safety belt, shoulder belt, harness, or other safety device for restraining a person who is an operator of or passenger in an automobile and that satisfies the minimum federal vehicle safety standards established by the United States department of transportation.

(3) "Passenger" means any person in an automobile, other than its operator, who is occupying a seating position for which an occupant restraining device is provided.

(4) "Commercial tractor," "passenger car," and "commercial car" have the same meanings as in section 4501.01 of the Revised Code.

(5) "Vehicle" and "motor vehicle," as used in the definitions of the terms set forth in division (A)(4) of this section, have the same meanings as in section 4511.01 of the Revised Code.

(6) "Tort action" means a civil action for damages for injury, death, or loss to person or property. "Tort action" includes a product liability claim, as defined in section 2307.71 of the Revised Code, and an asbestos claim, as defined in section 2307.91 of the Revised Code, but does not include a civil action for damages for breach of contract or another agreement between persons.

(B) No person shall do any of the following:

(1) Operate an automobile on any street or highway unless that person is wearing all of the available elements of a properly adjusted occupant restraining device, or operate a school bus that has an occupant restraining device installed for use in its operator's seat unless that person is wearing all of the available elements of the device, as properly adjusted;

(2) Operate an automobile on any street or highway unless each passenger in the automobile who is subject to the requirement set forth in division (B)(3) of this section is wearing all of the available elements of a properly adjusted occupant restraining device;

(3) Occupy, as a passenger, a seating position on the front seat of an automobile being operated on any street or highway unless that person is wearing all of the available elements of a properly adjusted occupant restraining device;

(4) Operate a taxicab on any street or highway unless all factory-equipped occupant restraining devices in the taxicab are maintained in usable form.

(C)(1) Division (B)(3) of this section does not apply to a person who is required by section 4511.81 of the Revised Code to be secured in a child restraint device or booster seat.

(2) Division (B)(1) of this section does not apply to a person who is an employee of the United States postal service or of a newspaper home delivery service, during any period in which the person is engaged in the operation of an automobile to deliver mail or newspapers to addressees.

(3) Divisions (B)(1) and (3) of this section do not apply to a person who has an affidavit signed by a physician licensed to practice in this state under Chapter 4731. of the Revised Code or a chiropractor licensed to practice in this state under Chapter 4734. of the Revised Code that states the following:

(a) That the person has a physical impairment that makes use of an occupant restraining device impossible or impractical;

(b) Whether the physical impairment is temporary, permanent, or reasonably expected to be permanent;

(c) If the physical impairment is temporary, how long the physical impairment is expected to make the use of an occupant restraining device impossible or impractical.

(4) Divisions (B)(1) and (3) of this section do not apply to a person who has registered with the registrar of motor vehicles in accordance with division (C)(5) of this section.

(5) A person who has received an affidavit under division (C)(3) of this section stating that the person has a permanent or reasonably expected to be permanent physical impairment that makes

use of an occupant restraining device impossible or impracticable may register with the registrar attesting to that fact. Upon such registration, the registrar shall make that information available in the law enforcement automated data system. A person included in the database under division (C)(5) of this section is not required to have the affidavit obtained in accordance with division (C)(3) of this section in their possession while operating or occupying an automobile.

(6) A physician or chiropractor who issues an affidavit for the purposes of division (C)(3) or (4) of this section is immune from civil liability arising from any injury or death sustained by the person who was issued the affidavit due to the failure of the person to wear an occupant restraining device unless the physician or chiropractor, in issuing the affidavit, acted in a manner that constituted willful, wanton, or reckless misconduct.

(7) The registrar shall adopt rules in accordance with Chapter 119. of the Revised Code establishing a process for a person to be included in the database under division (C)(5) of this section. The information provided and included in the database under division (C)(5) of this section is not a public record subject to inspection or copying under section 149.43 of the Revised Code.

(D) Notwithstanding any provision of law to the contrary, no law enforcement officer shall cause an operator of an automobile being operated on any street or highway to stop the automobile for the sole purpose of determining whether a violation of division (B) of this section has been or is being committed or for the sole purpose of issuing a ticket, citation, or summons for a violation of that nature or causing the arrest of or commencing a prosecution of a person for a violation of that nature, and no law enforcement officer shall view the interior or visually inspect any automobile being operated on any street or highway for the sole purpose of determining whether a violation of that nature has been or is being committed.

