(B) Notwithstanding sections 5713.08, 5713.081, and 5715.27 of the Revised Code, and without regard to any time or payment limitations under any section of the Revised Code, the owner of qualified property at any time within twelve months after the effective date of this section may file an application with the Tax Commissioner requesting that the qualified property be placed on the exempt list and that all unpaid taxes, penalties, and interest on the property be abated, including taxes, penalties, and interest that have become a lien prior to the date of acquisition of title to the property by the qualified property's owner.

(C) The application shall be made on the form prescribed by the Tax Commissioner under section 5715.27 of the Revised Code and shall list the name of the county in which the property is located; the property's legal description, taxable value, and the amount, in dollars, of the unpaid taxes, penalties, and interest; the date of acquisition of title to the property; the use of the property during any time that the unpaid taxes accrued; and any other information required by the Commissioner. The county auditor shall supply the required information upon request of the applicant.

(D) Upon request of the applicant, the county treasurer shall determine if all taxes, penalties, and interest that became a lien on the qualified property before it was first used by the property's owner or a prior owner for an exempt purpose have been paid in full. If so, the county treasurer shall issue a certificate to the applicant stating that all such taxes, penalties, and interest have been paid in full. The applicant shall attach the county treasurer's certificate to the application filed with the Tax Commissioner under this section.

(E) Upon receipt of an application, the Tax Commissioner shall determine if the qualified property meets the qualifications set forth in this section and if so shall issue an order directing that the property be placed on the exempt list of the county in which it is located and that all unpaid taxes, penalties, and interest for each year that the property met the qualifications for exemption described in section 5709.07 or another section of the Revised Code be abated. If the Commissioner finds that the property is or previously was being used for a purpose that would disqualify it for such exemption, the Tax Commissioner shall issue an order denying the application with respect to such tax years where the Commissioner finds that disqualifying use.

(F) If the Tax Commissioner finds that the property is not entitled to the tax exemption and abatement of unpaid taxes, penalties, and interest for any of the years for which the applicant claims an exemption or abatement, the Commissioner shall order the county treasurer of the county in which the property is located to collect all taxes, penalties, and interest on the property for those years as required by law.

(B) Notwithstanding sections 5713.08, 5713.081, and 5715.27 of the Revised Code, and without regard to any time or payment limitations under any section of the Revised Code, the owner of qualified property at any time within twelve months after the effective date of this section may file an application with the Tax Commissioner requesting that the qualified property be placed on the exempt list and that all unpaid taxes, penalties, and interest on the property be abated, including taxes, penalties, and interest that have become a lien prior to the date of acquisition of title to the property by the qualified property's owner.

(C) The application shall be made on the form prescribed by the Tax Commissioner under section 5715.27 of the Revised Code and shall list the name of the county in which the property is located; the property's legal description, taxable value, and the amount, in dollars, of the unpaid taxes, penalties, and interest; the date of acquisition of title to the property; the use of the property during any time that the unpaid taxes accrued; and any other information required by the Commissioner. The county auditor shall supply the required information upon request of the applicant.

(D) Upon request of the applicant, the county treasurer shall determine if all taxes, penalties, and interest that became a lien on the qualified property before it was first used by the property's owner or a prior owner for an exempt purpose have been paid in full. If so, the county treasurer shall issue a certificate to the applicant stating that all such taxes, penalties, and interest have been paid in full. The applicant shall attach the county treasurer's certificate to the application filed with the Tax Commissioner under this section.

(E) Upon receipt of an application, the Tax Commissioner shall determine if the qualified property meets the qualifications set forth in this section and if so shall issue an order directing that the property be placed on the exempt list of the county in which it is located and that all unpaid taxes, penalties, and interest for each year that the property met the qualifications for exemption described in section 5709.08 or another section of the Revised Code be abated. If the Commissioner finds that the property is or previously was being used for a purpose that would disqualify it for such exemption, the Tax Commissioner shall issue an order denying the application with respect to such tax years where the Commissioner finds that disqualifying use.

(F) If the Tax Commissioner finds that the property is not entitled to the tax exemption and abatement of unpaid taxes, penalties, and interest for any of the years for which the applicant claims an exemption or abatement, the Commissioner shall order the county treasurer of the county in which the property is located to collect all taxes, penalties, and interest on the property for those years as required by law.