(E) All fines collected for violations of division (B) of this section, or for violations of any ordinance or resolution of a political subdivision that is substantively comparable to that division, shall be forwarded to the treasurer of state for deposit into the state treasury to the credit of the trauma and emergency medical services fund, which is hereby created. In addition, the portion of the driver's license reinstatement fee described in division ~~(F)(2)(g)~~ (F)(2)(f) of section 4511.191 of the Revised Code, plus all fees collected under section 4765.11 of the Revised Code, plus all fines imposed under section 4765.55 of the Revised Code, plus the fees and other moneys specified in section 4766.05 of the Revised Code, and plus five per cent of fines and moneys arising from bail forfeitures as directed by section 5503.04 of the Revised Code, also shall be deposited into the trauma and emergency medical services fund. All money deposited into the trauma and emergency medical services fund shall be used by the department of public safety for the administration and operation of the division of emergency medical services and the state board of emergency medical, fire, and transportation services, and by the state board of emergency medical, fire, and transportation services to make grants, in accordance with section 4765.07 of the Revised Code and rules the board adopts under section 4765.11 of the Revised Code. The director of budget and management may transfer excess money from the trauma and emergency medical services fund to

the public safety - highway purposes fund established in section 4501.06 of the Revised Code if the director of public safety determines that the amount of money in the trauma and emergency medical services fund exceeds the amount required to cover such costs incurred by the emergency medical services agency and the grants made by the state board of emergency medical, fire, and transportation services and requests the director of budget and management to make the transfer.

(F)(1) Subject to division (F)(2) of this section, the failure of a person to wear all of the available elements of a properly adjusted occupant restraining device in violation of division (B)(1) or (3) of this section or the failure of a person to ensure that each minor who is a passenger of an automobile being operated by that person is wearing all of the available elements of a properly adjusted occupant restraining device in violation of division (B)(2) of this section shall not be considered or used by the trier of fact in a tort action as evidence of negligence or contributory negligence. But, the trier of fact may determine based on evidence admitted consistent with the Ohio Rules of Evidence that the failure contributed to the harm alleged in the tort action and may diminish a recovery of compensatory damages that represents noneconomic loss, as defined in section 2307.011 of the Revised Code, in a tort action that could have been recovered but for the plaintiff's failure to wear all of the available elements of a properly adjusted occupant restraining device. Evidence of that failure shall not be used as a basis for a criminal prosecution of the person other than a prosecution for a violation of this section; and shall not be admissible as evidence in a criminal action involving the person other than a prosecution for a violation of this section.

(2) If, at the time of an accident involving a passenger car equipped with occupant restraining devices, any occupant of the passenger car who sustained injury or death was not wearing an available occupant restraining device, was not wearing all of the available elements of such a device, or was not wearing such a device as properly adjusted, then, consistent with the Rules of Evidence, the fact that the occupant was not wearing the available occupant restraining device, was not wearing all of the available elements of such a device, or was not wearing such a device as properly adjusted is admissible in evidence in relation to any claim for relief in a tort action to the extent that the claim for relief satisfies all of the following:

(a) It seeks to recover damages for injury or death to the occupant.

(b) The defendant in question is the manufacturer, designer, distributor, or seller of the passenger car.

(c) The claim for relief against the defendant in question is that the injury or death sustained by the occupant was enhanced or aggravated by some design defect in the passenger car or that the passenger car was not crashworthy.

(G)(1) Whoever violates division (B)(1) of this section shall be fined thirty dollars.

(2) Whoever violates division (B)(3) of this section shall be fined twenty dollars.

(3) Except as otherwise provided in this division, whoever violates division (B)(4) of this section is guilty of a minor misdemeanor. If the offender previously has been convicted of or pleaded guilty to a violation of division (B)(4) of this section, whoever violates division (B)(4) of

this section is guilty of a misdemeanor of the third degree.

SECTION 2. That existing sections 1547.11, 1547.111, 2317.02, 2317.022, 2743.191, 2903.06, 2929.14, 2929.142, 3701.143, 4503.234, 4503.235, 4506.17, 4510.13, 4510.17, 4510.31, 4510.54, 4511.19, 4511.191, 4511.192, and 4513.263 of the Revised Code are hereby repealed.

SECTION 3. The General Assembly, applying the principle stated in division (B) of section 1.52 of the Revised Code that amendments are to be harmonized if reasonably capable of simultaneous operation, finds that the following sections, presented in this act as composites of the sections as amended by the acts indicated, are the resulting versions of the sections in effect prior to the effective date of the sections as presented in this act:
